^Pension benefits are reported differently for each pension group:

IMRF Pension benefit amount is a fixed percentage based on individual wages.

Police pension benefit is a manually calculated benefit which proportionately allocates the FYE 4/30/20 total police pension cost of \$3,342,596.78 (which includes the unfunded liability portion) to the police pensionable wages earned in FYE 4/30/20

Fire pension benefit is a manually calculated benefit which proportionately allocates the FYE 4/30/20 total fire pension cost of \$3,537,669.54 (which includes the unfunded liability portion) to the fire pensionable wages earned in FYE 4/30/20

\*Employees earn vacation time based on their collective bargaining agreement, or the city handbook, if non-union. Accrued vacation hours earned typically increase with years of service. Employees are required to use their annual allotment of vacation days. Vacation pay is included in Gross Pay.

\*\*Employees earn sick time based on their collective bargaining agreement, or the city handbook, if non-union. Sick hours may accumulate up to a limit set by the employee's collective bargaining agreement or the city handbook, if non-union. Sick time earned in excess of the limit is bought back at a rate determined by the collective bargaining agreement or the city handbook, if non-union. Any sick time used or sick time buyback pay is included in Gross Pay.
