CITY HALL - 730 MAINE
QUINCY, IL 62301-4056
(217) 228-7730

TO: The Mayor and the Quincy City Council

From: Jeff Mays, Director of Administrative Services

Date: March 26, 2021

On behalf of the City of Quincy budget team, the FY2021-2022 budget plan we are presenting today is balanced within anticipated recurring revenues and expenses. It increases the overall budgeted headcount by one (from 309 to 310). It continues the city's massive re-investment in our streets, sewer, and water infrastructure begun last year. Most importantly, it establishes initial funding for Quincy's comprehensive growth initiative.

As we introduced the budget last year we noted how quickly revenue and spending assumptions could change, given the pandemic's initial shut down edicts. With the number of unemployed in our community increasing ten-fold in a matter of weeks, we were told to anticipate significant hits to our income and sales related taxes. Together, we passed a scaled down budget in April and then scaled back our spending even further in June. We then slowly added back program and staffing as the revenues recovered. Because the administration and council had built solid reserves over the preceding budgets, we were able to weather the changes and come out ahead with the supplemental budget amendments passed in November and February.

Finally, while this budget honors the vision and priorities of the current administration and council, it also provides a solid foundation for the new administration and council to build upon. Importantly, because this budget does not rely on COVID-19 relief funds for Airport, Transit or any additional non-recurring stimulus funds that were recently passed by Congress, this leaves the next administration in a strong position to fund their priorities and address future challenges as they see fit.

Respectfully,

The City's activities are budgeted and accounted for through the use of funds. A fund is a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. The City's funds are arranged in accordance with the Governmental Accounting Standards Board (GASB) and standards set by the Government Finance Officers Association (GFOA). The following fund types are used in this document:

General Fund is the general operating fund of the City. The restricted portion of General Fund is called the Cash Reserve Fund.

Special Revenue Funds are used to account for revenues derived from specific taxes, grants, or other restricted governmental revenue sources that are legally restricted to expenditures for specified purposes. Special Revenue Funds used by the City include:

201 Planning & Dev	211 Traffic Signal	243 Federal Forfeiture	249 Police DUI
202 9-1-1 Fund	212 Town Road Tax	244 Police Crime Lab	250 Transit
204 9-1-1 Surcharge	240 Police Grants	245 Fire Education	252 DCCA Grant
205 Franchise Fee	241 Police Donations	246 Fire Donations	253 IHDA Grant
210 Motor Fuel Tax	242 State Forfeiture	247 Fire Grant	257 Bridge Lighting

Capital Project Funds are created to account for financial resources to be used for the acquisition or construction of major capital facilities and infrastructure, except for the projects financed by legally restricted special revenue funds and proprietary fund types. The City's Capital Projects Funds are:

301 Capital Projects Fund	309 Special Cap Proj Fund
312 TIF #2 Fund	313 TIF #3 Fund
314 Water EPA 2019 Proj Fund	315 Sewer EPA 2019 Proj Fund
323 2019 GO Street Proj Fund	395 QMEA Capital Reserve Fund
397 Fire Equip Rep Fund	

Debt Service Funds are used to account for the accumulation of resources for the payment of principal, interest, and agent fees for General Obligation Bonds/Debt issued on behalf of the Governmental Fund types.

Proprietary Funds are funds established to account for the self supporting municipal activities that are similar to private business. The activities are financed by sales and service fees. The City operates the following enterprise funds:

501 Water Fund	502 Sewer Fund
511 Airport Fund	512 Airport PFC Fund
514 Municipal Dock Fund	531 Regional Training Facility Fund
533 Garbage Fund	534 Recycle Fund

Trust and Agency Funds are funds established to account for funds that the City has retained custodial ownership. These funds include the Revolving Loan funds, Commission Funds (Lincoln, Human Rights, and Tree Board), and Tourism Tax Fund.

Component Units are legally separate entities that meet any of three tests: 1) the primary government appoints the voting majority of the board of the component unit and is able to impose its will or is in a relationship of financial burden or benefits; 2) the component unit is fiscally dependent upon the primary government; 3) the financial statements would be misleading if data from the component unit were not included. The Quincy Public Library and Woodlawn Cemetery are both component units of City government.

Basis of Accounting & Budgeting

The operating budget is adopted each fiscal year for all fund types. The modified accrual basis of accounting and budgeting is used for the Governmental Funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual. Expenditures are recorded when the related liability is incurred

Budgetary control is exercised by line item accounts, in an effort to monitor revenues and expenditures as they occur in relation to the approved budget. This allows for the management of expenditures as necessary to achieve a balance budget. A balanced budget occurs when the total expenditures and other financing expenses are equal to the total revenues and other financing sources resulting in no change of fund balance.

Amendment of Budget

Department Heads may initiate transfers of funds between line item accounts within the department upon approval of the Director of Administrative Services and the Comptroller. These are called "Line Item Transfers" and the Finance Committee reviews these transfers on a monthly basis.

Transfer of budget funds from one Department/Division to another Department/Division in excess of \$10,000 requires City Council approval, accomplished by a two-third majority vote. Increases or decreases in overall budget revenue or expenditures in excess of \$10,000 also require a two-thirds majority vote by City Council.

Adoption of Budget

November - The budget process starts with the Staffing Plan approvals. The Staffing Plans consist of salary and benefit information for each employee, transfers of shared positions, and calculations of full-time equivalencies for each department/division. Each department head reviews their plan and any staffing increases are submitted for authorization.

December - Pension Contributions. During the adoption of the tax levy, the City Council determines the level of funding of the pension contribution. In past years, the Council has committed fund balance during the tax levy in lieu of levying for the entire pension contribution not covered by other funding sources.

January - Revenue Estimates. City Staff develops a current year revenue projection based on the eight months (May - December) actual data. Staff discusses any local economic factors and makes a projection based on the past 5-year average. These revenue projections are used to project the following fiscal year and also a trend is projected for the next five years. This revenue projection is presented to City Council in February.

February - Each department is required to submit their budget requests. City Staff consisting of the Mayor, the Director of Administrative Services, the Comptroller, and the City Treasurer meet with each department head to review budget submissions, discuss any significant changes, and review requests for capital outlay. The process allows for expense adjustments so that spending is within revenue projections.

March - Updated Review. The revenue estimates are updated based on the past ten months actual data (May - February) and compared to the staff reviewed expense projections and presented to City Council on March 22, 2021.

March 28, 2021 - Notice of Public Hearing is published in local newspaper.

March 29, 2021 - 21 days prior to Adoption - Budget document is available to public.

April 5, 2021 - Public Hearing & 1st Reading of Budget Ordinance

April 12, 2021 - 2nd Reading of Budget Ordinance

April 19, 2021 3rd Reading and Adoption of Budget Ordinance

The City Council adopted the Quincy Next Strategic Plan on March 12, 2018 which states four major long-term goals. The plan highlights the core initiatives below:

SUMMARY OF PAST YEAR HIGHLIGHTS

Provide a high quality of life for all residents through Community Engagement

The Covid-19 pandemic impacted virtually every constituency of our community and changed the governance interface on many levels. Within a week of the announced state actions, the Mayor convened public health, education, non-profit, and elected community leaders to form Adams County Together (ACT). This group became the conduit for outreach to our community and impacted policy decisions on key statewide decisions. ACT ultimately led to the creation of the comprehensive testing and vaccination services made available to tens of thousands of residents and workers in our region.

Fiscally Responsible

- The Mayor, Staff, and Council responded quickly and repeatedly to the fiscal impacts of business closures and unemployment by reducing our spending and revenues in the first quarter, and then restoring spending as revenues recovered.
- The Mayor and Council secured funding to invest nearly \$1 million in Quincy's first new financial and program technology platform in over 20 years. The City's health insurance fund received significant resources to restore its fiscal footing.
- The Treasurer created a management and training regimen for the nearly 350 employers who are to collect the Food, Beverage, and packaged liquor local sales tax to fund our economic growth programs.

Provide Quality Services

- In addition to our police department responding to over 30,000 service calls and fire department responding to nearly 3,500 calls for service, thousands of man-hours were allocated for the implementation of Adams County's nationally recognized testing and vaccination programs.
- QPD finalized their move into the state of the art City-County Jail Facility. New portable radios were secured for all sworn police officers.
- A new fire truck was obtained for the airport and two new garbage trucks were added to our Central Services Fleet.

Economic Development

- The Mayor and Council passed and staff is implementing the five key foundations for our 45X30 Economic Growth program: Tourism, Retail Development, Strategic Marketing, Large store renovation assistance, and Entertainment Underwriting.
- Our Planning Department created and implemented a small business assistance program that helped 108 local businesses receive \$500,000 to get through the Covid-19 closures. They also helped 16 other businesses to secure \$275,000 in DCEO small business grants.

Invest in City-Wide infrastructure

- The City secured \$36 million for runway reconstruction for the next generation of air travelers
- The City spent over \$20 million in street, sidewalk, and water/sewer line replacement and reconstruction, the single largest capital investment in one fiscal year on record.
- The City committed over \$9 million to improve and renovate our waste water treatment plant
- The City spent over \$6.5 million for major upgrades to its 1957 water treatment facility. \$7.5 million has been allocated to move our water pumps off the flood plain.

FISCAL YEAR 2022 GENERAL FINANCIAL GOALS

During our budget process, the City seeks to adopt a budget with long-term financial policies in mind. These policies are designed to provide a framework for the administration to plan for future budgetary needs and to improve our City's financial position. The budget was formed utilizing the following financial goals:

-Maintain the city's projected year end general fund unassigned balance (i.e. "Cash Reserve Fund") to 10% of the General Fund operating expenses. An adequate level of fund balance is essential to reduce potential and current risks (i.e. shortfalls in revenues and unanticipated expenditures) and ensures a stable cash flow. During the year, the cash reserve is used to loan Quincy Transit Lines due to cash flow issues with state reimbursement. The Transit loan amount is currently at \$1.7 million.

- The City should maintain a balanced budget under normal conditions. A balanced budget is defined as a budget where recurring estimated revenues equal recurring estimated expenses during a single fiscal year. A balanced budget shows prudent use of the City's resources and helps instill fiscal stability.

FY 2022 GF revenues	+	\$ 39,399,111
FY 2022 GF expenses	-	\$ 39,398,985
Surplus	=	\$ 126

- The City is fully funding pension costs. Each year the Illinois Department of Insurance provides an actuarial minimum required contribution for each pension plan. Additionally, the City hires a private actuarial firm to provide the annual contribution amount. The city has normally funded the higher of the two recommended contribution amounts to be 90% funded by 2040. The Fire Pension will be funded to the Private Actuarial amount of \$4.05M an increase of \$293,000 over last year's required contribution. The Police Pension will be funded to the State's DOI amount of \$3.62M, which is an increase of \$274,000 over last year's required contribution.

-Set a minimum level of funding for capital spending. Revenues derived from the City's Purchase Tax are used to fund the Capital Projects. Our minimum Purchase Tax allocation has been 22% under this Administration. This year's budget allocates 24% of purchase tax revenues to Infrastructure.

-Adopt a 5 Year Comprehensive Infrastructure Plan (CIP) on an annual basis. The CIP is a statement of the City's long and short-term capital improvement plans. The short-term is the first year of the CIP, which is incorporated into our annual operating budget. The long-term goal of the CIP is to provide for adequate funding to meet long term capital needs as determined by our citizens, alderpersons and administration. This Comprehensive Infrastructure Plan can be found in the Appendix of this document.

