From: Jeffrey Conte, Director of Utilities & Engineering
Date: May 9, 2022
Subject: Revocable Permit Request for Encroachment of City Right-of-Way

Alderman Holtschlag, Alderman Uzelac,

The Department of Utilities and Engineering has received an application for Revocable Permit for Encroachment of City right-of-way from Jay Krottinger and Ryan Tanner, owners of The Patio Restaurant and Lounge located at 401 Jersey Street. The applicants are requesting permission to place tables and chairs on the City-owned sidewalk along Jersey Street for an outdoor dining and patio area.

The Director of Utilities and Engineering presents this request subject to following conditions:

1. The seating area must be sectioned off with a portable, yet stable barrier that does not exceed 4 feet in height.
2. The petitioner takes full responsibility for the design, construction, installation and maintenance of the barrier.
3. A 5 foot wide pedestrian walkway must be provided and maintained at all times.
4. The seating area must remain clean of debris and free of safety hazards.
5. The petitioner is responsible for damage to existing City infrastructure.

Please review this information and let me know you have any questions. Thank you.

MEMO

To: Mayor and City Council
From: Linda Moore
Date: May 5, 2022
Re: Police and Fire Pension Reports for FY ending April 30, 2022

Attached you will find the customary police and fire pension reports for the fiscal year, including receipts and disbursements. For the first time in many years, the receipts surpassed the expenses of each fund. This is due, in large part, to the PPRT received in Fiscal 2022.

I've included the estimated assets for each fund; however, since the consolidation to the Illinois Police Officers Pension Investment Fund and the Illinois Firefighters Pension Investment Fund, respectively, returns are not available for at least 45 days following the close of each month. The police fund returns are still not available despite a transfer date of March 1, 2022. Neither fund will meet the actuarial target for the fiscal year ending April 30, 2022.

We do have one piece of good news – we are holding enough cash in both checking accounts to allow the investment funds to generate returns for at least another year before we would need to draw down any funds for cash flow purposes. Over time, the hope is that these funds will once again surpass the actuarial target and produce returns similar to, or better than, the returns when both investment funds were held locally.

If you have any questions, please let me know.

Thank you.

CITY OF QUINCY, ILLINOIS

Proclamation
Official

WHEREAS, about every two and a half minutes, a person in the U.S. is diagnosed with lung cancer; and

WHEREAS, lung cancer is the leading cause of cancer deaths for women and men; and

WHEREAS, Lung cancer screening saves lives, and advocacy and increased awareness will result in more high-risk individuals getting screened.

WHEREAS, public support for research funding will result in new treatments and better methods of early detection; and

WHEREAS, LUNG FORCE is a national initiative led by the American Lung Association, to defeat lung cancer.

NOW, THEREFORE, I, Michael A. Troup, Mayor of the City of Quincy, on behalf of the City Council and the citizens of Quincy, do hereby proclaim the second week in May

TURQUOISE TAKEOVER WEEK

in the City of Quincy and I encourage citizens to learn more about lung cancer, risk factors, and early detection.

**IN TESTIMONY WHEREOF, I HAVE
HEREUNTO SET MY HAND AND CAUSED TO
BE AFFIXED THE SEAL OF THE CITY OF
QUINCY ON THIS 9TH DAY OF MAY IN THE
YEAR OF OUR LORD TWO THOUSAND TWENTY-TWO.**

MEMORANDUM

TO: Mayor and City Council

FROM: Chuck Bevelheimer

DATE: May 5, 2022

SUBJECT: City Resolution Authorizing Intergovernmental Agreement with Two Rivers Land Bank

Two Rivers Regional Council and Adams County established the Two Rivers Land Bank Authority. An aggressive land bank encourages responsible property owners to voluntarily convey their property to the land bank before the property becomes blighted or is abandoned. There is a greater likelihood that the land bank will be able to sell properties for redevelopment if they are obtained earlier in the process and are not allowed to deteriorate. This increases the potential for a boost in property tax revenue and reduces the blight and abandoned properties in some of Quincy's oldest neighborhoods.

Attached is a resolution authorizing the City of Quincy to provide \$150,000 to the Two Rivers Land Bank Authority for land bank activities within the City of Quincy. Also attached is an Intergovernmental Agreement between the City and the Land Bank Authority. The agreement specifies the possible activities, including the purchase of delinquent properties; the acceptance of property deeds; the repair, maintenance and/or demolition of derelict and abandoned properties; and other activities that improve and stabilize housing in the city's older neighborhoods.

Any questions please let me know.

**A RESOLUTION AUTHORIZING THE CITY TO ENTER INTO AN
INTERGOVERNMENTAL AGREEMENT WITH TWO RIVERS LAND
BANK AUTHORITY**

WHEREAS, Article VII, Section 10 of the Constitution of the State of Illinois authorizes and encourages units of local government to contract or otherwise associate among themselves to obtain or share services and to exercise, combine, or transfer any power or function; and

WHEREAS, the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*, authorizes cooperative arrangements between public agencies of the State of Illinois; and

WHEREAS, the City of Quincy, Adams County, Illinois (the "City") and Two Rivers Land Bank Authority (the "Land Bank") desire to enter into an "Intergovernmental Agreement" (the "Agreement") which is attached hereto.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and the City Council of the City of Quincy, Adams County, Illinois, as follows:

Section 1. The Agreement attached hereto is approved.

Section 2. For and on behalf of the City, the Mayor is hereby authorized to execute and deliver the Agreement and the City Clerk is hereby authorized to attest to the same.

Section 3. That the City Council authorizes \$50,000 from Fund 203 and \$100,000 from the General Fund be provided to the Two Rivers Land Bank Authority for land bank activities per the Agreement.

This Resolution shall be in full force and effect from and after its passage, as provided by law.

PASSED and APPROVED this day , 2022.

SIGNED:

Mike Troup Mayor

Laura Oakman, Clerk

INTERGOVERNMENTAL AGREEMENT

Between the Two Rivers Land Bank Authority and the City of Quincy for Demolition and Abandonment Actions Pursuant to the Illinois Municipal Code, 65 ILCS 5/11-31-1

THIS INTERGOVERNMENTAL AGREEMENT (“IGA”) is entered into between the Two Rivers Land Bank Authority (“TRLBA”) and the City of Quincy, an Illinois municipal corporation (“Municipality”) (collectively, “Parties”), and shall commence on the date that the last signatory executes this IGA (“Effective Date”).

