

The following exterior features of the Henry Korte House, 1015 Kentucky Street, are among those protected by City Ordinance No. 9092, approved October 31, 2006:

- (1) Two story brick vernacular L-plan house.
- (2) Rough-faced limestone foundation.
- (3) Wood siding in south gable, simple modillions under east gable.
- (4) Beveled glass transom over front window.
- (5) Built-in gutters on main roof and porch roof.
- (6) Central window flanked by two smaller windows in front gable.
- (7) Segmental arched window openings.
- (8) Limestone sills.
- (9) Two-story cutaway bay on east side of house.
- (10) Original wood window sashes.