Revenue Budget by Source

The pie chart below depicts City Wide revenue by source. This chart shows all revenue types from all funds (excluding inter-fund transfers and administrative cost share transfers so as not to double count available resources). Over half of the total revenues are in the tax category which consists of sales tax, purchase tax, income tax, PPRT, property taxes, motor fuel taxes, and other state and local taxes. The second largest category is charges for services, which is 60% enterprise fund charges for water and sewer service .

SALES TAX

The State of Illinois collects sales tax from retailers operating within the City limits. The State imposed rate is 6.25%. The State distributes 1% back to the City. All of the Sales Tax is used for General Fund and this collection represents 28% of General Fund Revenues. The City reviews the past 5-year trend to project the future 5-year trend, adjusted for any national or local economic factors. FY 2021 had a unexpected one-time adjustment from a large retailer. Projecting 2% growth for FY 22 on adjusted total, which is a slight decline. Sales Tax makes up 26% of General Fund revenues.

HOME RULE "PURCHASE" TAX

Home Rule units of government (cities with elected officials and more than 25,000 people) have the authority to impose a tax on those in the business of selling tangible personal property at retail in their jurisdiction. The Home Rule Sales Tax rate is set by the City; and collected by the State. The City's Home Rule rate of 1.5% does not apply to groceries, drugs, and personal property licensed through the Secretary of State's office (vehicles, campers, trailers, motorcycles, etc). The City's current rate took effect on June 1, 2002 when the rate increased from 0.75% to 1.50%. Ordinance 9315, adopted September 18, 2017, maintains the rate of 1.5% and requires an annual review of the rate during the budget process. The Home Rule tax is used for General Fund operations and for infrastructure spending in the Capital Projects Fund #301. The funding split is approved during the budget process. The State imposed a 2% administrative collection fee in FY 2018 which has since been reduced to 1.5%. This fee along with slowing local sales tax base has impacted collections. The FY 2022 split is planned for 76% GF and 24% Capital Projects Fund. FY 2022 is projected at the 5-year growth of -1.11%. Home Rule "Purchase" Tax represents 23% of the General Fund revenue.

INCOME TAX

The State of Illinois taxes the income of individuals and corporations at the rate of 4.95% (individuals) and 7% (corporations). The State uses a Local Government Distributive Fund (LGDF) to distribute the respective amounts to each city/county within the state. The amount each locality receives is based on its population in proportion to the total state population. The funding formula for distributions changes with each State budget passage. Income Tax represents 11% of the FY2022 total revenue. FY 2022 is projected at the IML estimate of \$110.90 per capita, which is relatively the same as FYE 2021 collections. There is concern since this is a population based revenue, that a population decline will affect future growth.

PERSONAL PROPERTY REPLACEMENT TAX

The State of Illinois enacted this tax in August, 1979. Replacement Taxes are revenues collected by the State and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes were taken away. Corporations, partnerships, S corporations, and public utilities pay these taxes along with their state income tax payments. The City's PPRT funds are distributed as follows: Police Pension 9.32%, Fire Pension 13.42%, Library 10.969%. The General Fund receives the remaining 66.29% for operations. FY 2020 saw major increase mainly due to the Governor's Tax Amnesty Program. The IML has projected overall PPRT collections to decrease 18% in FYE 2021 followed by a 10% increase in FYE 2022. PPRT revenues make up 9% of the General Fund total revenues.

PROPERTY TAX

The City's property tax levy passed in December 2020 will be billed, collected, and disbursed by the County during fiscal year 2021/2022. The property tax levy consists of pensions obligations, library funding, and city and library bond debt. The bond portion of the levy is receipted into the appropriate Debt Service funds. The pass-through amounts for the Quincy Public Library and Historic Quincy Business District are budgeted as tax distributions. The remaining General Fund portion of the property tax levy makes up 15% of total General Fund revenues.

Any changes in property assessments have significant impact upon the General Fund. Property is assessed at 1/3 of market value less a homestead exemption for those who qualify. The tax rate is applied to each one hundred dollars of assessed valuation to determine the amount of property tax. The City projects a 2020 total tax of \$1.07794 per \$100 of assessed property value.

OPERATING EXPENDITURES**Salaries & Benefits**

The City has six labor unions with contracts: 822/Machinists, Police Patrol, Police Lieutenants & Supervisors, Fire Fighters, 9-1-1, and Transit Union. Each of the contracts expires 4/30/2021. The 9-1-1 contract is effective May 1, 2019-April 30, 2022. The City under a cash-basis budget will be back to normal 26 bi-weekly pay periods in the FY 2022 budget.

The group health insurance premiums are determined by the fund balance of Health Insurance Fund. The City health premiums will be increased by 20% effective May 1, 2021. All city departmental contributions for health insurance are paid to the Health Insurance Fund #612 which pays claims as a self-insured plan. The City worker's compensation was consolidated with the general liability in FYE 2020.

Pension increases for Police and Fire increased \$567,000 or 8% over last year's annual required contribution. However, because the City made an additional \$1.5M contribution in FY 21, the comparative to previous year will show a decrease. The IMRF employer rate for the 2021 calendar year is 9.59% is an decrease of 15% to the calendar 2020 rate of 10.98%.

FY 2021 salaries and benefits are higher than normal due to the 27th pay-period, which only happens every 10 years. The extra pay period plus the additional health insurance contributions funded through supplementals have inflated the FYE 2021 budget and FYE 2021 projected actual.

Contracted Services

This category of spending represents Professional services (audit, legal, engineering), Technical services (medical, utility, cleaning), and Repair and Maintenance Services (building repairs, vehicle repairs, infrastructure repairs), Rentals (our internal fleet and vehicle replacement is included here), Insurance (which includes MICA, the city wide insurance for workers comp and property liability), and other services such as communications, travel, registrations, etc. The City's work comp/general liability expense is projected to remain at the FY 2021 levels.

Commodities

This category of spending represents the supplies purchased. Example include office supplies, energy (gas and electric), building and maintenance supplies, tools, and operational supplies for the departments type of business (examples include concrete, chemicals, paint, pipe, medical supplies, amunition, etc.)

Capital Outlay

This category has different thresholds for asset types. Any equipment purchases of \$5,000 or more with an estimated useful life of 5 years or more is considered capital outlay. The threshold for buildings and street projects is \$25,000. The City adopted a new capital project fund expense policy which re-allocates recurring capital outlay to the departmental budgets. This practice will allow for the home rule funding to be used for true capital projects such as street projects and infrastructure improvements. Each department's narrative should reflect capital spending.

Miscellaneous This category represents costs like dues, taxes, employee awards, and other miscellaneous expense.

Debt Service

The majority of our debt service is represented in our Debt Service Funds. This includes the debt payments for the city issued General Obligation bonds. Any lease payments would be displayed in this element.

Transfers

The Transfers can be internal fund transfers which represent subsidy funding or the transfers can be external funding to component units such as the Quincy Public Library or non-departmental transfers for sales tax rebates, cost share transfers, etc.

PURPOSE

The General Fund is the primary operating fund of the City. It accounts for the resources used to pay for the services traditionally associated with local government. Included are general administration of the City, police and fire protection, engineering, subsidy and tax transfers, and any other activity for which a special fund has not been created.

The General Fund's primary revenue source is Taxation. Sales tax 26%, Purchase Tax 23%, Income tax 11%, and PPRT 9% account for nearly three-fourths of the the total revenue. Property taxes are approximately 15% of the total revenues and fund the Library and pensions.

This year the General Fund will receipt 100% of the home rule/purchase tax fund and distribute to Capital Project Fund.

The Transfers In are from the Green Energy fund and Barge Dock fund. Inter-governmental revenues represent cost share charges paid by other funds.

PURPOSE

The City is governed under the Mayoral/Aldermanic form of government. The legislative body of the City is the City Council. The Council is composed of fourteen aldermen, two from each of the City's seven wards, elected to serve four-year staggered terms. The City Council meets weekly and makes policy decisions necessary to maintain and enhance the health, safety and welfare of citizens and visitors to the City.

BUDGET SUMMARY

Over 90% of the proposed budget for the Legislative Board is made up of the salaries and benefits for the fourteen city aldermen. The contractual services budget for the board is cell phone and I-pad communication services. In FY2022 the salary stipend of \$150/month was moved from Miscellaneous Expense to a Salary Expense. While this shift increased salaries & benefits, the decrease in health insurance was enough to offset the total and maintain a budget below the FYE 2021 revised budget. There is \$1800 budgeted for Ipad purchases for newly appointed aldermen.

PURPOSE

The Executive Branch of city government is made up of the Mayor, City Treasurer and City Clerk. Each is elected at large to serve four-year terms.

GOALS/OBJECTIVES

- Manage city resources with a focus on gaining efficiencies
- Improve government operations and performance
- Work with the City Council and the community to implement the strategies suggested in the Quincy Next Strategic Plan
- Work with the City Council to develop long-term financial strategies for the city and city services
- Represent the City in various intergovernmental activities, with news media, in public relations, meetings and events
- Advocate for legislation that could positively impact Quincy at the state and federal levels
- Implement the various proposals outlined in the 45x30 plan and work with the City Council and Economic Development partners to meet outlined deliverables.

PAST FISCAL YEAR HIGHLIGHTS

- Served on the Illinois Veteran's Home Design Committee to select the preferred design and firm for the new facility.
- Worked with the City Council to pass initiatives in the 45x30 plan: Retail Incentives, Retail Marketing, Tourism Marketing and Strategic Marketing.
- Assisted Adams County EMS and the Adams County Health Department in preparations and response to COVID-19.
- Formed the Adams County Together Task Force to provide resources and assistance to individuals, non-profits, businesses and faith based organizations effected by COVID-19.
- Assisted the City Council, County Board and Park District in adopting the Riverfront Master Plan.

BUDGET SUMMARY

The Mayor's budget is relatively unchanged to the 2021 revised budget. FY2021 had additional costs for the 27th pay period's health insurance contributions. There is a projected increase for health insurance costs.

PURPOSE

The Treasurer's office is responsible for tracking and collecting the monies owed the city, investing idle funds and reporting to the council the financial status of the city. Money collected by the office is deposited daily and all bank accounts are reconciled by the treasurer's office. The office manages the accounts receivable process from invoicing to collection. Idle funds are reviewed daily and invested according to anticipated need. The Treasurer is the custodian of the fire and police pension funds.

GOALS/OBJECTIVES

The goals of the Treasurer's Office are to provide prudent investment of city funds in priority order of safety, liquidity and rate of return; deliver flexible and effective cash management; ensure accurate accounting of transactions; and provide accurate and timely financial information for the mayor and city council. We will once again use Balancing Act software to provide meaningful financial transparency, accountability and participation from our constituents. Balancing Act can be found on the Financials tab of the City's website.

PAST FISCAL YEAR HIGHLIGHTS

We are in Year 2 of the tax audit conducted by Azavar Government Solutions. To date, the City has received nearly \$100,000 in incremental tax revenue as a result of these audits.

Collection of local tax, including hotel/motel and food/beverage tax, was moved to an online platform, <https://lata.localgov.org>, in February 2020. This new platform offers an easy, convenient, and safe mechanism for the reporting, collection, and auditing of hotel/motel and food/beverage taxes. The Treasurer's Office began collecting food and beverage & alcoholic beverage tax of 1% in February.

The City maintains over \$31 million in investments across all funds. Average interest rates on investments have been declining since mid-2019. The current average is .41%. To offset the decline in interest income, the Treasurer's Office manages cash flow by keeping only 2-3 weeks of expenses in the checking account and investing all other funds for maximum return. Over \$26 million is invested in local bank CD's and CDAR's and over \$5 million is invested in local government investment pools as of January 2021.

The Treasurer became a Certified Municipal Treasurer in June 2020 and passed the Certified Public Funds Investment Manager exam in January 2021.