Recitals

WHEREAS, Article VII, Section 10 of the Constitution of the State of Illinois authorizes and encourages units of local government to contract or otherwise associate among themselves to obtain or share services and to exercise, combine, or transfer any power or function; and

WHEREAS, the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*, authorizes cooperative arrangements between public agencies of the State of Illinois; and

WHEREAS, TRLBA is an intergovernmental agency formed by numerous Illinois municipalities, including the Municipality, to assist in the redevelopment and neighborhood stabilization efforts of its member municipalities; and

WHEREAS, TRLBA, through its counsel, works to acquire, manage, and repurpose vacant, abandoned, and tax delinquent properties within the Municipality and surrounding municipalities; and

WHEREAS, the Municipality is an Illinois municipal corporation authorized to demolish, repair, acquire, manage, and convey real property in order to abate nuisances and public health hazards and to facilitate the redevelopment and rehabilitation of vacant, abandoned, or tax delinquent properties; and

WHEREAS, Section 11-31-1 of the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*, authorizes the Municipality to take several actions regarding vacant, abandoned, or tax delinquent properties (“Work”), including to:

- petition the circuit court to have property declared abandoned, and thereafter petition for a judicial deed to property so declared (“Abandonment Proceedings”);
- petition the circuit court for an order of demolition, repair, enclosure, or cleanup, and thereafter lien for the costs of demolition, repair, enclosure, or clean up, and foreclose a lien (“Demolition Proceedings”); and
- pursue fast-track demolition actions, and thereafter lien for the costs incurred, and foreclose the lien (“Fast-Track Demolition”); and

WHEREAS, the Municipality and TRLBA seek to enter into this IGA to use Abandonment Proceedings, Demolition Proceedings, and Fast-Track Demolition to encourage economic redevelopment and rehabilitation of vacant, abandoned, and tax delinquent properties; and

WHEREAS, the Municipality and TRLBA recognize that it is in the best interests of the Municipality and TRLBA to enter into this Agreement for TRLBA to pursue Abandonment Proceedings, Demolition Proceedings, and Fast-Track Demolition on behalf of the Municipality; and

WHEREAS, the Municipality and TRLBA are authorized to execute this IGA by act(s) of their respective duly constituted governing bodies.

NOW, THEREFORE, the Parties set forth their mutual understandings as follows:

1. Incorporation of Recitals: The foregoing recitals are made a part of and incorporated into this IGA.

2. Funds provided by Municipality to TRLBA: The Municipality may provide funds to TRLBA to advance Work identified in this Agreement. Said funds shall be used by TRLBA on Work within the corporate limits of the City of Quincy. Should the Municipality need funds for its own Abandonment Proceedings, Demolition Proceedings, and Fast-Track Demolitions, the Municipality may request the return of unspent funds (i.e. funds that that TRLBA has not spent or committed to pay for ongoing work) from TRLBA.

3. Authority to Take Action Under 65 ILCS 5/11-31-1: The Municipality authorizes and engages TRLBA and its counsel to file and prosecute, on its behalf, the following:

- a. Petitions for a declaration of abandonment (pursuant to 65 ILCS 5/11-31-1(d));
- b. Petitions for an order of demolition, repair, enclosure, or cleanup (pursuant to 65 ILCS 5/11-31-1(a));
- c. Fast-track demolition actions (pursuant to 65 ILCS 5/11-31-1(e));
- d. Foreclosure of liens obtained under 65 ILCS 5/11-31-1 and other municipal nuisance abatement authority; and
- e. Any combination of these actions.

Such actions shall be referred to herein as "Petitions." Properties identified for such Petitions shall be identified in writing on **Exhibit A**, attached hereto, by the Municipal Contact, as defined herein, and agreed to, in writing, by the TRLBA Contact, as defined herein. The Parties' agreement may be via email. **Exhibit A** may be amended to include additional properties from time to time by written agreement, including by email, of the Parties' Contacts, as defined herein.

4. Costs of Petitions: TRLBA shall pay for all fees, including attorney's fees, and court costs, required to file and prosecute the Petitions filed under this Agreement. TRLBA, in TRLBA's sole discretion, can dismiss a Petition or refuse to file a Petition if TRLBA deems a Parcel ineligible for abandonment or for demolition, repair, enclosure, or cleanup.

5. Title to Parcels Acquired Through Abandonment Proceedings: In exchange for TRLBA paying the costs of Abandonment Proceedings, as described in paragraph 4, the

Municipality agrees that TRLBA shall be the Municipality's designated recipient of a judicial deed pursuant to 65 ILCS 5/11-31-1(d), for any actions initiated by the TRLBA. If, however, a judicial deed is issued to the Municipality instead of TRLBA as a result of a declaration of abandonment filed pursuant to this Agreement, the Municipality agrees to immediately convey fee simple title to the Parcel to TRLBA.

6. Demolition, Repair, Enclosure, or Cleanup Costs and Liens: Where TRLBA obtains a court order authorizing demolition, repair, enclosure, or clean up pursuant to a Demolition Proceeding filed pursuant to this Agreement, or obtains fast-track demolition authority, pursuant to a Fast-Track Demolition action pursued under this Agreement, TRLBA may perform the demolition, repair, enclosure, or clean up, and may pay for all costs of the demolition, repair, enclosure, or clean up. In exchange for TRLBA paying the costs of demolition, repair, enclosure, or clean up, the Municipality agrees that any associated liens for demolition, repair, enclosure, or clean up shall be in TRLBA's name or assigned to TRLBA. TRLBA may thereafter foreclose or otherwise enforce any liens held by TRLBA.

7. Management of Parcels Acquired: TRLBA shall manage and dispose of any Parcels acquired under this Agreement in accordance with the TRLBA by-laws and policies and in consultation with the Municipal Contact, as defined herein.

8. Proceeds of Future Sale: TRLBA shall be entitled to all proceeds from any future sale of any Parcel acquired by the TRLBA under this Agreement. TRLBA shall use the proceeds to further its mission in the corporate limits of the City of Quincy, Illinois.

9. Contacts: The Parties' contacts for implementation of this Agreement are as follows ("Contacts"):

10. Incorporation/Survival: This IGA sets forth the entire understanding of the Parties relative to the subject hereof and supersedes any and all prior agreements, expressed or implied, oral or written, with respect to the subject hereof. Changes, extensions, or modifications to this IGA shall only be made by mutual agreement between the Parties and shall be in writing. No term of this IGA may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by both Parties' Contacts. Any terms and conditions contained in this IGA that by their express terms, sense or context are intended to survive the termination or expiration of this IGA shall so survive.

11. Complete Agreement: All prior understandings and agreements between the Parties are merged into this Agreement which alone fully and completely expresses the Parties' agreement.

