MEMORANDUM

TO: Mayor and Members of the City Council

FROM: Corey Dean

DATE: June 24, 2022

RE: CGI Digital – Community Showcase Video Program

The City of Quincy was approached by CGI Digital who provides a video tour service to municipalities. The video production is then posted on a CGI Digital website that they will maintain. The only work that the City of Quincy will need to do is provide a link from our website to the CGI Digital page which hosts our video production.

This service is provided at no charge to the City of Quincy. CGI Digital will solicit local business sponsors to fund the production costs. Those sponsors will receive advertisement on the CGI Digital page, not on the City of Quincy's website directly.

The initial agreement is for a 3-year term. This would be a good timeframe to see how this type of exposure of the offerings of the City of Quincy may help to bring population growth, business relocations to the area, etc.

Recommendation: The IT Manager and the Technology Committee recommends that Mayor Mike Troup be authorized to sign the 3-year agreement with CGI Digital so that the City of Quincy can take part in their Community Showcase Video Program.

Thank you and please let me know if you have any questions.

IT Manager

RESOLUTION

WHEREAS, the City of Quincy, Information Technology Department has the responsibility of maintaining the website for the City of Quincy; and,

WHEREAS, CGI Digital's service offering consists of creating a video tour of Quincy including the website; and,

WHEREAS, the service is provided at no charge to the City of Quincy; and,

WHEREAS, CGI Digital obtains their funding from Community Sponsors which they will solicit; now

THEREFORE BE IT RESOLVED, the Technology Committee and the IT Manager recommend to the Mayor and City Council that the Mayor be authorized to sign the 3 year agreement with CGI Digital to be a part of their Community Showcase Video Program.