One of the Accounting Clerks left in December 2020. This full-time position has not been filled. Two part-time interns were hired in January 2021.

BUDGET SUMMARY

- The proposed budget represents a slight reduction to the 2021 budget for the Treasurer's Office. This reduction reflects a slight decrease in insurance and payroll taxes and an increase in contracted services for collection agency expenses, tax audit payments (a percentage of recovered revenue) and the locally imposed tax software collection platform, lata.localgov.org.
- Interest income will remain flat over the next 12-18 months, with a slight increase expected in late 2022.
- The Treasurer's Office began collecting food and beverage & alcoholic beverage tax of 1% in February 2021.

PURPOSE

The City Clerk, an elected official, or the appointed deputy, attends all City Council Meetings, presents the agenda, keeps records of its proceedings, and publishes it in booklet form weekly along with ordinances passed. The City Clerk's office maintains the Municipal Codebook. The City Clerk's office attests and seals all contracts, licenses, permits and handles the city elections every two years. The City Clerk's office issues certain city licenses.

GOALS/OBJECTIVES

Update Code Book Quarterly

PAST FISCAL YEAR HIGHLIGHTS

On December 31, 2020, City Clerk, Jenny Hayden retired from her position appointing Laura Oakman to complete her term through 2021.

Amanda Keck was hired to replace Laura Oakman as Deputy City Clerk.

The FY2021 budget was slightly higher due to the vacation/sick pay buydown for Deputy Clerk, Laura Oakman.

In November 2020, the City Hall receptionist position was moved from the Clerk's budget to Planning and Development.

BUDGET SUMMARY

The budget is down nearly \$30,000 due to the receptionist position shifting to Planning & Development.

PURPOSE

Working directly for the Mayor and under authority granted by the City Council, the Director oversees the daily operations of the City creating a collaborative and collegial workplace environment.

GOALS/OBJECTIVES

- To assist in budget creation and fiscal management
- To provide support for the City Council on legislative and constituent issues
- To act as a liaison between the City Council and the administration
- To provide support for all departments with a focus on efficiency and transparency

PAST FISCAL YEAR HIGHLIGHTS

- DOAS enhanced communications with the aldermen and senior staff
- DOAS contributed to the development, passage and implementation of the city's 45x30 economic growth program, budgets and budgetary adjustments, Covid relief programs for small businesses, and the Quincy Beautification agenda

BUDGET SUMMARY

The DOAS budget has relatively no change. The overall decrease can be attributed to the additional health contribution made in FY2021.

PURPOSE

The Purchasing Department is responsible for acquisition of supplies, services and construction to support the operation of the City's various departments. Purchasing verifies requests for payment with bid information submitted, verifies receipt of items by comparing actual billings with quotes offered. Authorizes payments for purchases when offered with proper authority and prepares resolutions for purchase agreements that require City Council approval.

The Purchasing Department maintains and manages the bid process in accordance with the various laws, regulations and ordinances in place.

GOALS/OBJECTIVES

- Review and manage vendor relationships to maximize City benefit.
- Encourage new vendors to register their businesses using our online services.

PAST FISCAL YEAR HIGHLIGHTS

- In FY2021 the Purchasing Department issued 30 bids, 22 RFP's and 2 Request for Qualifications
- There were 30 bids issued and the total bid award amount for this fiscal year was \$20,489,464.42.
- There were 22 Requests for Proposal's issued and the total RFP award amount was \$7,376,811.57.
- A city auction was organized by the Purchasing Department during November 2020. The auction was done by a sealed bid and it offered a variety of items to be sold from the majority of city departments. The items available by auction were on display in the City Hall Annex Building, QPD basement, Central Services and inside the Regional Training Center garage bays. The auction was open to City employees and their families & friends. The total collected from the auction was \$18,866.06.
- The Purchasing Department began utilizing an online service to post all bids/RFP's & RFQ'S called Vendor Registry during the summer of 2019. Since March 2020 the number of registered vendors increased by 493 new vendors, bringing our current number of registered vendors to 1,025. We continue to see new vendors register with us each and every day.

BUDGET SUMMARY

The purchasing budget is mainly salaries and benefits. The commodities are increasing for additional office supplies.

PURPOSE

The Comptroller's Office is responsible for financial operations of the city. The office oversees the general ledger and all accounting operations, maintains all payroll records and payroll processing, verifies invoices to purchase orders, and accounts payable processing. In addition, the Comptroller's office manages fixed assets, oversees debt management and financial reporting. The Comptroller's office is responsible for preparation of the annual city budget and monitoring such budget. The annual tax levy is also the responsibility of the comptroller. All permanent records, leases, contracts, and agreements are filed and maintained by the Comptroller's office.

GOALS/OBJECTIVES

The Comptroller's Office goals for the next fiscal year are:

- Produce new Chart of Accounts in anticipation of system conversion
- Continue to find ways to promote fiscal transparency
- Implementation of new Financial Software
- Develop new accounting policies to support operations
- Continue internal training opportunities to ensure city policy is practiced

PAST FISCAL YEAR ACCOMPLISHMENTS

- Converted both Machinist and Transit unions to bi-weekly cycles saving money on forms/printing
- Issued over 9,300 payroll direct deposit advice statements and over 400 payroll checks
- Issued approx 4,400 Accounts Payable checks and 1,300 EFT payments
- Processed nearly 15,000 invoices
- Issued approximately 450 W2s and 500 1099s for both the city and library
- Held a Payroll In-Service for payroll clerks, identified areas for improvement in payroll processing
- Developed the Vehicle Replacement Scorecard for analyzing fleet condition/budgeting for replacement
- Assisted DOAS and HR with Health Insurance cash flow issues
- Provided queries, invoices, checks for CURE funding grant reimbursement
- Assumed Library payroll and month-end accounting
- Assumed the responsibility of monthly fuel billing
- Converted from paper direct deposit to using the Employee Portal in an effort to reduce costs

BUDGET SUMMARY

The Comptroller's budget is predominantly salaries & benefits. The overall decrease is mainly due to normal 26-pay periods. The contractual services which include the City Audit, Pension Actuarial valuation and OPEB valuations have all increased slightly for the upcoming term.

PURPOSE

The Legal Department consists of three attorneys: Corporation Counsel, Assistant Corporation Counsel and City Attorney. As legal adviser to the Mayor, City Council, and all departments of the City, the Legal Department seeks to promote good, efficient and responsible government within bounds of federal and state constitutions and laws for all of the citizens of the City of Quincy. The Legal Department works to fulfill the duties and responsibilities incumbent upon local government for the citizens of the City.

GOALS/OBJECTIVES

- To provide excellent legal service to the various City Departments in as timely a manner as possible.
- To keep outside contractual legal services as minimal as possible.
- The Legal Department has assumed responsibility for the legal portion of the fix or flatten program.

PAST FISCAL YEAR HIGHLIGHTS

The Legal Department has had a busy year helping with the City's covid response. Numerous state and federal executive orders, rules and regulations have been reviewed, and interpreted for appropriate overall city and department level response and implementation. Also have continued to work with departments on document retention and destruction.

BUDGET SUMMARY

The Legal is budget is down the previous budget . There are \$2,000 additional costs added for books/periodicals in FYE 2022.

Authorized Fire & Police Commissioners	3	3	3	3

The Board of Fire and Police Commissioners was created in May 1972. It consists of three members appointed by the Mayor. Board members are: Stephen Meckes, 3 Year Term; Kerry Anders, 3 Year Term; and Barry Cheyne 3 Year Term. The Board of Fire and Police Commissioners is charged with the responsibility of hiring and promoting sworn members of the Quincy Fire and Police Departments. Testing is a major part of the Commission's functionality and the budget is reflective of that.

The entry level testing process for both the Fire and Police Departments begins with written and agility tests and candidates eventually progress through polygraph and psychological tests and, finally, the physical exam. On the promotional level, testing costs include written tests and assessments by Illinois Chiefs' Associations. The Board of Fire and Police Commissioners is committed to hiring and promoting the best qualified candidates and utilizes these objective testing processes to aid in the selection of such individuals. Another substantial associated cost is advertising the entry-level testing. Although the Board advertises in area newspapers, costs generally increase year to year.

In summary, the bulk of the budget submitted by the Board of Fire and Police Commissioners is directly related to the testing and hiring process.

**GENERAL FUND
NON-DEPARTMENTAL**

**Non-Departmental Transfers
Summary**

PURPOSE

The General Fund transfers out money on a regular basis. These transfers fall into three categories:

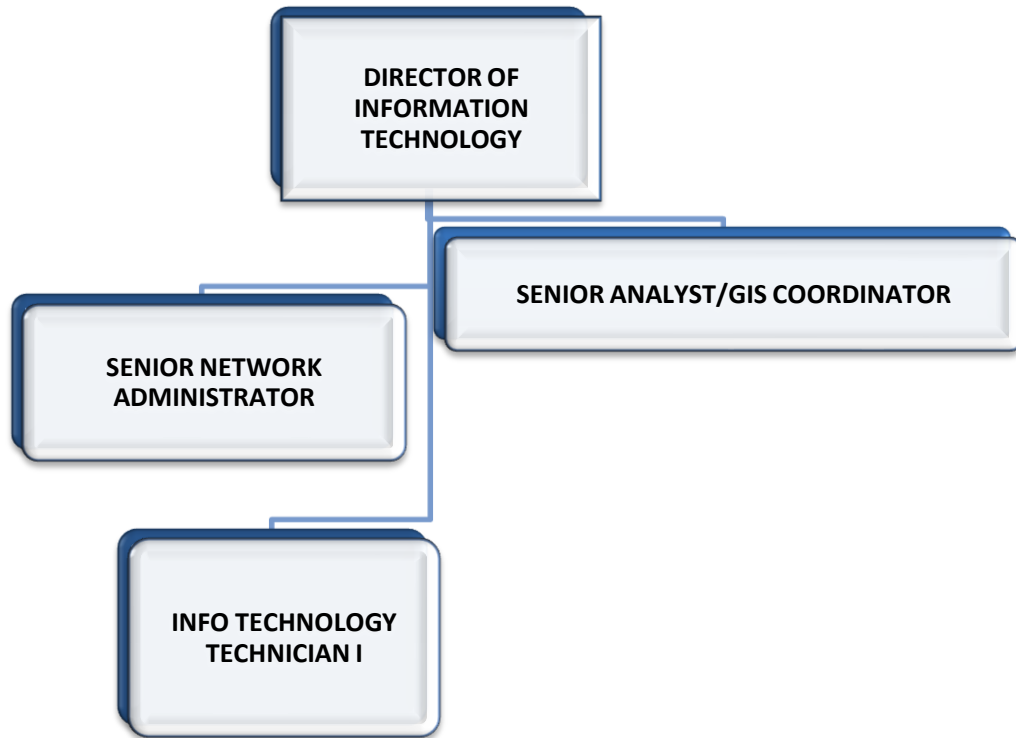

- 1) Subsidies to other City Departments to make up the shortage between their revenues and expenditures.
- 2) Subsidies to the City's component units, Quincy Public Library and Woodland Cemetery.
- 3) Transfers of tax dollars collected that are owed to or have been levied for another entity (e.g. Historic Quincy Business District, Library and Sales Tax rebate agreements).

BUDGET SUMMARY

The most notable change to the Subsidy Transfers in FYE 2022 is the addition of the subsidy to the Capital Projects Fund. In FY2021 the Capital Projects revenue was a direct Purchase Tax revenue receipt. The planned subsidies for Transit & Airport were dramatically lowered in FY2021 due to CARES funding. The fund subsidies have increased slightly due to the normal operational increases. The Landfill Superfund expects a double cash call in FYE 2022. The Prairie Crossing and Cullinan Sales Tax rebate amounts have declined due to the economy. The current rebate with Praire Crossing expires FY 2024 and Cullinan expires FY 2031. The Special Service Area-Historic Business District distribution is tax levy pass-through with no significant change.

