

The following exterior features of the John and Anna Neumann House, 608 Adams St., are protected by City Ordinance No. 9145, approved April 28, 2009:

- (1) Two-story brick National I-house. Low-pitched roof with simple wooden cornice and shallow overhang.
- (2) Front porch with square fluted columns and balustrade with square balusters. The tops of the columns have milled capitals which flare into the entablature.
- (3) Windows with arched brick lintels and stone sills. Original wooden window frames.
- (4) Front entrance with arched brick lintel, limestone water table, and transom window.
- (5) Beaded board porch ceiling.
- (6) Shallow projecting chimney piercing the soffit of the west gable.
