**Overhead View – 1636 Hampshire in Blue**

**Hampshire Street View of 1636 Hampshire – 04/12/2022**

**LOCATION/BACKGROUND:**

The subject lot at 1636 Hampshire Street is zoned R1A (single-family residential) and is located in Ward 4. The structure at 1636 Hampshire Street is the former Carriage House of 1651 Maine Street. The roughly 10,900 square foot lot that includes the Carriage House was divided from the parent lot (1651 Maine) in 1998. The current owner purchased the subject lot in 2021.

The petitioner seeks to construct a swimming pool surrounded by a six-foot tall fence as show to the left. The yellow line represents the fence while the blue area is the pool. The proposed setbacks were provided by the petitioner.

The deed to the subject lot establishes a perpetual driveway easement for access to Hampshire Street, as depicted by the two pink lines.

The petitioner believes the pool, if constructed in the proposed location, would be located in the side yard for his property because the Carriage House has an east/west configuration.

The Dept. of Planning & Development considers the proposed location of the pool to be the front yard as the street frontage for the subject lot is Hampshire Street.

City Code 162.114A states that pools shall be located in rear yards, so the petitioner seeks a variation from 162.114A to allow for the construction of the pool in a front yard.

City Code 162.113C states that fences/screens up to six feet in height may be placed in a side or a rear yard, so the petitioner seeks a variation from 162.113C to allow for the installation of a fence up to six-feet in height in the front yard.

**STAFF COMMENTS:**

City Code 40.125(C) states that when the ZBA considers a variation, it must determine if the proposed variation does any of the following:

- Impair an adequate supply of light and air to adjacent properties
- Unreasonably increase congestion in public streets
- Endanger Public Safety
- Unreasonably diminish established property values in the surrounding area
- Impair public health, safety or welfare.

Staff does not believe the requested variations would do anything listed above in City Code 40.125(C)

In addition, the ZBA shall only permit a variation where it is found that

- A) An exceptional or unusual physical condition of a lot, which condition, yard, given the applicable fence, sign, lot area, lot width or accessory structure size regulations, would prevent a reasonable or sensible arrangement of buildings, fences, or signs on the lot.
- B) The variation is consistent with conditions existing upon other properties in the immediate vicinity and in the same zoning district.
- C) Authorization of the variation will not be of substantial detriment to adjacent properties, and will not materially impair the intent and purpose of this subchapter or the public health, safety and general welfare.

Point A: Staff believes this lot has an exceptional or unusual physical condition. The division of the Carriage House lot from 1651 Maine Street in 1998 provided no side yard setback to the west of the Carriage House itself. The rear yard and the eastern side yard are entirely concrete as they are parts of existing driveways. As a result, the only portion of the property in which a pool could be constructed is the front yard, as shown in the previous photos.

The subject lot is also elevated from Hampshire Street itself. The street-view photograph on page one of the staff review shows a roughly 3-4 foot high brick wall along the sidewalk, showing that 1636 Hampshire is elevated

Point B: Staff is not aware of any other properties in the immediate vicinity that would have been divided in such a way that what was once in the rear of the yard (the Carriage House) is now the front of the yard.

Point C: Staff believes that this will not deter the public health, safety or general welfare of the adjacent properties, nor would it be a substantial detriment to adjacent properties.

Staff believes the entire southern frontage of Hampshire Street from 16<sup>th</sup> to 18<sup>th</sup> appears to be rear yards, one after the other. As a result, staff believes the construction of a pool and the installation of a six-foot tall fence in the front yard of 1636 Hampshire Street would not stand out as the neighboring properties could construct a pool or install a fence the same setback distance from Hampshire Street as the subject lot. In addition, the elevation of the subject lot would make it much more difficult for a passerby to even notice the pool and fence in the subject lot.

**STAFF RECOMMENDATION:**

Staff recommends the Zoning Board of Appeals approved the requested variance from City Code Chapter 162.114(A) to allow for the construction of a swimming pool in a front yard and the requested variance from City Code Chapter 162.113(C) to allow for the construction of a six-foot tall fence in a front yard.

**Quincy Zoning Board of Appeals Minutes**  
**Tuesday, April 19, 2022**

A meeting of the Quincy Zoning Board of Appeals was held at 5:00 p.m. on Tuesday, April 19, 2022 in the Quincy City Council Chambers, City Hall, 1<sup>st</sup> Floor, 730 Maine Street.

