

The following exterior features of the Benjamin and Elizabeth Burroughs/Klarner House, 3130 State Street, are among those protected by City Ordinance No. 8689 approved June 20, 1995:

1. All exterior brick and stone.
2. Rusticated stone foundation beneath a string course of finished stone.
3. Two original brick chimneys on the east and west gables.
4. Steeply pitched roof with a gable at the east and west ends.
5. One 4-over-4 arched window with a stone sill set into each of the end gables.
6. Cornice with brackets at the north roof line, and a raking cornice with brackets at the east and west gables.
7. North entrance having sidelights and a large arched transom with curving traceries.
8. North porch having eight freestanding and two attached shouldered square columns supporting a cornice and a flat roof. Six of these columns are clustered into two groups of three which rise from shared wooden paneled bases.
9. Floating brackets which decorate the east, north, and west sides of the porch at the cornice.
10. Two polygonal bay window elements, one at each side of the northern entrance porch, each consisting of one 4-over-6 double hung window flanked by a 2-over-3 double hung window at either side.
11. Twin arched, 1-over-1 double hung windows, sharing a common stone sill and arched stone lintel, resting above the north entrance on the second level.
12. All windows having stone sills and stone lintels.
13. All window shutters.
