

The following exterior features of the Frank and Rose Dick House 1254 Park Place are protected by City Ordinance No.8810, Approved December 21, 1998:

1. buff brick construction with stone foundation
2. front porch - brackets, "tapered" columns
3. square rail - porch, balcony
4. dormers on each side - multipane windows
5. multipane (usually six) over single pane sash windows
6. single door entry - side and top lights
7. chimney - east and west sides
8. stone band detail - over and between second story windows
(including lintels)
9. flat brick arch lintels, stone sills - first floor windows