PURPOSE

The Department of Information Technology (DoIT) provides technology leadership for the City of Quincy, including governance, architecture, resources, and expertise in deploying modern information technologies to improve government efficiency.

DoIT is responsible for much of the technical infrastructure that makes city government run; telephones, radios, computer networks, desktop and server support, data center, web site, building and information security, INET and the municipal cable television channel. DoIT supports all city entities including public safety, Utilities, Central Services and Quincy Municipal Airport. DoIT also supports all computer and network services for the Quincy Public Library.

GOALS/OBJECTIVES

- Start the implementation of replacing the city's 22 year of ERP program with a new innovative solution. The expected implementation is a 24 month roll out.
- Continue implementing new information security controls in order to protect the City's computer systems and data
- Continue implementing Criminal Justice information Security and HIPPA guidelines including two-factor authentication
- Provide business strategies and process management in order to enhance City operational efficiencies

PAST FISCAL YEAR HIGHLIGHTS

- Worked with Quincy Police Department on their move to the new Adams County Jail.
- Implementation of monthly Utility billing protocols
- Continue training and developing new processes for Utility billing clerks.
- Implemented a Disaster Recovery Strategy using the new QPD server room at the Adams County Jail.
- Developed numerous dashboards and statistics for several departments using Smartsheet
- Continue improvements of the City's Website.
- Finalized the security strategy separating the Library from the City network system eliminating cybersecurity vulnerabilities.
- Continued configuration of security software in hopes of detecting and neutralizing any security threats. Including free resources through our MICA agreement with AIG.

BUDGET SUMMARY

The biggest change in the Information Technology budget for FY 2021-2022 is an increase of \$30,000 in the capital outlay line item. This increase is a result of annual technology funds being transferred from Capital Fund 301 in to the Information Technology budget. These capital funds are needed to replace aging technology including the city's aging network storage unit.

Quincy Police Department

Organizational Chart Proposed for FY 2022 Budget

Revised 3/12/21

PURPOSE

The Police Department operating budget is divided into seven divisions as follows:

- 2110 Administration: Management of all employees and programs of the department. These positions include: Chief of Police, Deputy Chief of Administration, and Administrative Services Sergeant.
- 2111 Civilian: Functions to support the operations: records, purchasing, payroll. These positions include the staff of the following offices: the Chiefs' Administrative Suite, Central Records, Traffic analysis/Fleet and the Pro-Act Unit
- 2112 Patrol: Responsible for carrying out the policing operations of the department. These positions include: Deputy Chief of Operations, Patrol and Detective Commanders, Patrol and Detective Sergeants, and officers of the Patrol Officer rank regardless of their assignment
- 2113 Training: Costs for the training of the employees of the Patrol Division. This division has no staff
- 2115 Evidence Tech: Responsible for the evidence collection and storage function of the department. These positions include: Crime Scene Technician and PT Evidence Custodian
- 2116 Humane Officers: Includes Animal Control Program for the department, as well as the costs of the Quincy Animal Shelter contract. Animal Control Officer
- 2117 Auxiliary: Functions to account for the Quincy Police Auxiliary Unit of the department (unpaid volunteers who receive an annual one-time stipend to be used for equipment).

GOALS/OBJECTIVES

- Provide police service to the citizens of Quincy
- Continue to maintain and update policies to work with the COVID-19 landscape.
- Continue policy changes and maintenance with Lexipol.
- Increase overtime for Records Personnel due to continued lack of a typist.
- Hire and train three new officers to fill our vacancies.
- Get back to a more normal training regimen.

PAST FISCAL YEAR HIGHLIGHTS

- YTD: Responded to more than 29,559 calls for service, 867 traffic crashes and conducted more than 1,787 vehicle stops. These statistics are lower due to COVID-19.
- YTD: Provided more than 5,749 hours of officer training and 359 hours of DARE instruction
- Of the total training hours above, 2,319 training hours were for training outside of Quincy, thus requiring travel costs. All training hours are lower due to COVID-19.
- Developed and maintained policies to work with the COVID-19 landscape.
- Continued policy changes and maintenance with Lexipol.
- Finalized move into new facility.
- Enhanced mobile device forensics by enhancing training in that area, working with a regional lab, and moving to one Detective full time in position.
- Eliminated the Street Crimes Unit. Detectives were increased by two officers, the other two returned to Patrol. Canine Teams are working Power Shift.
- The part-time City FOIA Officer position moved to Police Department full-time as a Compliance Coordinator.
- Sent Deputy Chief Adam Yates and Lieutenant Chad Scott to the Northwestern University School of Police Staff and Command.
- Replaced last half of Tasers (year two of two-year project).
- Reduced the purchase of certain items for this year to help absorb the cost of the 27th Pay Period and one time new facility costs.
- Purchased new portable radios for all sworn personnel, thus enhancing job performance and officer safety.
- One clerk/typist was laid off due to financial issues with the City. This resulted in higher overtime costs in Records and a backlog of police reports.
- We have lost three officers to resignations who have not yet been replaced. We were unable to get new officers into basic training due to COVID-19, and therefore could not hire replacements.

BUDGET SUMMARY

The FY2021-2022 Police Budget includes some increases at the new facility. The Janitorial Service Contract and utility costs were estimated low last year. The Janitorial Service Contract is increased \$10,000 in this budget to reflect a more reasonable cost: The contract will be out for bid again. The utilities were increased \$3,000 (\$1500 each for electric and gas) in this budget to reflect our current real costs. Civilian employee overtime was increased \$20,000 in this budget due to the continued loss of the typist. Sick, vacation and compt time buyouts were increased \$141,000 in this budget due to two known and two possible retirements. \$8,000 was added to this budget for ammunition that was cut last budget. \$30,000 was budgeted to replace the Animal Control truck; no other vehicles

This chart does not reflect the reduction of positions that are not being filled after retirements

Quincy Fire Department Organizational Chart

PURPOSE

The Fire Department is budgetarily broken down into six different divisions. They are as follows:

- 2210 Administrative Division – This contains the salaries and expenses associated with the positions of Fire Chief and Deputy Chief of Operations
- 2211 Civilian Division – This contains the salaries and expenses associated with the two civilian positions within the department, the Administrative Director and the Administrative Assistant.
- 2212 Suppression Division – This contains the salaries and expenses associated with the individuals assigned to suppression activities. Additionally, this division houses all of the costs associated with equipment and apparatus needed to conduct suppression activities
- 2213 Fire Prevention Division - This contains the expenses associated with code enforcement activities of the department.
- 2214 Training Division – This contains the salary of the Deputy Chief of Administration as well as expenses associated with training personnel .
- 2215 Building Maintenance Division – This contains the expenses associated with maintaining all five of the Quincy Fire Department Stations.

GOALS/OBJECTIVES

- Maintain a level of service that maximizes every available dollar to ensure the best possible fire protection for the citizens of Quincy.
- This year's budget for the fire department is based upon maintaining a manning level of 58 sworn officers (due to two retirements that are not being filled at this time) and 1-1/2 support staff positions (down from 2 positions due to retirement) The reduction of a sworn officer below a level of 60 typically would trigger the closure of a station. However, this budget has included the overtime dollars needed to maintain all five stations at times when typical staffing levels will not allow for it.
- To replace any additional vacancies that occur as quickly as possible to maintain the level of budgeted positions.
- Explore a scheduling software that can streamline operations for the filling of vacancies and the reporting of staffing for payroll purposes.

PAST FISCAL YEAR HIGHLIGHTS

- Expanded the utilization of Track-it software. To further track, and schedule, necessary fleet repairs and maintenance needs.
- Purchase a new firefighting gear extractor This piece of equipment is used to clean firefighting gear after structural firefighting efforts to remove potential cancer causing agents that are present in the smoke and gases firefighters are exposed to in their work.
- Upgraded hydraulic tools to "CORE" technology ensuring that all three sets are now completely interchangeable and utilize the most current technology.
- Replaced the motor in Engine Company #6 after significant issues were found. While money was not budgeted for this specific repair, dollars from the vehicle replacement fund were available to facilitate the repairs.
- Purchased a 2021 Ford Explorer to replace the 2008 Ford Taurus that is used as a travel vehicle for the Department. Vehicle Replacement Fund dollars were utilized for the purchase.
- Upon the retirement of our Administrative Assistant, the position was replaced with a part time position that is being shared with the Human Resources department.
- Utilized Foreign Fire Insurance Dollars to remodel the main floor restroom at Central Fire Station and make it ADA compliant.

BUDGET SUMMARY

The proposed budget accounts for increases as directed by Administration for personnel. This is a maintenance budget. The only exception is money that was budgeted to replace 1/2 of the windows at Central Fire Station with the plan on replacing the rest in the following year's budget.

The department anticipates two retirements this year and the budget figures are reflective of the costs of retirement buy-outs, training costs for replacement firefighters and the purchase of required protective equipment as well.

PURPOSE

The Public Works division of the General Fund is the Department of Central Services consists of the following divisions: Administration, Forestry, Paint/Sign, Nuisance Abatement, Concrete, and Brush/Compost. Administration oversees all the divisions. Forestry addresses tree trimming/removal, preservation of live trees, mosquito spraying, and maintaining the right-of -ways. Paint/Sign is responsible for roadway striping and street signage, Nuisance Abatement addresses blight and ensures beautification of our city, Concrete (also known as Street Maintenance) is responsible for street maintenance including snow removal, sidewalks, curbs/gutters, and pothole repair. Brush/Compost is the contractual curb-side brush collection and compost site functions.

GOALS/OBJECTIVES

This is the first year that the Public Works divisions / Central Services is appearing in the General Fund directly and not as a subsidized fund. The goal is to continue to provide the City of Quincy safe drivable streets and sidewalks; while maintaining desirable living throughout.

PAST FISCAL YEAR HIGHLIGHTS

In FY 2021 the following services were provided to our city residents free of charge:
Forestry - removed approx 243 trees, 193 stumps, and trimmed 401 trees, there were no Emerald Ash Borer treatments on any city owned trees.
Mosquito Abatement - sprayed approx 134 gallons, covering 993 miles of alley/street
Paint & Sign - striped 821 blocks of streets
Concrete - installed over 232 yards of concrete
Nuisance Abatement - cleaned up 534 properties
Brush/Compost - Evans Recycling operated city wide curb-side pickup of yard waste.

The Forestry division put a 2021 Freightliner M2-106 Aerial Boom Truck into service in Dec 2020 which replaced a 27-year old truck.

City crews logged approx 2,940 hours on snow removal and spread over 3800 ton of salt this winter.

City Council authorized funding vehicle replacement for two much needed trucks which are on order

November 2020 added a full-time Nuisance Abatement laborer position.

BUDGET SUMMARY

In FYE 2022 we plan to make major investments which include: Replace a 23-year old paint machine, projected cost \$240,000. Vehicle Replacment Fund 603 will pay \$100,000 and remaining \$140,000 is in the Paint & Sign capital outlay. Forestry planning to replace 2007 F550 (truck #32)and 2008 F350 (truck #38), \$140,000 budgeted in Vehicle Replacement Fund.

The Emerald Ash Borer treatment costs have been moved to the Tree Commission budget.

The budget is down overall, mainly due to the FY 2021 year having the 27th pay period and the additional health insurance costs.

