Quincy's Food & Beverage Ordinance

The Prepared Food and Beverage & Alcoholic Beverage Tax is a 1% tax on the purchase price of prepared food and beverage sold for immediate consumption AND all alcoholic liquor sold at retail. For a copy of the City Ordinance click here.

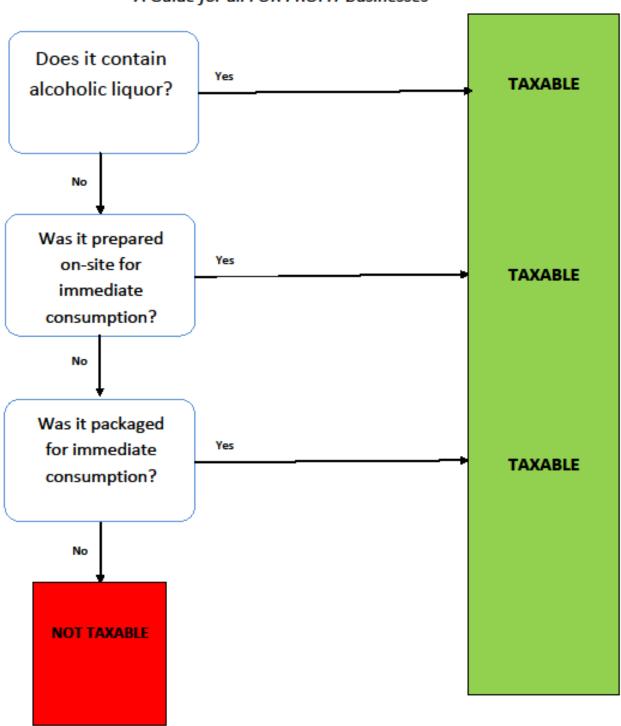

The tax was scheduled to go into effect on May 1, 2020; however, due to the COVID19 crisis, the implementation has been delayed until January 1, 2021

The Prepared Food and Beverage & Alcoholic Beverage Tax will be used for economic growth initiatives and support the QUINCY NEXT Strategic Plan.

The City's 1% Prepared Food and Beverage & Alcoholic Beverage Tax is *in addition* to and separate from the tax remitted to the state.
