The Citizen's Fire Academy is a program designed to give participants a working knowledge of the Quincy Fire Department. The 10 week session includes brief classroom discussions, with a primary focus on hands-on exercises. Classes are held once a week from 6 to 9 p.m. Two sessions are held each year—one in the Fall and one in the Spring. There is no fee for enrollment. The Quincy Fire Department offers Quincy's citizens insights into how firefighters/paramedics perform their duties, as well as, how the department serves the community. Individuals who would like to participate in the Academy must be at least 18 years of age.