Department of Utilities & Engineering

** Note: Left side of chart represents positions paid by the Utilities Department, but under the direction of the Director of Central Services

PURPOSE

The Engineering Department is responsible for the administration of public improvements within the City of Quincy. The Department duties include planning, estimating project costs, and designing & supervising construction of public infrastructure, such as water mains, sewer mains, streets, alleys and traffic control devices: review and evaluate proposed subdivisions and site plans for private construction; maintain traffic control devices within the City; maintain three (3) City-owned landfills; maintain City-owned parking lots; maintain the Amtrak station; and issue permits for excavations and improvements on City right-of-way.

GOALS/OBJECTIVES

The Engineering Department has set the following goals for the upcoming fiscal year:

- Prepare and design bidding and construction documents for various infrastructure improvement projects totaling \$4 million in construction
- Complete design & construction of a new leachate pump station and forcemain to transport leachate from Landfill #2/3 to the City's sewage collection system to reduce operating costs
- Identify additional opportunities for energy savings at City facilities and determine return on investments

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal year, the Engineering Department:

- Planned and managed the design and construction of nearly \$30 million in improvements to streets & buried city utilities (2019 Bond Infrastructure projects)
- Performed final design of roughly 1/3 of the 2019 Bond Infrastructure projects, saving the City approximately \$1 million compared to hiring a consulting engineering firm to complete the work

BUDGET SUMMARY

The proposed budget is down slightly from the preceding fiscal year, primarily due to a reduction in personnel expenses as well as a cut in capital spending at municipal landfills. .

CASH RESERVE FUND

SUMMARY

The Cash Reserve Fund was created in FY 2002 as a "rainy day" fund. The intended purpose of having the reserve is to cover unforeseen expenses or to replace unexpected revenue shortfall. The City Council adopted a Cash Reserve Policy which maintains the Cash Reserve Balance as 10% of the budgeted expenditures of the General Fund.

PURPOSE

The Department of Planning and Development is comprised of two offices which contributes to the development of the City and enhances the quality of life for its residents and businesses.

The Planning Office plans for short and long-range land use and development, leads economic development activities, and regulates land development activity. The office coordinates development plan reviews with other city departments and administers the Enterprise Zone, Tax Increment Finance Districts, Economic Development Loans and Retail Incentive Programs. The office provides staff support to seven (7) Commissions or Committees.

The Inspection Office enforces and administers zoning, building and property maintenance sections of the Municipal Code. Inspections are based upon building code standards. The office's responsibilities include building, electrical, plumbing, and sign permits, and nuisance abatement. Inspection staff consult with the public, property owners and developers on proposed building projects and construction standards.

PURPOSE

Quincy/Adams County 9-1-1 Center is an inter-governmental agency of both the City of Quincy and Adams County. The oversight authority is the City of Quincy and Adams County Joint Emergency Telephone System Board (ETSB) that consists of nine members: three city aldermen, one county board member, Quincy Police Chief, Fire Chief of the Adams County Rural Fire Protection District Association, Adams County EMS Chief, PSAP Representative, and a public member. City of Quincy Alderman Mike Farha is the current ETSB Chairman. 9-1-1 Director Jessica Douglas is the Chief Executive for Quincy/Adams County 9-1-1 System and reports directly to the ETSB. The 9-1-1 Director functions as a department head in both the city and county governments. Funding is provided by the Illinois ETSA surcharge and local revenue from the City of Quincy (60%) and Adams County (40%).

GOALS/OBJECTIVES

Objective. It is the objective of the Quincy/Adams County 9-1-1 Communication Center Public Safety Answering Point (PSAP) to provide the citizens of the City of Quincy and Adams County with the most efficient emergency communications possible.

In public safety dispatching, the immediacy of many incidents cannot be overemphasized. Speedy communications can mean the difference between capturing a suspect and letting him get away, preventing a major fire and letting one escalate, or even life and death. Further, accuracy in communication is of utmost importance. Achievement of both speed and accuracy is the mark of successful public safety dispatching.

Goals. There are two primary goals for effective and efficient 9-1-1 dispatching:

- 1) To provide 24-hour per day availability for receiving 9-1-1 and other public safety calls and dispatching law enforcement, fire protection, and emergency medical and ambulance services as needed.
- 2) To provide an effective and efficient system that processes incoming calls and, as necessary, dispatch response units in an accurate and speedy manner.

These goals emphasize the need for emergency communications to be available to callers at all times, day or night, throughout the year, and to focus on two essential features of dispatching: doing the job well and doing it quickly.

FUND 203 HOUSING RESOURCE FUND

SUMMARY

The Housing Resource Fund is used to fund Housing development projects when other grant sources are not available. The main source of revenue is the administrative cost share from housing grants. The Housing grants vary and are not always closed out annually, so revenue/expenses fluctuate by year. These funds are also used to loan other housing funds to cover contractor payments, etc. pending receipt of reimbursement .

PURPOSE

The City of Quincy and Adams County Joint Emergency Telephone System Board (ETSB) receives monthly revenue from the Illinois State 9-1-1 surcharge for Fund 204. Fund 204 earmarks a portion for operating expenses: the balance of the revenue is allotted for capital saving for capital equipment purchases in accordance with the Emergency Telephone System Board's long-range Capital Equipment Replacement Plan.

GOALS/OBJECTIVES

Allocate surcharge funding for capital projects and allowable operational expenses per Emergency Telephone Systems Act. (ETSA)

BUDGET SUMMARY

The capital outlay is planned as follows: \$252,000 for hardware refresh of the Next Generation 911 (NG911) telephone system, \$10,000 for NG911 implementation, \$3,000 for printers, and \$5,000 for CAD server upgrade. \$586,627 will go towards operational expenses.

PURPOSE

The Franchise Fee "Green Energy" Fund was created in FY 2012 following passage of a resolution on March 7, 2011. The Ameren Illinois electric and gas franchise fees are the source of revenue for this fund. The current Ameren agreement expires 12/31/2051. The resolution commits the revenues as follows: 1) To fund utility costs that were once considered "utility credits" 2) use 50% of the balance to fund energy efficiency related improvements to city facilities and 3) use 50% of the balance to pay down the city hall's HVAC debt, fund city pension liabilities, and pay down other city bond indebtedness.

PAST FISCAL YEAR HIGHLIGHTS

During FY 2021, the Franchise Fee "Green Energy" fund transferred nearly \$470k to the General Fund to be used for police/fire pensions to reimburse for utility credits. Renegotiated a thirty year contract with Ameren.

BUDGET SUMMARY

We anticipate revenues to reach \$450,000. Back in November 2019 during the tax levy preparation, we only anticipated a very conservative amount of \$410,000 to be used for police/fire pensions in case of a revenue shortfall given the first year of new contract.

FUND 210 MOTOR FUEL TAX

SUMMARY

PURPOSE

The City expects to receive \$1,600,000 in Motor Fuel Tax (MFT) Funds to be used for street maintenance, street repair and construction material. Major annual MFT Projects include asphalt resurfacing, chip seal resurfacing and pavement crack sealing. Reconstruction of street intersections and major street sections are also funded by MFT Funds.

FUND 240 POLICE DEPT GRANT FUND

SUMMARY

The Police Department Grant Fund is for all Police Grant awards. These grants include, but are not limited to, Justice Authority Grants (JAG) which may be used for items specifically requested at application. The tobacco and the alcohol grants may be used for expenses related to tobacco and alcohol stings. In FYE 2020 a Local Law Enforcement Grant funding was used for duty bag lockers at the new facility (leasehold improvements). The FYE 2021 \$16,000 JAG grant was split with county for new office furniture. There are currently several active reimbursable grants and the following amounts are expected for FYE 2022:

	Revenue	Expense	Major expense
PFCOVD Covid Emerg Supplies	\$51,877	\$44,738	car laptops
PFNIBR 2019 JAG grant	\$16,101	\$10,144	NIBERS system
PFOFIM 2020 JAG grant	\$15,639	\$11,094	50% county, intercom, signage TBD
2021 JAG estimate	\$16,000	\$16,000	to be determined

FUND 241 POLICE DONATIONS FUND

SUMMARY

The Police Donations Fund is for any monetary donations made to the police department. They include funding donated for specific purposes such as: Citizen's Police Academy, DARE, and Auxiliary.

In FY 2020, this fund purchased a new Canine Officer's dog and paid registration fees for Warrior's Rest Foundation, a peer support/mental health initiative. In FY 2021, \$13,200 was donated for DARE program and the funding was used to purchase Dare graduation t-shirts and promotional items.

The FY 2022 budget plans for normal donations and allows for spending accumulated funds.

FUND 248 POLICE CRIMINAL REGISTRATION FEE FUND

SUMMARY

This fund was created in FYE 2019 to account for the collection of registration fees from criminal sexual predators and violent offenders of youth. The collection of this fee follows the State Code/Public Act which enacts collection. The revenue can be used for equipment related to sex offender registration & investigations, including overtime costs. These OT costs are reimbursed as transfers to the General Fund.

PURPOSE

Quincy Transit Lines (QTL) has 8 fixed route buses operating Monday through Friday which cover the entire City of Quincy. Fixed route service also operates on Saturday, Sunday and Holidays with 2 routes. QTL provides paratransit services 7 days per week and on holidays. Monday through Friday we operate 4 paratransit buses and on Saturday, Sunday and Holidays we operate 1 bus. In addition to these operations we also provide Senior Transportation using 4 vans Monday through Friday.

GOALS

Quincy Transit Lines has for several years now been seeking grant funds to assist with a route study. A route study will look at our entire operation and determine the best most effective way we can provide transportation to the residents of Quincy. The study will look at new school locations to determine if we can serve them better and still maintain on time service to other locations.

PAST FISCAL YEAR HIGHLIGHTS

- Quincy transit applied for and received 3 additional grants this past year
 - 1) Transit operations continued without interruption during the COVID pandemic the past year
 - 2) Technology grant for \$150,000 to complete the above route study
 - 3) CARES Funds; we were awarded \$2.261 million in CARES funds which are paying 100% of operation expenses. We have received \$991,000 of these funds thus far and still have to pay back the obligation to the General fund of \$1.75 million. We continue to push for payments and have outstanding invoices for more than \$1.2 million from CARES. Our DOAP and 5311 funds have yet to be spent which total \$3.81 million.
 - 4) A Capital grant in the amount of \$67,201 for the purchase of 2 vehicles for Transit support

Budget Summary

This year the proposed budget includes \$2,462,200 in additional grant funding. \$1,400,000 in Capital for the rehabilitation of the old "T" building that is attached to the Regional Quincy Training Facility, the \$150,000 Technology grant which has been awarded for the route study, the \$67,201 for the vehicles and \$845,000 for the replacement of all concrete surfaces at Central Services which is still pending.

PURPOSE

The Bridge Lighting Fund was created in FY 2013 to account for all the local donations for the Bridge Lighting project. IDOT granted the City a \$456,000 federal transportation enhancement grant, which requires a local match of \$124,000. The private sector to date has contributed \$174,500 towards the local match and operational costs. Klingner has done the engineering work and Brown Electric won the IDOT construction bid in 2014.

The fund was originally treated as a Trust and Agency Fund (Fund 723). However, we have converted the fund to a Special Revenue Fund as the City owns and maintains the Bridge Lighting.

BUDGET SUMMARY

The proposed FY22 budget includes an allowance of \$1,000 for emergency repairs and \$2,400 for electric expenses.

PURPOSE

This fund was created in August 2020. The State of Illinois established a Downstate Small Business Stabilization Program grant for small businesses with up to 50 employees. The grants are capped at \$25,000 for working capital. Local governments are required to submit applications on behalf of the business. There are 26 components to a grant application and the business is responsible for 12 items. For each application the City is required to advertise a public hearing, conduct a public hearing and approve a resolution of support.

