

The following exterior features of the Jesse E. Weems House, 1641 Hampshire St., are protected by City Ordinance No. 8974, approved March 11, 2003:

- (1) Sunburst pediments under the front gable, on the front porch, and above the rectangular bay window.
- (2) Cut stone foundation.
- (3) Original wood siding.
- (4) Two-story rectangular bay window on the east side.
- (5) Horizontal band with rectangular molding on the front porch and front façade.
- (6) Decorative half-timbering above the west porch entry and in the west gable.