Members Present: Terry Austin, John Basinger, Dave Bellis, Chairman Ron Frillman, Mike Martin, & Scott Richardson

Members Absent: None

Staff Present: Bruce Alford, Chuck Bevelheimer, Jason Parrott & Michael Seaver

- 1) **Call to Order:** Frillman called the meeting to order at 5:00 p.m.
- 2) **Approval of Minutes:** Martin moved to approve the minutes of the October 19, 2021 meeting as presented; seconded by Basinger. Motion carried, all in attendance voting in favor.
- 3) **Public Hearing requested by David Roll to vary the Zoning Code of the City of Quincy (2015) to allow for the installation of a pool in the front yard of 1636 Hampshire Street and the installation of a 6' fence in the front yard of 1636 Hampshire Street: Zoned R1A, Ward 4**

Frillman asked staff to read its review. Staff asked that the review, which had been shared previously with the board members and the petitioner, be entered into the record. Staff then read the recommendation, which is to approve the variances as requested.

Frillman asked the petitioner to address the board if they choose.

David Roll (1636 Hampshire) thanked staff for their help with the process. He provided a history of his property, which was split from 1651 Maine Street in the late 1990's. Roll said his home, the former Carriage House for 1651 Maine Street, has an east/west configuration, but the front yard is considered Hampshire Street, even though his front yard is the rear yard for his neighbors. He said he has no yard to the west and only concrete to the south, so he is limited to where he could place the pool and the fence. Roll said his neighbors could build a pool the same distance from Hampshire Street as his proposed location without the need for a variance because of the configuration of his home. He said the fence he plans to install will be a wrought iron fence to blend in with the neighborhood. Roll said the goal is to construction the pool as close as possible to his home, depending on the location of utilities.

Martin asked if it would be an in-ground pool. Roll said it would. Martin asked if there would be any amenities. Roll said there would not be a slide, a diving board or anything like that. Basinger said that the plans show the pool approximately 52' from Hampshire. He asked if the pool would be constructed any closer. Roll said the final location and the configuration would be based on utilities, but he said it would certainly be at least 30' from Hampshire. Martin asked about shielding the pool related equipment. Roll said a berm would protect the equipment from view.

Frillman asked if anyone in the audience would like to comment on the request. Marlana Minnick (1651 Maine) said she had only received notice of the meeting, but had not seen the drawing showing the location of the pool. She provided a history of 1651 Maine and 1636 Hampshire. Minnick said the Carriage House is a historic property and the installation of the pool at 1636 Hampshire will reduce the historic value of the property and the property value of their home at 1651 Maine. Minnick also questioned why staff would say in its report that the project was a done deal. Staff told Minnick that the staff review simply provides a recommendation to the ZBA, but that the ZBA and eventually the City Council has the final say. Staff also provided Minnick a copy of the staff review so she could see the proposed location of the pool.

Bellis asked staff regarding the historic nature. Staff described the landmark process to the ZBA and said the Carriage House is mentioned in City Code as a landmark property, but added that the code does not prevent the addition of a pool to the property. Bellis asked if any city official or commission approved the lot split. Alford said it's likely the property went to the Plan Commission in the late 1990's as a small tract subdivision.

There was an extended conversation related to the historic nature of the property. Martin said the historic designation does not prevent the installation of the pool. The commission further discussed the nature of the lot layout for 1636 Hampshire including entrance/exit for the property. Frillman said there is an 8' fence in the rear yard of 1651 Maine Street, so the 6' fence at 1636 Hampshire Street seems appropriate. Bellis said he sees the tennis court in the rear of 1651 Maine Street and the pool at 1636 Hampshire as similar because they are similar distances from Hampshire Street.

Richardson asked about the process for ZBA, asking about the impact to neighboring properties. He asked if this opinion from the neighbor was taken into consideration when the staff review was prepared. Bevelheimer said the staff review is completed based on a review of the code and does not take into account any potential comment during the public hearing as it is not known at the time if anyone will speak at the hearing.

Martin asked Minnick if she was still opposed after seeing the layout of the pool. Minnick said she was because she believes it will devalue the property of their home at 1651 Maine. She said 1651 Maine is the only property that will be affected by this. The commission further discussed the potential impact of the pool on the property values. Frillman asked about notification. Staff said notification took place and the neighbors had the opportunity to attend the meeting.

Martin made a motion, seconded by Bellis, to concur with the staff review and recommend approval to vary the requirement that a pool shall be located in a rear yard to allow for the construction of a pool at a location that is not within the required front yard as defined in Section 162.060 and 162.061(A) and to vary the requirement that a fence/screen six-feet in height or less may be located in a side or rear yard to allow for the construction of a six-foot fence at a location that is not within the required front yard as defined in Section 162.060 and 162.061(A) as requested.

The commission then discussed the definition of yards in City Code. Basinger said the area outside of the required yard dimensions (setbacks) is considered a buildable area, so the variance should allow for the installation of the pool and fence within the buildable area, outside of the required yard dimensions to avoid saying the pool or fence could be constructed in the front yard. Alford said the variance should state the installation of each is not allowed within the required front yard. Basinger said he was acceptable of that so long as it is not allowed within a required front yard.

With no further discussion, the board voted 5-1 in support of the motion for the pool and fence.