12. No Third-Party Beneficiaries: The covenants and agreements contained herein shall be binding upon and inure to the sole benefit of the Parties hereto, and their successors and assigns. Nothing herein, express or implied, is intended to or shall confer upon any other person, entity, company, or organization, any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this IGA.

13. Counterparts: This IGA may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, and any signatures to counterparts may be delivered by facsimile or other electronic transmission and shall have the same force and effect as original signatures.

14. Force and Effect; Termination: This Agreement shall be in force and effect as of the Effective Date and shall remain in effect thereafter until terminated by either Party. Either Party may terminate this IGA, for any reason, by the Contact providing thirty (30) days written notice of its intent to terminate to the other Contact. However, in the event Petitions are pending at the time notice of the termination is sent, the termination shall not be effective until the Parties agree, in writing, to a resolution for each pending Petition, including the costs associated with each pending Petition. A Petition is pending so long as a final order has not been entered in the circuit court and so long as the conveyance described in Paragraph 5, above, has not been completed.

RESOLUTION

WHEREAS, the City of Quincy has employees who are not affiliated with a union; and,

WHEREAS, the City of Quincy has a three (3) year contract with the International Association of Machinists Local No. 822 which grants its members with a 2.75% wage increase effective May 1, 2022; and,

WHEREAS, the Human Resources Manager, the Comptroller, and Director of Administrative Services recommend to the Mayor and City Council that non-union city employees be granted a similar wage increase this fiscal year.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Mayor and City Council that annual raises be given equivalent to Machinist union to all non-union employees in the amount of 2.75% effective May 1, 2022.

RESOLUTION

WHEREAS, the Department of Utilities and Engineering requires the purchase of fifteen (15) 6" gate valves to be installed on replacement 6" commercial water meters; and,

WHEREAS, Core & Main of Washington, Illinois has quoted a price of \$12,300.00 for the purchase of the gate valves; and,

WHEREAS, funding for this purchase is available in the 2022/2023 Water Fund fiscal year budget.

NOW, THEREFORE BE IT RESOLVED, that the Director of Utilities and Engineering and Utilities Committee recommend to the Mayor and Quincy City Council that normal bidding requirements be waived and the quote from Core & Main of Washington, Illinois in the amount of \$12,300.00 be accepted.

RESOLUTION

WHEREAS, the Department of Utilities and Engineering requested sealed competitive bids for the purchase of chemicals used for the treatment of drinking water at the Water Treatment Plant; and

WHEREAS, the following bids were received:

Liquid Ferric Chloride (3 month contract)

Kemira Water Solutions - Lawrence, KS	\$2.930 per gallon
PVS Technologies - Detroit, MI	\$1.890 per gallon

Pebble Lime (3 month contract)

Mississippi Lime - St. Louis, MO	\$255.62 per ton
----------------------------------	------------------

Liquid Carbon Dioxide (1 year contract)

Linde, Inc. – Burr Ridge, IL	\$350.00 per ton
------------------------------	------------------

Liquid Chlorine (1 year contract)

Brenntag Mid-South, Inc. - St. Louis, MO	\$2,260.00 per ton
Hawkins, Inc. - Roseville, MN	\$1,760.00 per ton

Liquid Sodium Hydroxide 30% (3 month contract)

Brenntag Mid-South, Inc. - St. Louis, MO	\$2.4400 per gallon
Univar USA - Kent, WA	\$1.6914 per gallon

Ammonium Sulfate, Anhydrous (3 month contract)

Brenntag Mid-South, Inc. - St. Louis, MO	\$1,412.00 per ton
Water Solutions Unlimited - Camby, IN	\$1,500.00 per ton
Univar USA - Kent, WA	\$ 960.00 per ton

WHEREAS, the Director of Utilities and Engineering has reviewed the bids and the following low bids are found to be acceptable:

Liquid Ferric Chloride	PVS Technologies, Inc.
Pebble Lime	Mississippi Lime Company
Liquid Carbon Dioxide	Linde, Inc.
Liquid Chlorine	Hawkins, Inc.
Liquid Sodium Hydroxide 30%	Univar USA
Ammonium Sulfate Anhydrous	Univar USA

WHEREAS, funding for these expenditures is available in the 2022/2023 Water Fund fiscal year budget.

NOW, THEREFORE BE IT RESOLVED, that the Director of Utilities and Engineering and Utilities Committee recommend to the Mayor and Quincy City Council that the low bids for water treatment chemicals be accepted and contracts be awarded to the low bidders.

RESOLUTION

WHEREAS, the City of Quincy is the owner and operator of the Quincy Regional Airport; and,

WHEREAS, the City of Quincy accepted and executed a grant with the Federal Aviation Administration and the State of Illinois Department of Transportation for engineering and planning services to rehabilitate runway 4/22, remove of runway 18/36, and realign taxiway B; and

WHEREAS, the City of Quincy wishes to enter into an agreement with the Federal Aviation Administration for construction oversight of FAA owned approach lights and navigational aids; and,

WHEREAS, the total contract cost is \$250,674.69; and,

WHEREAS, this project is to be 90% funded by the FAA's Airport Improvement Program, 5% by the State, and 5% by the City of Quincy; and,

WHEREAS, the City share of \$12,533.74 is included in the current fiscal year budget; and,

WHEREAS, the City of Quincy will act as the pass through for all the state and federal funds; and,

WHEREAS, invoices for this project will be sent to the City at various times for work completed and the invoices need to be paid in a timely manner to the appropriate vendors; now

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF QUINCY, IN ADAMS COUNTY, ILLINOIS, as follows:

1. The Aeronautics Committee and the Airport Director recommend that the Mayor and the City Clerk be authorized and directed to execute and attest, respectively all agreements and other standard documents associated with the awarding of this project and proceed with the project; and,
2. The Comptroller and the Airport Director recommend to the Mayor and City Council that the Comptroller and Airport Director be authorized to release the City share of the project; and,
3. The Comptroller and the Airport Director recommend to the Mayor and City Council that the Comptroller and Airport Director be authorized to pay pass through funding to all vendors involved in this project.

NON-FEDERAL REIMBURSABLE AGREEMENT

BETWEEN

**DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION**

AND

**CITY OF QUINCY
QUINCY REGIONAL AIRPORT
QUINCY, IL**

WHEREAS, the Federal Aviation Administration (FAA) can furnish directly or by contract, material, supplies, equipment, and services which the City of Quincy (Sponsor) requires, has funds available for, and has determined should be obtained from the FAA;

WHEREAS, it has been determined that competition with the private sector for provision of such material, supplies, equipment, and services is minimal; the proposed activity will advance the FAA's mission; and the FAA has a unique capability that will be of benefit to the Sponsor while helping to advance the FAA's mission;

NOW THEREFORE, the FAA and the Sponsor mutually agree as follows:

ARTICLE 1. Parties

The Parties to this Agreement are the FAA and City of Quincy.

