

The following exterior features of the Dr. Robert James and Leila Turner Christie House, 234 South 16<sup>th</sup> Street, are among those protected by City Ordinance No. 9101 approved March 20, 2007:

- (1) Two-and-a-half story frame Colonial Revival house on a limestone foundation.
- (2) All original wood siding.
- (3) Gabled roof with cornice line emphasized by a band of offset dentil trim.
- (4) Three front roof dormers with broken pediments.
- (5) Three rear roof dormers.
- (6) Neo-classical front porch including wood beaded board ceiling, Tuscan columns (coupled columns on each side of entry), short balusters supporting porch railing, and a geometrical balustrade above the porch roofline.
- (7) Front entry surrounded by decorative sidelights and transom light.
- (8) Windows, including three semi-circular windows in front dormers, six-over-one double-hung windows, bay window on the first floor at southwest corner, and window in second story projection on north façade.
- (9) Brick chimneys, including chimney shaft at south end of gable roof and chimney located in the offset gable at the rear of the house.