- 4) **Public Comment (Limited to Three Minutes):** None
- 5) **New Business:** None
- 6) **Adjournment:** The meeting adjourned at 5:30 pm

## PETITION FOR VARIANCE: MAJOR CHANGE

### Petition

On (date): 02/16/22, the undersigned applied to the Building Inspector of the City

of Quincy for a permit to POOL PERMIT & 6FT FENCE PERMIT

on real estate commonly known as (address): 1636 HAMPSHIRE

This permit was refused by the Building Inspector of the City of Quincy due to: ORDINANCE

PROHIBITION FOR HAVING A POOL/6FT FENCE IN FRONT YARD. HOWEVER I WOULD PETITION DUE TO THE UNIQUE PLACEMENT/ORIENTATION OF MY LOT I WOULD CONSIDER THE PARCEL OF MY LOT A SIDE YARD NOT A FRONT YARD. I do hereby appeal this major change to the Quincy Zoning Board of Appeals and ask that a variance be granted to allow for the following:

THE BUILDING/PLACEMENT OF A POOL IN THE NORTHERN PORTION OF MY LOT & A 6FT. FENCE SURROUNDING PERIMETER

## Reasons for Requesting Variance

Explain why the strict application of the city's Zoning Ordinance is not possible on the lot(s) listed in the petition, citing special circumstances or practical difficulties.

DUE TO EXISTING PROPERTY LINES THERE IS INSUFFICIENT ROOM  
TO ACCOMMODATE THE PROJECT ANYWHERE WITHIN THE  
LOT. THE NORTHERN SECTION OF THE LOT IS THE ONLY PLACE THAT  
CAN ACCOMMODATE THE PLACEMENT OF THE POOL.

Explain why the lot(s) listed in the petition has/have an exceptional or unusual physical characteristic, requiring the need for a variance, compared to lots with the same zoning district.

OUR RESIDENCE WAS FORMERLY THE CARRIAGE HOUSE FOR 1651  
MAINE STREET AND AS SUCH WAS PREVIOUSLY CONTAINED IN  
1651 MAINE ST. LOT. APPROXIMATELY 75 YEARS ~~AGO~~ <sup>AGO</sup> THE PREVIOUS

Explain how the variance is NOT the result of a situation or condition that was knowingly or deliberately created by the Petitioner

SEE BACK

I WAS NOT INVOLVED IN THE REDRAWINGS OF THE CURRENT

PROPERTY LINES. I HAVE NOT ALTERED OR BUILT ANYTHING ON THE LOT  
THAT WOULD HAVE AFFECTED THE PLACEMENT OF THE PROPOSED POOL.  
Explain why the variance will NOT alter the essential character of the neighborhood

IF THE NEIGHBORS TO THE EAST AND WEST OF ME CAN BUILD ON  
THE NORTHERN PORTIONS OF THEIR LOTS EXTENDING PAST THE "FRONT" OF  
MY RESIDENCE W/O REQUIRING A VARIANCE THEN ALLOWING ME TO DO SO  
WOULD NOT ALTER ANYTHING.

Explain why the variance will NOT cause a nuisance to adjacent lots

AGAIN IF MY NEIGHBORS CAN DO THE SAME WITHOUT A VARIANCE THEN  
ALLOWING ME TO DO SO DOES NOT CREATE A NUISANCE TO SURROUNDING  
PROPERTY OWNERS.

Explain how the variance requested represents the minimum deviation necessary from the requirements of the Zoning Code? ie: (if you are seeking a 10' setback encroachment, could you get by with an 8' encroachment?)

DUE TO THE UNIQUE CHARACTERISTICS OF MY LOT THERE IS  
NOT ANOTHER PLACE POSSIBLE ON THE LOT TO PLACE THE POOL.

I AM SIMPLY ASKING PERMISSION TO UTILIZE THE NORTHERN  
PORTION OF MY LOT. IF MY NEIGHBORS TO THE EAST &  
WEST CAN UTILIZE THE NORTHERN PORTIONS OF THEIR  
LOTS FOR THE SAME PURPOSE W/O A VARIANCE I FEEL ALLOWING ME TO