ARTICLE 2. Type of Agreement

This Agreement is an "other transaction" authorized under 49 U.S.C. § 106(l)(6) and 31 U.S. Code § 6505 – Intergovernmental Cooperation Act. It is not intended to be, nor will it be construed as, a partnership, corporation, joint venture or other business organization.

ARTICLE 3. Scope

A. This Agreement provides funding for FAA services limited to labor, travel, and expenses required to perform technical and/or engineering support, design, and construction services to support the sponsor's reconstruction project on Runway (RWY) 4/22, RWY 13/31, and RWY 18/36 impacting the FAA NAS facilities including RWY 4 Precision Approach Path Indicator (PAPI), RWY 13 PAPI, RWY 22 PAPI, RWY 4 Medium Intensity Approach Light System with Runway Alignment Indicator Lights (MALSR), RWY 4 Localizer (LOC), RWY 4 Glideslope (GS), Automated Surface Observing System (ASOS), and any other FAA cabling and infrastructure. The FAA and Sponsor understand that the RWY 4 MALSR is eligible for replacement as a Target of Opportunity (TOO). A new MALSR will be provided to Sponsor at no cost. The Sponsor will install the new MALSR and dispose of the

existing MALSR as directed by the FAA. The scope of this Agreement supports technical consultation, site visits, feasibility assessments, project planning, scope definition, development of cost estimate(s), review of Sponsor provided design packages, development of FAA design packages, construction/installation oversight, modification, removal, and restoration required to address impacted FAA NAS facilities. The FAA and the Sponsor will enter into either an amendment of this agreement or a new agreement to cover the implementation of the project plans developed under this agreement FAA support may be affected by government shutdowns, pandemics, natural disasters or other items outside of FAA control. FAA engineer and technician onsite support will be coordinated in advance and scheduled in accordance with FAA travel restrictions. No construction work shall be performed involving FAA facilities, systems, and equipment during FAA maintenance moratorium periods, which will be provided by FAA. Waivers will not be approved during a FAA moratorium. Therefore, this Agreement is titled:

Quincy, IL (UIN) – FAA Support for the Runway Reconstruction Project at Quincy Regional Airport

B. The FAA will perform the following activities:

1. Provide all technical assistance necessary to ensure that the Sponsor's project meets FAA rules, regulations, orders, requirements, and standards.
2. Provide the design layout for new facilities to include footprint for relocated or new equipment, grounding plates, cable trays, lighting fixtures, and power raceways.
3. Provide all FAA standard drawings, specifications, and directives for use by the Sponsor in execution of the project.
4. Meet with the Sponsor as required to coordinate and discuss project planning and engineering.
5. Coordinate with the Airport Sponsor in order to ensure that National Environmental Policy Act (NEPA) documentation for the project incorporates associated FAA actions. Also ensure NEPA documentation meets FAA requirements and approvals.
6. Complete environmental due diligence, as applicable, for FAA F&E facilities with real property transaction(s) that are associated with this project.
7. Develop disposal plan for excessing FAA equipment impacted by Sponsor's project.
8. Ensure modifications to the Frequency Transmitting Authorizations are appropriately processed.
9. Provide engineering as required for FAA RE or installation TOR
10. Perform engineering design reviews of the Sponsor's plans and specifications in support of the Sponsor's construction project that affects FAA systems or equipment.

11. The FAA will require 21 calendar days for review of the 50% and 100% packages, and 60 calendar days for review of the 90% design plans submission. The Sponsor's design plans and specifications are not final until the FAA has notified the Sponsor that all of the FAA's comments, suggestions, and/or requirements have been incorporated into the design plans and specifications.
12. No work may begin that affects FAA facilities until the design plans and specifications are final.
13. Provide technical assistance to the Sponsor to enable the Sponsor to meet applicable FAA rules, regulations, orders, requirements, standards, and specifications during the construction phases of the project.
14. Locate and mark all FAA power and control cables in the area affected by the Sponsor's construction. Any excavation required for cable location confirmation will be executed by the Sponsor with FAA oversight.
15. Provide Resident Engineer (RE) oversight for the Sponsor's project impacting FAA facilities and buried cables, advise Sponsor regarding FAA requirements, and inspect infrastructure being accepted by the FAA. No work will be accepted unless performed under the oversight of the FAA RE. It is the RE's responsibility to protect the FAA's interests during the construction phases of the project which impact the FAA facilities, systems, equipment, and their infrastructure. In furtherance of his/her responsibilities, the FAA RE will:
 - a. Be the FAA's primary point of contact for the Sponsor during the project to ensure that all necessary information is coordinated with the appropriate FAA parties;
 - b. Ensure all reasonable efforts are made to minimize the impact to the FAA operations and existing facilities;
 - c. Notify the Sponsor and FAA personnel about any observed discrepancy and document significant discrepancies between the approved design plans and specifications and the actual work performed;
 - d. Notify the Sponsor of any failure of the work or materials to conform to the contract, the design plans and specifications, drawings, and any delays in the schedule;
 - e. Keep a construction diary and weekly status reports on the FAA facilities, systems, and equipment affected by the project;
 - f. Ensure compliance with all the FAA rules, regulations, orders, standards, requirements, and agreements;
 - g. Witness key events in the project such as, but not limited to, the placement of rebar and pouring of concrete, the splicing, connecting, and testing of all the FAA field cables, and the exothermic welding of grounding, bonding, and lightning protection connections:

The RE does NOT have authority to:

- a. Revoke, alter, or waive any requirement of the design plans and specifications, drawings, or the construction contract let by the Sponsor;
 - b. Act as the contractor's foreman or perform any other duties for the contractor;
 - c. Enter into or take part in any labor dispute between the Sponsor and its construction contractor;
 - d. Participate in, settle, or otherwise decide contractual matters in dispute between the Sponsor and its construction contractor:
16. A Technical Onsite Representative (TOR) will be available as necessary and available per Agency guidelines during installation, tune up, checkout, optimizing, and flight inspection activities of the project to inspect the installation and observe the establishment of FAA facilities per FAA Orders and specifications.
17. Provide access to impacted FAA facilities.
18. Execute the following activities for the listed FAA facilities and geographic area(s):
- a. In support of RWY 13 PAPI, ensure existing light stations are protected from damage during construction and regrading in and near PAPI area;
 - b. In support of RWY 22 PAPI, ensure existing light stations are protected from damage during construction and regrading in and near PAPI area;
 - c. In support of RWY 4 LOC/GS, coordinate and participate in flight inspection activities. Flight inspection is due to the grading in the Instrument Landing System (ILS) image-forming area:

