

The following exterior features of the St. Peters Evangelical Church Hall, 635 South 13th Street, are among those protected by City Ordinance No. 8738 approved January 28, 1997:

1. All exterior masonry and all stone trim.
2. Southwest cornerstone.
3. Projecting main entrance bay with four-light transom.
4. Stone front entrance steps.
5. Front entrance doors and light fixture.
6. Buttresses on north, west, and south facades.
7. All three-over-one windows on the north, west, and south facades.
8. Rear entry door at northeast corner of the main building.