OWNER ELECTED TO DIVIDE THE CARRIAGE HOUSE FROM 1651 MAINE ST. AND TO SELL 1651 MAINE ST. AT THAT TIME THE PROPERTY LINES WERE REDRAWN AND THE PROPERTIES WERE SEPERATED. THE CARRIAGE HOUSE WAS THEN GIVEN THE ADDRESS OF 1636 HAMPSHIRE. THE CARRIAGE HOUSE IS ACTUALLY POSITIONED/ORIENTATED FACING EAST. HOWEVER, DUE TO HAVING A HAMPSHIRE ADDRESS WHAT I CONSIDER MY SIDE YARD (THE NORTHERN PORTION OF THE LOT) CITY ORDINANCE AS WRITTEN CONSIDERS THIS THE FRONT YARD AND PROHIBITS POOLS & FENCES OVER FOUR FEET IN HEIGHT. THE BOUNDARIES OF THE LOT DOES NOT ALLOW FOR SUFFICIENT ROOM FOR A POOL ON THE EAST, WEST OR SOUTH PORTIONS OF THE LOT. THE NORTHERN PORTION OF THE LOT IS <sup>THE ONLY</sup> AREA WHERE THE POOL COULD BE BUILT. ADDITIONALLY, IF THE OWNERS OF THE PROPERTIES ON EITHER SIDE OF ME, 1651 MAINE TO MY EAST & 1631 MAINE TO MY WEST ELECTED TO BUILD A POOL IN THE NORTHERN SECTIONS OF THEIR PROPERTY THEY WOULD BE ALLOWED TO DO SO WITHOUT REQUIRING A VARIANCE, EVEN IF THEIR POOL EXTENDED PAST THE "FRONT" OF MY RESIDENCE. CURRENTLY 1651 MAINE ST. HAS A TENNIS COURT AND 8 FOOT FENCE LOCATED IN THE NORTHWESTERN PORTION OF THEIR LOT THAT EXTENDS WELL PAST THE "FRONT" OF MY RESIDENCE. IF THE PROPERTY OWNERS ON EITHER SIDE OF ME CAN BUILD IN THE NORTHERN SECTIONS OF THEIR LOT THEN ALLOWING ME TO DO THE SAME WOULD NOT ALTER THE CHARACTER OF THE LOT OR HAVE A NEGATIVE IMPACT. ANOTHER CONSIDERING FACTOR IS MY LOT SITS ELEVATED FROM THE STREET LEVEL BY APPROXIMATELY 6 FT WHICH PROVIDES AN ADDITIONAL BUFFER.

## MEMO

To: City Council  
From: Linda Moore, Treasurer

Re: Reciprocal Agreement Renewal with IL Department of Revenue

After each Mayoral Election and annually thereafter, the city must update the agreement to share financial information that was obtained pursuant to the Illinois Retailers' Occupation Tax Act, the Service occupation Tax Act the Use Tax Act, and the Service Use Tax Act. The financial information is limited to the net revenue distributed to the City.

The Chief Executive Officer, the Mayor, submits a letter to the Illinois Department of Revenue with the list of names authorized to receive and/or view this information. Recently, our tax audit partner, Azavar Audit Solutions, became licensed as a "Registered Third-Party" which means they've gone through IDOR's stringent vetting process and paid due fees such that they are now authorized by contracted clients for purposes of requesting/reviewing the confidential data from the IL Department of Revenue for audit purposes. Therefore, I've added their audit personnel to this year's resolution.

I'm asking Council to pass the attached resolution authorizing the City to update this annual reciprocal agreement with the Illinois Department of Revenue.

If you have any questions, please let me know.

Thank you.

### MEMORANDUM

TO: Mayor and City Council  
FROM: Sheri Ray  
DATE: April 21, 2022  
SUBJECT: Year End Supplemental Budget Ordinance

Please find attached the Supplemental Budget Ordinance to be presented at the April 25, 2022 Council Meeting. The purpose of this supplemental is to amend the budget for the following:

#### General Fund

**Capital Projects Fund.** The Home Rule/Purchase Tax funds this distribution. Since purchase tax exceeded budget and we increased the home rule split to 75%, we need to amend the distribution to Capital Projects from \$8.1 million to \$9.6 million, an increase of \$1,500,000.

**Sales Tax Rebates.** The City rebates both Quincy Mall (Cullinan) and Prairie Crossing. This past year we changed disbursements to quarterly which allowed for 13 months of rebate, instead of 12. Additionally, additional sales tax revenues drove the rebate higher than expected. We need to increase budget by \$156,000 for sales tax rebates.

**Quincy Public Library.** The Library receives the property tax we levy on their behalf, a city subsidy, and 10.969% of PPRT. Unlike pensions, where we reduce our city subsidy if PPRT comes in over budget, the Library distribution originally planned at \$1.78 million is actually at \$2.33 million, \$230,000 more than planned.

**Quincy Township.** The Township is planning to disburse \$400,000 of their excess PPRT to the City for the purpose of Small Rental Rehab to be deposited into Fund 203 Housing Resource Fund.

#### Mid Town Business District Fund

The fund had to distribute \$25,000 to the Central Business District RLF #703 which paid for the PGAV Planners fees associated with setting up the Mid Town Business District. This distribution was not budgeted.

#### Traffic Signal Fund

The fund had to reimburse \$21,400 to the Motor Fuel Tax fund for two traffic signal boxes damaged through an accident. This expense was not budgeted.

If you have any questions, please let me know.