C. The Sponsor will perform the following activities:

1. Provide funding for all activities outlined in this Agreement.
2. Perform all appropriate surveys and engineering design for the Sponsor's project impacting FAA facilities, equipment and infrastructure. The performance of these activities will include RWY 4 PAPI, RWY 13 PAPI, RWY 22 PAPI, RWY 4 MALSR, RWY 4 LOC, RWY 4 GS, ASOS, and any other FAA cabling and infrastructure.
3. Develop the plans and specifications for the construction of the facilities and the space for FAA equipment, with FAA's participation and approval. The Sponsor shall coordinate any interruptions or changes that may have an impact to FAA facilities, systems, and equipment necessitated by the

Sponsor's project. Scope of work includes, but is not limited to: RWY 4 PAPI, RWY 13 PAPI, RWY 22 PAPI, RWY 4 MALSR, RWY 4 LOC, RWY 4 GS, ASOS, and any other FAA cabling and infrastructure.

4. Provide the FAA copies of the proposed grading plan showing the contours and site-grading profile information and all critical areas for navigation, surveillance and weather systems, such as ILS signal-forming areas, for use during facility siting evaluation. Once facilities have been sighted in accordance with FAA siting criteria and specifications, the sponsor will provide finished grading plans (including the latitude/longitude coordinates of centerline points and elevations to within 3 inches of final grade) 18 months prior to the expected return to service of final locations.
5. Provide a schedule of engineering deliverables when the design packages will be available for FAA review. The FAA will require 21 calendar days for review of the 50% and 100% packages, and 60 calendar days for review of the 90% design plans submission.
6. Provide funding for any mandatory upgrades or modifications to any FAA facility impacted by the Sponsor's project. An example of a required modification is safety-related improvements when a facility is "grandfathered" (i.e., allowed to operate under the original design but required to be compliant with current standards).
7. Coordinate schedule and construction sequencing plan with the FAA Chicago Construction/Installation Center before finalizing the plan to ensure that the Sponsor and FAA are in agreement on the critical path, schedule, and milestones. This should be done during the project design phase, before construction contract award. In addition, provide a schedule within 30 days of the effective date of this Agreement, and updated monthly (or as soon as changes occur), including the following tasks:
 - a. Construction bid;
 - b. Construction award;
 - c. Construction start;
 - d. Construction complete;
 - e. Overall construction sequencing schedule, to include FAA facilities;
 - f. Runway/Taxiway service available dates;
 - g. Dates when FAA is assume ownership for work on buried infrastructure;
 - h. Each NAVAIDS shelter's Beneficial Occupancy Date (BOD) including when electrical power will be available;
 - i. Dates when flight checks of each FAA-owned NAVAIDS are required;
 - j. Date when ILS critical areas and image forming areas will be graded to within 3" of final grade:

8. Provide to the FAA for review at the 50%, 90%, and 100% stage in electronic and hard copy format (eight (8) sets of 11” x 17” (½ size) and four (4) sets of full American National Standards Institute (ANSI) size “D” drawings and two (2) sets of the specifications). Confirm quantities and recipient information with the FAA before distribution. At the 100% design phase, provide the FAA with pdf, hard copy (eight (8) sets of 11” x 17” (½ size) and four (4) sets of full American National Standards Institute (ANSI) size “D” of the drawings and twelve (12) sets of the specifications) and at least one electronic copy using “MicroStation” or “AutoCAD” of the complete and finalized design drawings and specifications. Confirm quantities and recipient information with the FAA before distribution. The electronic drawings will include all libraries necessary to generate the drawings. Within 21 calendar days of receipt of the FAA’s comments, or within such other period as the parties may agree, the Sponsor will provide to the FAA Chicago NAVAIDS Engineering Center, a written response to each of the FAA’s comments, suggestions, and requirements. The 100% design plans and specifications are not final until the FAA Chicago NAVAIDS Engineering Center, has notified the Sponsor that all of the FAA’s comments, suggestions, and requirements have been incorporated into the design plans and specifications.
9. Provide to the FAA final project plans and specifications that incorporate the FAA’s comments from the 100% engineering review no later than 21 calendar days after FAA approval of the 100% drawings. The complete/finalized project drawings and plans and specifications shall be sent to the Engineering Services address listed in this section.
10. Complete the contract, construction bid, and award process for the construction phase of the project using approved FAA plans and specifications for FAA impacted facilities. The project’s scope of work will include but not be limited to all plot site preparation work (e.g., trenching, grading, filling, foundations, demolition) and the installation of all necessary equipment and associated infrastructure. Sponsor will not bid the portion of work that includes the FAA equipment and cabling until the FAA has agreed that all of the drawings and specifications are final. No construction associated with this project that affect FAA facilities or equipment may begin prior to receipt of the foregoing FAA design approval. Furthermore, the Sponsor shall advise the FAA immediately of any proposed changes to the “approved” design plans and specifications before and during the projects construction. Before starting any construction, provide the construction package to FAA Engineering Services:

FAA NavAids Engineering Center, AJW-2C14A
ATTN: Luis N. Dominguez, Manager
FAA Great Lakes Regional Office
2300 East Devon Ave., room 450
Des Plaines, IL 60018
Phone: 847-294-7669
Email: Luis.N.Dominguez@faa.gov

11. Provide any information on hazardous materials or other environmental conditions that may impact the FAA relocated facilities. This information includes, but is not limited to, previous and current studies/reports conducted on known or suspected areas of environmental contamination located on or adjacent to airport property. The Sponsor agrees to remediate, at its sole cost, all hazardous substance contamination found to impact the proposed FAA facility sites prior to construction and modification to the land rights MOA. In the event that contaminants are discovered on future FAA equipment areas during the course of the FAA's environmental due diligence documentation process, the FAA will require that those areas be remediated. Should this occur, the FAA would coordinate further details with the Sponsor.
12. Submit FAA Form 6000-26 Airport Sponsor Strategic Event Submission Form (Outage Request Form) no-less-than 45 calendar days prior (preferably 60 calendar days) to the start of construction that will impact NAS facilities, result in a full or partial runway closure, or result in a significant taxiway closure. This form is available on the OE/AAA website under the Forms section. This form may also be used to notify the FAA of any changes to the project schedule.
13. Provide a copy of the submitted FAA Form 6000-26 to the FAA ES POC outlined in this section.
14. Sponsor shall work with the FAA Airports Region/District Office and submit NRA or NR airspace cases for temporary and permanent locations of all buildings and equipment to be placed on the airfield as well as required Airspace cases showing information regarding construction vehicles and equipment during each phase of the project to include all trenching operation locations, truck routes, contractor staging areas, cranes, etc. Sponsor shall respond to all NR/NRA case reviewer questions and comply with all reviewer comments. A “determination letter” must be received and reviewed by the FAA ADO before any construction can begin. Airspace cases can be submitted online via <https://oeaaa.faa.gov/>
15. Provide funding for all activities outlined in this Agreement.
16. Provide the following detailed schedules:
 - a. Construction – The sponsor will provide a detailed schedule of all activities involving FAA impacts no later than 60 calendar days prior to commencing construction. The activities will be delineated by location and phases of construction. Construction requiring FAA oversight shall be phased in such a manner that there are no gaps, which would require multiple return trips. If such gaps are necessary, the FAA reserves the right to renegotiate the agreement;
 - b. Work Schedule – The sponsor will provide a detailed schedule that includes the number of crews, their location and the number of shifts that will be utilized no later than 60 calendar days prior to construction. Update schedule bi-weekly or as soon as changes occur:

