

The following exterior features of the Thomas and Edith Binkert House, 1244 Park Place, are among those protected by City Ordinance No. 8810 approved December 22, 1998:

1. brick construction with stone foundation
2. front porch - carved pediment, spindlework
3. facade and east gable - half timbered
4. one story angular bay with dentils - east side
5. rounded northwest corner - half timbered corner gable, curved window
6. one over one sash windows
7. single door entry with transom window
8. chimney - molded corners, stone detail - east side
9. brickwork - frieze, between facade windows on west
10. shallow arch carved lintels under flat segmented arch
11. stained glass transom windows - first floor facade windows (including curved corner window)
12. pilastered "chimney" (no top) - molded corners - west side