PURPOSE

The Capital Projects Fund is the main fund for major city projects and infrastructure improvements. The revenue source for these projects is Home Rule Sales Tax. Each year a percentage of home rule sales tax is allocated to Capital.

GOALS/OBJECTIVES

The goal is for the Capital Projects Fund to maintain special capital projects and city infrastructure. The revenue source for Capital Projects is 24% of the City's Home Rule "Purchase Tax" of 1.5% which is declining for several reasons. The State's budget implemented a 2% administrative fee, later reduced to a 1.5% administrative fee which has had a significant impact on this already slowing revenue. In FY 2019, City Council adopted a Capital Project Fund policy which re-allocates recurring or non-capital expenses to department budgets.

PAST FISCAL YEAR HIGHLIGHTS

The FY 2021 Capital Projects fund spending included:

- \$1.5 million Street enhancements
- \$30,000 IT Network Storage Equipment
- \$80,000 Transfer to Airport
- \$400,000 Ward spending
- \$205,000 Police Radios
- \$510,000 for New Financial Software

Budget Summary

The Capital Projects Fund plans to receive 24% of the Home Rule/Purchase Tax by way of a General Fund Transfer in FYE 2022. Nearly \$2.15 million will be used to allocate \$50,000 to each ward and add over \$1 million to the Neighborhood Enhancement Street Projects. The \$510,000 encumbered in FYE 2021 for the new city-wide financial software system will roll over into the FYE 2022 budget also.

CITY OF QUINCY

Department of Utilities & Engineering

Jeffrey Conte, P.E.
Director of Utilities & Engineering

City Hall - 730 Maine Street
Quincy, Illinois 62301-4048
(217) 228-4527

Initial Issue Date – March 26, 2021

The Department of Utilities & Engineering presents the following Capital Improvement Plan (CIP) for the City of Quincy covering the period of May 1, 2021 through April 30, 2026 (i.e., fiscal years FY22 through FY26). This CIP was developed from input of staff, Department Heads, Aldermen and the Mayor's office, as well as the fiscal condition of the City and projected revenues over the course of the planning period. Total identified capital needs in excess of \$45 million for governmental activities (non-enterprise) far exceed the expected revenues of approximately \$12.5 million. The proposed CIP includes the consensus highest priority projects that can be completed with the available funds. Since priorities and available funds may change over time, the CIP shall be periodically reviewed and revised, but not less than annually.

The CIP for governmental activities will be funded by bond funds, Home Rule sales taxes (HRST), motor fuel taxes (MFT), and federal transportation (FAU) funds. Coordinated improvement of the City's water and sewer utilities was considered in this CIP. Enterprise funds (Funds 501 and 502) will be provided to complete utility improvements, if any are required, for each street improvement project. The proposed CIP will be funded as follows:

Home Rule Sales Taxes	\$7,310,000
Motor Fuel Taxes	6,280,000
Sewer Enterprise Funds.....	5,400,000
Water Enterprise Funds	4,985,000
Federal (FAU) Funds	<u>1,120,000</u>
Total	\$25,095,000

Summaries for the complete list of projects in the five-year CIP are shown on the following pages. As noted previously, the CIP is subject to change based upon new information, availability of funds and/or changes in priorities.

FUND 309 SPECIAL CAPITAL PROJECTS FUND

SUMMARY

The Special Capital Projects Fund was created in FY 2000 to track special capital projects and is now essentially the operating fund for the Washington Theatre. All project costs related to the Washington Theatre are tracked separately within this fund to make sure revenues are sufficient to cover expenses.

In FY2020 both Theater commercial tenants vacated their lease space. One new tenant has leased the first floor office space. Due to limited revenues, the expenses are only utilities, insurance, and taxes. Any building maintenance will be funded from fund balance.

FUND 312 SPECIAL TAX ALLOCATION TIF #2

SUMMARY

The Tax Increment Financing (TIF) is a governmental financing tool that the City of Quincy uses to fund public infrastructure construction, promote development, and to expand the future tax base.

TIF #2, also known as TIF West, was established in 1998 and expires in 2033.

The goal is to direct TIF revenues when possible toward: 50% private investment, upper floor residential, economic development incentives to attract new business, 35% toward infrastructure needs, and 15% toward discretionary projects. These percentages were established in the TIF Investment Plan adopted by City Council 2/2/2015.

FUND 316 CDAP CAPITAL GRANT

SUMMARY

This fund was created FY 2014 for the granting of CDAP funds for capital improvement projects. The first project was the South Quincy Sanitation Sewer Extension Project. The CDAP RLF Committee approved the disbursement to transfer CDAP loan funds to grant infrastructure improvements to promote economic development. Past project funding has included the Kroc Center Streetscape (FY 2017) and Kohl Grocer Sewer lift station (FY 2018). Nothing is budgeted in FYE 2022.

The QMEA Capital Reserve Fund was created in July 2009 as a result of the intergovernmental agreement with Quincy Metropolitan Exposition, Auditorium, and Office Building Authority (QMEA). The Hotel/Motel tax revenues are re-distributed based on the inter-governmental agreement with the QMEA (Quincy Metropolitan Exposition & Auditorium) / Oakley-Lindsay Center. This agreement was last amended February 17, 2015 as Ordinance 2015-07. This fund holds excess hotel/motel tax collections for capital needs at the Oakley-Lindsay Center (OLC). As the intergovernmental agreements change, the allowed excess cap for collections to be transferred to this fund for future capital needs has changed. The last agreement changed the maximum limit of disbursements that the OLC receives for operations from \$500,000 to \$750,000 and also changed the distribution method to allow for any net distribution in excess of \$750,000 to allocate the next \$20,000 to this Capital Reserve Fund. The maximum allowed to be held within this fund is \$200,000.

FUND 397 FIRE EQUIPMENT/IMPROVEMENT FUND

SUMMARY

This fund was created in FY 2012. The purpose of the Fire Equipment Improvement Fund is to utilize the revenue from the Illinois Veteran's Home fire protection for the specific purpose of fire equipment replacement.

In FY 2018 this fund purchased two pumper trucks with the assistance of loan from the General Fund. The loan will be repaid at \$90,000 per year for six years (FY 2019 - FY 2024) using the revenue generated from the fire protection revenues.

The Series 2017 G/O Note was issued February 2017 (Ord 2017- 07) in the amount of \$4,240,753. The debt was issued to fund the Adams County public safety building in exchange for a 20-year lease allowing the Quincy Police Department to relocate and occupy the new space for 20 years. The debt was structured as interest only payments for the first three years (FY 2018-FY 2020) followed by seven years of principal and interest with final payment due December, 2026 - FY 2027. The FY 2020 budget includes a transfer from the Capital Projects Fund 301 fund in the amount of \$124,000 for interest payments which will be transferred from internal sources until FY 2021 when the debt service will be placed on the tax levy.

The additional bond proceeds of \$240,000 are being held to cover maintenance costs over the life of the lease.

The final payment will be levied during the 2025 levy and paid in FYE 2027.

The Series 2019B G/O debt was approved Council on August 27, 2019 as Ordinance 2019- 23. The bond proceeds of \$19 million were receipted into the 2019B Street Projects Capital Project Fund on November 21, 2019. The debt was issued to fund a City Wide Street Infrastructure program (resolution approved by Council on Dec 9, 2019). The City issued the bonds to replace expiring debt that was falling off the property tax levy. The debt was structured to maintain a flat infrastructure tax rate of .2589 or lower with a 20 year debt schedule.

The final payment is due December 1, 2039 and will be levied during the 2038 property tax levy and paid in FYE 2040.

Department of Utilities & Engineering Organizational Chart

** Note: Left side of chart represents positions paid by the Utilities Department, but under the direction of the Director of Central Services

This page left blank intentionally.

PURPOSE

The Water Department is responsible for the treatment, storage and distribution of potable water to residential, commercial, industrial and other users, as well as the financial management of the water utility. The Water Department is funded by user charges for water service, which include fixed monthly demand charges (based upon meter size) and metered consumption charges. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the water utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY2022

- Complete rehabilitation of filters #1 through #6 and install new technologies for improved monitoring of the water supply
- Invest in new water transmission mains to improve water pressure & water quality
- Invest in capital replacement of aged water distribution system components

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal year, the Water Enterprise Fund:

- Produced a net operating income in excess of \$1.5 million
- Invested roughly \$2.2 million in capital improvements to the public water supply
- Completed planning for replacement of water treatment plant pump station to eliminate flooding risk and increase treatment flow rate.

BUDGET SUMMARY

Revenue projections for FY22 are based upon water sales from the preceding year. Operating revenues for FY22 are projected to be \$8.587 million. Operating expenses, excluding debt service and capital improvements, are projected to be \$7.168 million, which will result in a net operating income of \$1.419 million in FY22. Budgeted operating expenses are roughly \$536,000 (8.1%) above projected FY21 levels. The major contributors to the increased operating expenses include a \$450k allowance for sewer charges to be paid by the water treatment plant and a \$194k additional allowance for energy expenses.

A total capital expense budget of \$7.37 million is proposed. Proposed capital expenditures include:

• Watermain replacement projects	\$4,895,000
• WTP filter rehabilitation project	2,000,000
• Purchase of financial management software	205,000
• Purchase of dump truck & stainless steel bed	140,000
• Purchase of mini-excavator to replace backhoe	60,000
• Purchase of light duty trucks	40,000
• Miscellaneous	<u>38,500</u>
• Total	<u>\$7,378,500</u>

Fund 501 is projected to begin FY22 with a cash reserve balance of \$8.95 million and end the fiscal year with a cash reserve balance of \$2.42 million.

PURPOSE

The Sewer Department is responsible for the collection, treatment and disposal of sanitary and combined sewage (sanitary sewage + storm water) generated in areas served by public sewers, as well as the financial management of the sewer utility. The Sewer Department is funded by user charges for sewer service, which include fixed monthly demand charges (based upon meter size) and usage charges based upon metered water consumption. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the sewer utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY2022:

- Replace combined sewer diversion structures to maximize flow of sewage to the treatment plant
- Repair and replace defective sewers in coordination with street improvement projects.
- Improve sewer cleaning frequency to minimize basement backup and other sewer overflows

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal year, the Sewer Enterprise Fund:

- Produced a net operating income of roughly \$750,000
- Invested over \$3 million in capital improvements to the sewage collection system
- Completed replacement of the WWTP aeration system to improve effluent quality and lower operating expenses

BUDGET SUMMARY

Revenue projections for FY22 are based upon FY21 metered water sales. Operating revenues for FY22 are projected to be \$6.35 million. Operating expenses, excluding debt service and capital improvements, are projected to be \$4.78 million, which will result in a net operating income of \$1.57 million in FY21. Budgeted operating expenses are roughly \$153,000 below projected FY21 levels due primarily to a decreased allowance for design engineering services.

Capital investment of nearly \$6.43 million is proposed for FY21, which includes:

- | | |
|---|-------------|
| • Sewer line repair/replacements | \$6,225,000 |
| • Purchase of financial management software | \$ 205,000 |

Fund 502 is projected to begin FY22 with a cash reserve balance of \$8.4 million and end the fiscal year with a cash reserve balance of \$2.2 million

PURPOSE

The Quincy Regional Airport-Baldwin Field is owned and operated by the City of Quincy. The airport provides a safe and secure environment for aircraft operators who serve private, corporate, and commercial travelers. The airfield is a public asset open to users 24 hours a day 365 days a year.