17. Facilitate, document, and mitigate issues identified by the FAA in a timely manner in an effort to align with scheduling of FAA or its contracted onsite presence.
18. Verify marked FAA power and control cables by hand digging, or hydro excavation, at multiple locations in the construction zone to establish the depth and routing of FAA cables. Replace FAA power and control cables for FAA facilities, systems, and equipment impacted by the project activities in accordance with applicable FAA rules, regulations, orders, requirements, and standards.
19. In the case of a cut cable, the sponsor will replace the damaged cable between termination points. The FAA will participate in a joint inspection of the repaired cable in each hand hole/man hole for proper racking and tags, as well as grounding and terminations.
20. Provide copies of all critical shop drawings, as required.
21. Provide all appropriate documentation on make/models numbers and manuals on all systems installed as required.
22. Notify and coordinate with the FAA all requests to shut down any FAA navigation facilities, systems, or equipment no-less-than 45 calendar days prior to the start of construction. A construction schedule must accompany any request for the shutdown of any FAA navigation facility, system, or equipment. There may be times when a request for shutdown of a facility will not be granted due to air traffic operations. A request to shut down a specific FAA navigation facility, system, or equipment is not automatically associated with the shutdown of any other runway, threshold displacement, or pavement or grading work.

Note: No construction work shall be performed during FAA maintenance moratorium periods, which will be provided by FAA.

23. Notify the FAA Chicago Construction/Installation Center at least 60 calendar days in advance of when FAA construction oversight services are required. An RE will be required when any construction associated with or on FAA facilities, systems, or equipment or the infrastructure associated with the foregoing takes place. The presence or absence of an FAA RE does not relieve the Sponsor or its contractor from any requirement contained in this Agreement, nor is the RE authorized to change any term or condition of the Agreement without the FAA Contracting Officer's written authorization. **No work will be accepted unless performed under the oversight of the FAA RE.**
24. For any items corrected by the Sponsor's contractor, the Sponsor will be responsible for payment to the contractor.
25. For any items completed by the FAA, the Sponsor will pay the FAA in advance.
26. Provide the FAA unencumbered access to all site areas impacting FAA facilities.

27. Per FAA Advisory Circular 150/5370-12B, the sponsor must provide and maintain competent technical supervision at the construction site throughout the project to ensure the work conforms to the plans, specifications, and schedules approved by the FAA for the project. Refer to AIP grant Assurance No. 17, *Construction Inspection and Approval*. The sponsor must provide adequate construction quality assurance inspection for all stages of work. This includes adequate documentation of the quality assurance results and reporting on the contractor's work progress. All work is subject to FAA inspection at all places and at all reasonable times before acceptance.
28. Ensure that no other activities or projects at the Airport, scheduled or otherwise, interfere with the FAA's acceptance testing or other scheduled activities.
29. Participate in any and all Contractor Acceptance Inspection(s) (CAI) and Joint Acceptance Inspections (JAI) of all FAA impacted facilities at the end of construction for the purpose of identifying any deficiencies or corrections required, otherwise noted as exceptions. The FAA will conduct a JAI prior to the commissioning and return-to-service of any FAA system. Exceptions noted will be remedied by the sponsor no later than 60 calendar days after the CAI/JAI. If exceptions are not corrected within 60 calendar days of the CAI/JAI, the FAA will clear the remaining exceptions and charge the cost to the sponsor through the reimbursable agreement. All exceptions must be cleared or otherwise resolved before the agreement can be closed out.
30. Establish or modify electrical service for any FAA facilities, equipment and systems incorporated in this project and pay for any one-time costs incurred. Also, the Sponsor shall pay any recurring utility charges until the project is completed and accepted by the FAA. The Sponsor must notify the FAA at the end of the project and provide the following essential information, so that FAA can initiate the transfer of the electrical service account:
 - a. Name, address, and phone number of local electrical service supplier;
 - b. Service address, meter number, and account number;
 - c. Any related information such as service type, estimated energy consumption, and copies of monthly billing charges:
31. Provide the FAA three sets of ANSI size "D" of "As-Built" drawings of the construction phase in hard copy format and one set in electronic file, using Micro Station or AutoCAD format. The electronic file shall include all the accompanying library files needed to generate a complete set of drawings. If the Sponsor does not provide the "As-Built" drawings within 60 calendar days of completion of the project, as required by this Agreement, the FAA will complete the "As-Built" drawings and bill the Sponsor. The As-Built drawings must show what was actually built, not just the proposed construction.

D. This agreement is in whole or in part funded with funding from an AIP grant Yes
 No. If Yes, the grant date is: TBD and the grant number is: TBD .

If the grant information is not available at the time of agreement execution, the Sponsor will provide the grant information to the FAA when it becomes available.

