

The following exterior features of the Aladar and Magdelene Kuna House, 2409 Country Club Dr. South, are protected by City Ordinance No. 9101, approved March 20, 2007:

- (1) One-story Modern (Contemporary) style brick house on a concrete slab.
- (2) Low-pitched roof with centered skylight. Roof is cantilevered from main body of house.
- (3) Sharply angled metal beams extending from the front and back roofline.
- (4) Patio enclosed with floor-to-ceiling glass and sliding glass doors.
- (5) Stepped-back brick wall segments with clerestory windows.
- (6) Stepped-back wall segments and recessed entry on east side.
- (7) Metal posts supporting overhanging eaves.
- (8) Roof extension over west patio.
- (9) Aluminum-frame windows throughout the house.
- (10) Metal garden canopy framework at southeast corner of property.