The purpose of this fund is to develop and maintain airport facilities and infrastructure in accordance with federal standards. The airport has a 14 million dollar economic impact on the region by serving the public and private sectors of air travel. Quincy is an Essential Air Service Community served by Cape Air. Federal subsidies allow daily air service to and from Chicago O’Hare International Airport and St. Louis-Lambert International Airport.

The airport sits on a 1,100 acre parcel of land and includes over 20 structures, three runway surfaces, an interconnecting taxiway and ramp system, and a landside system of roads and parking lots for access to the public facilities.

GOALS/OBJECTIVES

- Provide a safe and secure environment for aircraft operations
- Meet and exceed FAA 14 CFR Part 139 requirements and TSA 49 CFR 1542 regulations
- Support the commercial airline in an effort to ensure safe and timely air service to the community.
- Provide a comfortable travel experience for airport users flying to and from Quincy.
- Promote continued development by supporting the variety of tenants who do business at the airport.
- Explore additional revenue channels to decrease the general fund subsidy.

Projects for FY 2022:

- First construction phase of the four year \$35 million project
- Plan, design, and secure funding for phase two of the runway project
- Expand our snow removal fleet

PAST FISCAL YEAR HIGHLIGHTS

- Successfully funded and ordered a new Aircraft Rescue and Fire Fighting Vehicle
- Successfully purchased new batwing mowers for ground maintenance
- Maintained full service during the height of the Covid-19 pandemic
- Completed annual Part 139 safety inspection with only a single discrepancy
- Successfully proved to the FAA the management and safety culture at the airport have permanently changed and all past investigations and MOAs were formally ended.
- Formally secured under grant the first \$10 million of the four year \$35 million dollar runway project.

BUDGET SUMMARY

Once again, the airport team successfully met every fiscal objective set last year while remaining under budget in several areas. Airport revenues have increased more than 10% due to new and renegotiated leases. Airport personnel costs have increased due to projected raises, increased health insurance costs, and the restoration of full time position from a part time position. Operation costs have decreased due to consistent management of resources and funding. Neglected capital needs have been addressed through alternative funding sources, alleviating the airport and sequentially the general fund.

Rigorous federal standards require continuous monitoring and maintenance for all airfield pavements and systems. Some items are costly but required.

The budget reflects the continued commitment of the City of Quincy to providing a safe and secure environment for air travel, while simultaneously investing in an essential economic engine of the region.

PURPOSE

The PFC Fund collects a passenger facility charge of \$4.50 per passenger traveling through Quincy Regional Airport. The charge is federally regulated and all projects using PFC funds must be approved and audited by the FAA.

GOAL/OBJECTIVES

- Provide a safe, secure and comfortable experience for airline passengers.
 - Maintain and upgrade aging passenger facilities.
- Projects for FY2022
- Study and overhaul of airports HVAC system

PAST YEAR HIGHLIGHTS

- Navigated the federal process to establish the first PFC program

BUDGET SUMMARY

Revenues have been projected to decrease due to the effect of the COVID-19 pandemic on air travel. However, the existing cash balance allows us to move forward with projects as planned.

Expenditures include the replacement of the terminal HVAC system and the efficiency study, the consulting fees associated with the establishment of the new PFC program, and interest payments on the airport's new debt service associated with the large runway project.

PURPOSE

The purpose of the Airport Hangar Fund is to ensure the ability to develop and support general aviation at the Quincy Regional Airport. Revenues are made up of current hangar lease payments and interest. The fund provides the ongoing maintenance of existing hangar facilities and an investment in the development of future hangar facilities.

Goals and Objectives

- Maintain general aviation facilities
- Retain the capital to ensure the development of future t-hangar buildings.
- Build infrastructure for proposed corporate facility located in the Enterprise Zone.
- Secure state funding for building and repair of new and existing infrastructure.

Projects for FY 2022:

- T-hangar apron repair. (State/Local funded).
- Break ground on general aviation development expansion (State/Local funded)
- T-hangar building and taxiway construction

Past Fiscal Year Highlights

- Bid and awarded the painting of the fixed-based operator hangar

Budget Summary

Rental revenues have decreased due to the reorganization of rental income among airport funds. Grant revenue from the Rebuild Illinois Program is also expected to complete development projects.

Expenditures include repairs to existing hangar aprons, building of new infrastructure for general aviation hangar development, the construction of a new t-hangar building and connecting taxiway, and county taxes.

PURPOSE

The Quincy Regional Barge Dock is owned by the City of Quincy and has been operated by the City since May of 2000. The fund generates revenue based on charges per ton for all barges unloaded at our dock. Engineering Staff oversees Barge Dock operations.

GOALS/OBJECTIVES

- Achieve more income through increased barge traffic
- Raise dock operating platform and access road to permit operations during minor flood stage

PAST FISCAL YEAR HIGHLIGHTS

Revenues negatively impacted by prolonged flooding. New contract for loading/unloading operations.

BUDGET SUMMARY

Capital Outlay of \$669,000 is planned to raise dock and access road.

PURPOSE

The Quincy Regional Training Facility will begin its 16th year of operation in May of 2021. The facility continues to be used by emergency services organizations in, and around, the Quincy Area. Additionally, the facility was used by the Adams County Ambulance Service, Tri-Township Fire Department, John Wood Community College, Adams County Sheriff and the Illinois State Police. The drill grounds are used on a constant basis and provide excellent access to hands-on training that is not otherwise easily secured.

PAST FISCAL YEAR HIGHLIGHTS

- This past fiscal year we saw the implementation of the first Western Illinois University Skills Academy. This initial program was delayed one year due to the COVID-19 health emergency. This six week educational experience was conducted for 8 students in the WIU Fire Science Program. Students were housed at, and fed by, Quincy University. Classroom sessions and skill sessions took place at QRTF. This first year generated some monies that will be reinvested into the facility to make improvements to further better the facility for the next class to take place in the spring of 2022.
- The facility continues to see large law enforcement utilization, both in the classrooms and the drill ground. The drill ground provides an excellent location to allow special response teams to practice their craft.
- Repairs were made to the ceiling in the primary burn room. The fire resistive panels had reached the end of their useful life and were in need of replacement.

BUDGET SUMMARY

This budget contains dollars to continue the WIU Skills Academy.

PURPOSE

The Garbage Fund was created as an Enterprise Fund by resolution that passed City Council on Jan 21,2020. The Garbage Fund is a "fee based" operation that generates revenue to offset the costs of the service. Consolidating all the costs related to the service of garbage collection into one fund will increase the transparency of total cost (subsidy) needed for the operation.

GOALS/OBJECTIVES

Our objective is to continue to provide curb-side garbage collection service to the residents of the City. The addition of the two new trucks replacing the 19 year old trucks should have an impact of fleet maintenance costs. The proposed budget expects to generate revenues based on the following:

	<u>cost</u>	<u>qty</u>	<u>Revenue</u>
Garbage Stickers-ea	\$1.50	408,000	\$ 612,000
Tote Service-Monthly	\$12.99	3,980	\$ 620,402
Tote Sales each	\$60	250	\$ 15,000

PAST FISCAL YEAR HIGHLIGHTS

The Garbage crew will collect and dispose approx 6,000 tons of garbage in FY 2021. After eight months, materials weight disposed is up about 12% to last year. A five -year Solid Waste Contract with Republic Services went into effect 5/1/2019 and expires 4/30/2024.

Since offering Garbage Tote service, the number of households opting into this service has increased to nearly 4,000. The garbage totes sold indicate similar growth with over 600 carts sold for \$60 each. Garbage Stickers continue to be popular, based on sticker price of \$1.50 each, the city is selling over 400,000 stickers per year.

Two new garbage trucks ordered in January 2020 were expected to be delivered in October 2020, but due to covid issues, were not delivered until March 2021.

The Garbage Collection route changes evened out the work load and cut down on overtime. We run three truck routes per day with two laborers per truck/route. The current garbage fleet consists of three 2016 Mack GU713 garbage trucks and the two new 2021 Mack garbage trucks. Annual fleet expense is expected be \$115,000 which includes \$50,000 fuel, \$30,000 parts, \$15,000 labor and \$20,000 commercial repairs. The garbage fleet uses approximately 15,000 gallons of fuel per year.

BUDGET SUMMARY

The garbage fund will maintain the same staffing as last year. The FY 2022 landfill fees will be at \$34.53/ton (3% increase over FY 2021). Garbage revenues are projected at \$1.27 million which should completely cover operational costs of \$1.21 million. The projected revenue per ton will be \$211 and expense per ton around \$195. The garbage fund should generate enough revenue to cover all expenses and will not budget for a subsidy from the General Fund.

PURPOSE

The Recycling Fund was created as an Enterprise Fund by resolution that passed City Council on Jan 21,2020. The Recycling Fund is a "fee based" operation that generates revenue to offset the costs of the service. Consolidating the the costs related to the service of curbside recycle collection into one fund will increase the transparency of the next cost (subsidy) needed for the operation.

GOALS/OBJECTIVES

Our objective is to continue to provide curbside recycle collection service to the residents of the City. Recycling operations are expected to remain the same in FY 2022 with about 5,900 customers choosing to pay for the "opt-in" service for a fee of \$5/month.

PAST FISCAL YEAR HIGHLIGHTS

The "Opt-In" recycle customer count grew by about 200 households to 5,879 customers paying \$5 per month. The current contract with Quincy Recycle for the disposal of recycled material is effective through April 30, 2024. The contract allows revenue for plastics, a variable market rate cost for mixed paper, ranging from \$40 per expense paid last year to most recently a \$5 per ton revenue. Single stream collection continues to be charged at \$95 per ton. The FY 2021 estimates are :

26%	Plastic	revenue \$80/ton	\$21,000 revenue
61%	Paper	expense \$5-\$40/ton	-\$ 3,370 expense
13%	Single Stream	expense \$95/ton	<u>-\$11,930 expense</u>
			\$ 5,700 net revenue

The overall cost per ton is projected at \$650; while revenue per ton is only at \$360. The General Fund subsidy for FYE 2021 will be around \$280,000 for the recycle service.

The current fleet consists of three trucks: , Two - 2014 Mack LEU613 trucks and one- 2012 International 7400 Side Load Recycle truck (put into service in FY 2020).

Annual fleet expense is expected to be \$92,0000 which includes \$47,000 fuel, \$15,000 parts, \$15,000 labor and \$15,000 commerical repairs.

Entered into an agreement with Ripple Glass at \$20,000 per year. Funding for this was committed in FY 2021.

BUDGET SUMMARY

With the customer counts down, Recycling can operate with slightly fewer FTEs. Since there is no market for recycled paper and cardboard, we expect to continue to pay \$40/ton for nearly half of the material we are collecting. The addition of the used truck should minimize the amount of single stream loads which carry a cost of \$95/ton. The Recycle Service expects to generate revenues of \$355,000 which is slightly short of the expected operational costs of \$660,000. In FYE 2022 the Recycle Fund will pay for the Ripple Glass contract. The Recycle Fund will utilize a subsidy transfer from the General Fund in the amount of \$190,000 and \$90,000 from the Garbage Fund.

PURPOSE

The Central Garage provides all maintenance and repairs to the entire city fleet which includes the airport. This fleet consists of over three hundred (300) vehicles and pieces of equipment that are maintained by a staff of six (6) mechanics and two (2) utility personnel. We operate on a schedule of two (2) shifts: 6:00 a.m.-2:00 p.m. and 2:00 p.m.-10:00 p.m. The Garage generates revenue by charging for fuel , parts, commercial repairs, and labor provided to other city departments.