ARTICLE 4. Points of Contact

A. FAA:

1. The FAA Central Service Area, Planning and Requirements will provide administrative oversight of this Agreement. Brad Urey is the Lead Planner and liaison with the Sponsor and can be reached at (817) 222-4029 or via email at Brad.Urey@faa.gov. This liaison is not authorized to make any commitment, or otherwise obligate the FAA, or authorize any changes which affect the estimated cost, period of performance, or other terms and conditions of this Agreement.
2. The FAA Chicago NAVAIDS Engineering Center will perform the scope of work included in this Agreement. Luis Dominguez is the Chicago Nav aids Engineering Center Manager and liaison with the Sponsor and can be reached at (847) 294-7669 or via email at Luis.N.Dominguez@faa.gov. This liaison is not authorized to make any commitment, or otherwise obligate the FAA, or authorize any changes which affect the estimated cost, period of performance, or other terms and conditions of this Agreement.
3. The FAA Chicago Construction/Installation Center will perform the scope of work included in this Agreement. Michael Pransky is the Manager of Chicago NAVAIDS Construction/Installation and liaison with the Sponsor and can be reached at 847-294-7620 or via email at Michael.S.Pransky@faa.gov. This liaison is not authorized to make any commitment, or otherwise obligate the FAA, or authorize any changes which affect the estimated cost, period of performance, or other terms and conditions of this Agreement.
4. The execution, amendment, and administration of this Agreement must be authorized and accomplished by the Contracting Officer, Bradley K. Logan who can be reached at (817) 222-4395 or via email at Brad.Logan@faa.gov.

B. Sponsor:

City of Quincy
Gabriel Hanafin
1645 Hwy 104
Quincy, IL 62305
Phone: (217) 885-3285
Email: ghanafin@quincyl.gov

ARTICLE 5. Non-Interference with Operations

The Sponsor understands and hereby agrees that any relocation, replacement, or modification of any existing or future FAA facility, system, and/or equipment covered by this Agreement during its term or any renewal thereof made necessary by Sponsor

improvements, changes, or other actions which in the FAA's opinion interfere with the technical and/or operations characteristics of an FAA facility, system, and/or piece of equipment will be at the expense of the Sponsor, except when such improvements or changes are made at the written request of the FAA. In the event such relocations, replacements, or modifications are necessitated due to causes not attributable to either the Sponsor or the FAA, the parties will determine funding responsibility.

ARTICLE 6. Property Transfer

- A. To the extent that the Sponsor provides any material associated with the Project, and to the extent that performance of the requirements of this Project results in the creation of assets constructed, emplaced, or installed by the Sponsor, all such material (buildings, equipment, systems, components, cable enclosures, etc.) and assets will be transferred to and become the property of the FAA upon project completion. For purposes of this Article 6, "project completion" means that FAA has inspected the specific equipment or construction, and has accepted it as substantially complete and ready for use. The creation of an additional agreement will not be required, unless such other agreement is required by the laws of the state in which the subject property is located. The Sponsor and FAA acknowledge by execution of this agreement the FAA will accept the fundamental responsibilities of ownership by assuming all operations and maintenance requirements for all property transferred to the FAA. The transfer of asset(s) will occur on the date the asset(s) is placed in service. It has been determined the subject transfer(s) to FAA is in the best interest of both the Sponsor and FAA.

- B. In order to ensure that the assets and materials subject to this Article remain fully accounted-for and operational, the Sponsor will provide the FAA any additional documents and publications that will enhance the FAA's ability to manage, maintain and track the assets being transferred. Examples may include, but are not limited to, operator manuals, maintenance publications, warranties, inspection reports, etc. These documents will be considered required hand-off items upon Project completion.

ARTICLE 7. Estimated Costs

The estimated FAA costs associated with this Agreement are as follows:

DESCRIPTION OF REIMBURSABLE ITEM	ESTIMATED COST

Non-Labor Subtotal	\$48,558.54
Non-Labor Overhead	\$3,884.68
Total Non-Labor	\$52,443.22
TOTAL ESTIMATED COST	\$250,674.69

ARTICLE 8. Period of Agreement and Effective Date

The effective date of this Agreement is the date of the last signature. This Agreement is considered complete when the final invoice is provided to the Sponsor and a refund is sent or payment is received as provided for in Article 9 of this Agreement. This Agreement will not extend more than five years beyond its effective date.

ARTICLE 9. Reimbursement and Accounting Arrangements

- A. The Sponsor agrees to prepay the entire estimated cost of the Agreement. The Sponsor will send a copy of the executed Agreement and submit full advance payment in the amount stated in Article 7 to the Reimbursable Receipts Team listed in Section C of this Article. The advance payment will be held as a non-interest bearing deposit. Such advance payment by the Sponsor must be received before the FAA incurs any obligation to implement this Agreement. Upon completion of this Agreement, the final costs will be netted against the advance payment and, as

appropriate, a refund or final bill will be sent to the sponsor. Per U.S. Treasury guidelines, refunds under \$1.00 will not be processed. Additionally, FAA will not bill the sponsor for amounts less than \$1.00.

- B. The Sponsor certifies that arrangements for sufficient funding have been made to cover the estimated costs of the Agreement.
- C. The Reimbursable Receipts team is identified by the FAA as the billing office for this Agreement. The preferred method of payment for this agreement is via Pay.Gov. The sponsor can use a check or credit card to provide funding in this manner and receipt-processing time is typically within 3 working days. Alternatively, the sponsor can mail the payment to the address shown below. When submitting funding by mail, the Sponsor must include a copy of the executed Agreement and the full advance payment. All payments mailed to the FAA must include the Agreement number, Agreement name, Sponsor name, and project location. Payments submitted by mail are subject to receipt-processing delay of up to 10 working days.

FAA payment remittance address using USPS or overnight method is:

Federal Aviation Administration
Reimbursable Receipts Team
800 Independence Ave S.W.
Attn: Rm 612A
Washington D.C. 20591
Telephone: (202) 267-1307

The Sponsor hereby identifies the office to which the FAA will render bills for the project costs incurred as:

City of Quincy
Attn: Gabriel Hanafin
1645 Hwy 104
Quincy, IL 62305
Phone: (217) 885-3285
Email: ghanafin@quincyl.gov

- D. The FAA will provide a quarterly Statement of Account of costs incurred against the advance payment.
- E. The cost estimates contained in Article 7 are expected to be the maximum costs associated with this Agreement, but may be amended to recover the FAA's actual costs. If during the course of this Agreement actual costs are expected to exceed the estimated costs, the FAA will notify the Sponsor immediately. The FAA will also provide the Sponsor an amendment to the Agreement which includes the FAA's additional costs. The Sponsor agrees to prepay the entire estimated cost of the amendment. The Sponsor will send a copy of the executed amendment to the Agreement to the Reimbursable Receipts Team with the additional advance payment. Work identified in the amendment cannot start until receipt of the additional advance

payment. In addition, in the event that a contractor performing work pursuant to the scope of this Agreement brings a claim against the FAA and the FAA incurs additional costs as a result of the claim, the Sponsor agrees to reimburse the FAA for the additional costs incurred whether or not a final bill or a refund has been sent.