GOALS/OBJECTIVES

- To provide efficient repairs and preventative maintenance to the city's fleet
- To maintain an adequate inventory of parts to ensure timely service
- To keep City vehicles and equipment in operation and minimize down time while in garage
- Maintain the internal billed labor rate at \$75 per hour, still below Quincy market rate of \$100 per hour
- Offer continuing education for the mechanics so they can better serve specialized equipment
- Maintain a safe working environment for our staff

PAST FISCAL YEAR HIGHLIGHTS

- Central Garage processed approx 3,800 job orders with 6 full-time mechanics
 - Purchased approx \$290,000 parts, \$168,000 commercial repairs, and \$328,000 fuel for city wide use.
 - Billed out approx 110,0000 gallons of diesel
 - Billed out approx 92,000 gallons of unleaded
- The current fuel contract (delivery price plus \$0.06 per gallon) with Hutter initiated on 4/1/2017 expires on 3/31/2022.
- The Garage purchased new shop equipment: Master puller set with cabinet, new welder, top load washer, torque wrench, digital diagnostic tools, welding cart, and 1" impact wrench
 - Replacement of garage doors have been quoted and approved; waiting for Fischer Builders to start work

BUDGET SUMMARY

The Central Garage is planning to swap a day-time Utility Position to a Evening Supervisor. This budget neutral shift should offer much needed oversight from 2pm - 10pm while also maintaining continuity between day shift/night shift. The Garage is planning to do a car lift repair at door 12, purchase a new freon machine, 3/4 inch drive impact socket set, update diagnostic computer software, and additional mechanic training. The Central Garage salaries and benefits is increasing for health care costs. The other major components of this budget are the \$200,000 commercial repairs, \$300,000 parts, and \$575,000 gas/diesel.

PURPOSE

The Vehicle Replacement Fund was established during FY 2003. The purpose of the vehicle replacement program is for each department to set aside funds from their budget from the time a vehicle is put into service so that there is adequate funds to replace that vehicle at the end of its useful life. Nearly all city departments participated from FY 2003-2009. In FY 2010, many departments stopped participating due to budget constraints. We are attempting to build the vehicle replacement costs back into the budget.

In FY 2021, the Water and Sewer fund balances were moved back to the enterprise fund. The Vehicle Replacement Fund is only being used for those departments that are General Fund or subsidized by the General Fund.

In FY 2021 the following replacements were funded :

- Garbage - \$204,800 to fund 2021 Mack garbage truck
- Fire - \$33,366 for a new 2021 Ford Explorer
- Water \$33,898 2020 Ford Transit van & \$36,534 2020 Ford F350
- Sewer \$35,990 2019 Ford Ranger & \$36,534 2020 Ford F350
- Engineering \$13,500 partially fund 2020 Ford F550 aerial lift for traffic signals

The FY 2022 budget plans for the following replacements: new Paint machine, new Forestry truck, new Nuisance truck, and also a contingency for unexpected replacements.

**FUND 611 SELF INSURANCE FUND
HUMAN RESOURCES**

SUMMARY

PURPOSE

The Self Insurance Fund provides liability coverage for the City's workforce and all City-owned properties having an insured value in excess of \$85,000,000. The fund consists of three divisions: Administration, Risk Management, and Premiums & Benefits. The Administration division provides support and function for all City departments through recruiting and employee selection, the development of employee policies and procedures, compensation and benefit administration, including the administration of six Collective Bargaining Units. The Risk Management division handle all worker's compensation claims and liability coverage claims investigate claims and inspect all City property for safety concerns. The Premiums and Benefits division is for the liability insurance coverage premiums and deductibles. This fund generates revenue from charges to other city departments with a labor force, significant property, and liability exposure.

GOALS/OBJECTIVES

- Effectively manage Liability and Workers compensation claims in order to reduce the financial obligation of the City.
- Move the City's Risk Management initiative towards an Enterprise Risk Management program.
- Provide the new administration with a job reclassification and salary comparison proposal for all non-union employees
- Prepare for impending retirements in key positions and prepare/advise on succession plans.

PAST YEAR HIGHLIGHTS

In January the full-time Administrative Assistant started being shared with the Fire Department to fill a retired full-time position. In FY2021, this fund loaned \$840,000 to the Health Insurance Fund 612.

BUDGET SUMMARY

The City's MICA premium is the major component of the Self Insurance Fund. The FY2022 premium will decrease by 7% over FY2021.

PURPOSE

The City's health insurance coverage is a self-funded plan administered by a Third Party Administrator and utilizes a national network for accessing discounts for health care. The health Insurance plan participants include City, 911 employees and retirees.

In addition, the fund revenues are defined as contributions paid by employees, employer and retirees; the fund expenses are the health insurance claims and fixed costs of the health plan.

GOALS/OBJECTIVES

- Educate employees regarding best use of benefits and health clinic options
- Increase participation in Biometric testing under the Health Clinic contract
- Research prescription management cost saving programs
- Research and implement programs that may help control the rising cost of medical health care.
- Review and implement health insurance plan document cost saving measures
- To generate a fund balance of 10% of annual expenditures.

PAST FISCAL YEAR HIGHLIGHTS

- Monitored the health clinic model and cost savings
- Provided health care educational material
- Monitored HIPPA and ACA controls
- Borrowed \$840,000 from the Self Insurance Fund 611.
- City Departments paid additional \$574K in November and \$750k in February to maintain cash flow.

BUDGET SUMMARY

The City is projecting a 20% overall increase in health insurance premiums due to the higher than expected medical claims. However, the City's health clinic continues to provide a huge value to the City and city employees while lowering the overall health insurance program costs

PURPOSE

The City has established a self-funded account to pay potential unemployment claims. The funding of the plan comes from each department based on a fixed cost per employee.

GOALS/OBJECTIVES

- Maintain a fund balance that will cover future potential unemployment claims

BUDGET SUMMARY

Each department with employees recognized a \$100 per head fee that is charged to Unemp Comp (22-03) These amounts are transferred into this fund for potential unemployment claims.

FUND 702 CDAP REVOLVING LOAN FUND

SUMMARY

The CDAP- ED program is a federally funded program that is designed to provide grants to units of local government for economic development activities related to business retention and or expansion opportunities. Local governments qualifying to receive grant funds can then make these funds available in the form of loans to businesses locating or expanding in their community.

The State of Illinois recently changed the requirements of this fund and in FYE 2022 the CDAP fund will be closed out and rolled into the Fund 701 Economic Development Revolving Loan Fund.

The Sister City Commission Fund was established to hold the funds for the commission. The Sister City Commission receives a \$5,000 subsidy from the General Fund each year. The expenses are related to student exchanges and travel costs to and from Hereford, Germany by Quincy Notre Dame, the Quincy University Men's Soccer team and Quincy University Choir. Quincy Senior High school German students also receive financial support with their educational needs and travel expenses.

Due to budget constraints the Sister City Commission did not receive any General Fund subsidy for the fiscal year ending 4/30/2019. This subsidy was restored in FY 2020.

PURPOSE

The Landfill Superfund was created to collect/disburse costs related to the remedial action at Landfills No. 2 & No 3. The City and other participating defendants entered into a settlement agreement in 1995 with the U.S. EPA to share expenses and obligations for remediation and monitoring of the closed landfills. The settlement agreement established the "Quincy Landfill Remedial Design/Remedial Action group" (RD/RA Group), and defined the City's share of responsibility as 38% of the total. Historically, the RD/RA Group issues cash calls in increments of \$200,000 to pay expenses of which the City is responsible for \$76,000. For the coming Fiscal Year, two cash calls are anticipated.

FUND 724 ANIMAL RESCUE FUND

SUMMARY

In the fall of 2016 the "Quincy Animal Shelter" was named as a beneficiary of the Lori Nazimek estate (\$61,799.60). Because the city operates the animal shelter, we receipted these funds in FY 2017 as General Fund revenue (per the auditors). At that time, it was assumed these funds were to be used for costs already being incurred by our animal shelter contract. However, it was later determined that the city contract does not cover Rescue Costs. Therefore, this fund was moved to a Trust & Agency fund and we created this fund in FYE 2018. These funds cannot be used to offset day to day animal shelter operations. The contracted animal clinic tracks their cost of animal rescue and bills the city/this fund seperately as rescued animals are treated.

FUND 743 TOURISM TAX FUND

SUMMARY

The Tourism Tax Fund receives all City Hotel/Motel Tax revenues. The current city Hotel/Motel tax rate is 8% as established by Ordinance 9314 adopted September 18, 2017. This ordinance calls for an annual rate review to occur each budget year. In January 2021, City Council adopted a resolution to maintain the same rate of 8% for another year.

The Hotel/Motel tax revenues are re-distributed based on the inter-governmental agreement with the QMEA (Quincy Metropolitan Exposition & Auditorium) / Oakley-Lindsay Center. This agreement was last amended February 17, 2015 as Ordinance 2015-07.

The City administers the fund and receives a 2% administrative cost share. The amount needed for the debt repay is transferred to the appropriate debt service funds. The remaining is disbursed as allowed based on the current agreement.

PURPOSE

Quincy Public Library is an essential community service providing its patrons with materials, facilities, and programs to meet lifelong learning, cultural, and recreational needs. QPL is indispensable in providing access to information, educational opportunities and a place for community which helps Quincy maintain its strong standard of living

Goals and Objectives

Quincy Public Library’s vision of creating, supporting, and promoting a literate community is firmly grounded by a strategic plan to fulfill community needs and encourage lifelong literacy. QPL goals include increase attendance in our early literacy programs by 10% each year. To grow our active cardholder base and reach out to those who are less active about ways to make the library a more user friendly, community centered space.

Past Fiscal Year Highlights

The year began with all but three library staff members furloughed because of Covid-19. Assistant Directors came back starting the middle of May, the rest of the staff came back over the following weeks, and the library opened to the public on June 8. The library held a virtual Summer Reading Program during the summer. With the increase in cases and the need to help the community reduce the spread of Covid-19, the library converted all programming to a virtual model using social media and teleconferencing tools. After limiting building access in November, the library changed service models again to accept patron appointments for computers and resource use and offered curbside to check out materials. In February, the library opened to the public to browse the stacks, use computers, and in March in-person programming started again. Patrons in the community utilized the Grab and Go Lockers at the four different locations: Iles and Lincoln-Douglas Elementary Schools, Co Market at 48th and the front of the library building. These lockers provided contactless delivery of library materials 24/7. Additionally, the availability of online digital resources from the library’s website significantly increased usage over the last year. Patrons have downloaded and streamed eBooks, audiobooks, magazines, movies, music, comics and more.

Budget Summary

Amount Carried Over May 1	\$ 254,934
Budgeted Revenue	\$2,515,428
Total Available	\$2,770,362
Budgeted Expenditures	\$2,759,884
Estimated Carry Over, April 30	\$ 10,478

QPL is budgeted to receive \$1,774,465 from the City of Quincy. This represents a 2.53% increase over the previous year, but a 6.44% decrease as compared to FY 19/20. Additionally, QPL is budgeted to receive \$492,793 from the Townships of the Quincy Area Public Library District which is made up of portions of the surrounding Townships of Melrose, Gilmer, Ellington and Riverside. QPL also expects to receive \$71,038 from the Mary Weems Barton Foundation for IT upgrades. \$21,438 from Friends of the Library. Any remaining revenue budgeted is from grants and donations. In total QPL is budgeting \$2,770,362 in available funds to provide services for the community and expects to have \$10,478 remaining at year end

Aside from salaries and benefits, the largest expected expenditure is collection development which totals \$466,282. Capital bulding projects include the repair, cleaning and painting of dryvit which is the exterior surface of the library building. Additionally, the library plans to upgrade the library servers and hardware for utilization of Windows 10 for patrons and staff.