ARTICLE 10. Changes and Amendments

Changes and/or amendments to this Agreement will be formalized by a written amendment that will outline in detail the exact nature of the change. Any amendment to this Agreement will be executed in writing and signed by the authorized representative of each party. The parties signing this Agreement and any subsequent amendment(s) represent that each has the authority to execute the same on behalf of their respective organizations. No oral statement by any person will be interpreted as amending or otherwise affecting the terms of the Agreement. Any party to this Agreement may request that it be amended, whereupon the parties will consult to consider such amendments.

ARTICLE 11. Termination

In addition to any other termination rights provided by this Agreement, either party may terminate this Agreement at any time prior to its expiration date, with or without cause, and without incurring any liability or obligation to the terminated party other than payment of amounts due and owing and performance of obligations accrued, in each case on or prior to the termination date, by giving the other party at least thirty (30) days prior written notice of termination. Payment of amounts due and owing may include all costs reimbursable under this Agreement, not previously paid, for the performance of this Agreement before the effective date of the termination; the total cost of terminating and settling contracts entered into by the FAA for the purpose of this Agreement; and any other costs necessary to terminate this Agreement. Upon receipt of a notice of termination, the receiving party will take immediate steps to stop the accrual of any additional obligations which might require payment. All funds due after termination will be netted against the advance payment and, as appropriate, a refund or bill will be issued.

ARTICLE 12. Order of Precedence

If attachments are included in this Agreement and in the event of any inconsistency between the attachments and the terms of this Agreement, the inconsistency will be resolved by giving preference in the following order:

- A. This Agreement
- B. The attachments

ARTICLE 13. Legal Authority

This Agreement is entered into under one or more of the following authorities; 49 U.S.C. § 106(l), 31 U.S. Code 6505 Intergovernmental Cooperation Act. Each of which authorizes the Administrator of the FAA to enter into and perform such contracts, leases,

cooperative agreements and other transactions as may be necessary to carry out the functions of the Administrator and the Administration on such terms and conditions as the Administrator may consider appropriate. Nothing in this Agreement will be construed as incorporating by reference or implication any provision of Federal acquisition law or regulation.

ARTICLE 14. Disputes

Where possible, disputes will be resolved by informal discussion between the parties. In the event the parties are unable to resolve any dispute through good faith negotiations, the dispute will be resolved by alternative dispute resolution using a method to be agreed upon by the parties. The outcome of the alternative dispute resolution will be final unless it is timely appealed to the Administrator, whose decision is not subject to further administrative review and, to the extent permitted by law, is final and binding (see 49 U.S.C. § 46110).

ARTICLE 15. Warranties

The FAA makes no express or implied warranties as to any matter arising under this Agreement, or as to the ownership, merchantability, or fitness for a particular purpose of any property, including any equipment, device, or software that may be provided under this Agreement.

ARTICLE 16. Insurance

The Sponsor will arrange by insurance or otherwise for the full protection of itself from and against all liability to third parties arising out of, or related to, its performance of this Agreement. The FAA assumes no liability under this Agreement for any losses arising out of any action or inaction by the Sponsor, its employees, or contractors, or any third party acting on its behalf.

ARTICLE 17. Limitation of Liability

To the extent permitted by law, the Sponsor agrees to indemnify and hold harmless the FAA, its officers, agents and employees from all causes of action, suits or claims arising out of the work performed under this Agreement. However, to the extent that such claim is determined to have arisen from the act or omission by an officer, agent, or employee of the FAA acting within the scope of his or her employment, this hold harmless obligation will not apply and the provisions of the Federal Tort Claims Act, 28 U.S.C. § 2671, et seq., will control. The FAA assumes no liability for any losses arising out of any action or inaction by the Sponsor, its employees, or contractors, or any third party acting on its behalf. In no event will the FAA be liable for claims for consequential, punitive, special and incidental damages, claims for lost profits, or other indirect damages.

ARTICLE 18. Civil Rights Act

The Sponsor will comply with Title VI of the Civil Rights Act of 1964 relating to nondiscrimination in federally assisted programs.

ARTICLE 19. Protection of Information

The parties agree that they will take appropriate measures to identify and protect proprietary, privileged, or otherwise confidential information that may come into their possession as a result of this Agreement.

ARTICLE 20. Security

In the event that the security office determines that the security requirements under FAA Order 1600.72A applies to work under this Agreement, the FAA is responsible for ensuring that security requirements, including compliance with AMS clause 3.14.2.1, Contractor Personnel Suitability Requirements are met.

ARTICLE 21. “Reserved”

ARTICLE 22. Entire Agreement

This document is the entire Agreement of the parties, who accept the terms of this Agreement as shown by their signatures below. In the event the parties duly execute any amendment to this Agreement, the terms of such amendment will supersede the terms of this Agreement to the extent of any inconsistency. Each party acknowledges participation in the negotiations and drafting of this Agreement and any amendments thereto, and, accordingly that this Agreement will not be construed more stringently against one party than against the other. If this Agreement is not executed by the Sponsor within 120 calendar days after the FAA transmits it to the Sponsor, the terms contained and set forth in this Agreement shall be null and void. Additionally, the FAA expects this agreement to be funded within 120 days of execution, if funding is not received by that date; the FAA may exercise the right to renegotiate estimated costs.

**CONTRACTORS ADDITIONAL INSURED - AUTOMATIC STATUS
AND AUTOMATIC WAIVER OF SUBROGATION
WHEN REQUIRED IN WRITTEN CONTRACT, AGREEMENT,
PERMIT OR AUTHORIZATION**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Additional Insured - Owners, Lessees Or Contractors - Automatic Status For Other Parties When Required In Written Contract Or Agreement With You

1. **Section II - Who Is An Insured** is amended to include as an additional insured any person or organization you have agreed in writing in a contract or agreement to add as an additional insured on this Coverage Part. Such person(s) or organization(s) is an additional insured only with respect to liability for:

a. "Bodily injury", "property damage" or "personal and advertising injury" *caused, in whole or in part, by the performance of your ongoing operations by you or on your behalf, under that written contract or written agreement. Ongoing operations does not apply to "bodily injury" or "property damage" occurring after:*

(1) All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

(2) That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project; and

b. "Bodily injury" or "property damage" *caused, in whole or in part, by "your work" performed under that written contract or written agreement and in*

cluded in the "products-completed operations hazard", but only if:

(1) The Coverage Part to which this endorsement is attached provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard"; and

(2) The written contract or written agreement requires you to provide additional insured coverage included within the "products-completed operations hazard" for that person or organization.

If the written contract or written agreement requires you to provide additional insured coverage included within the "products-completed operations hazard" for a specified length of time for that person or organization, the "bodily injury" or "property damage" must occur prior to the expiration of that period of time in order for this insurance to apply.

If the written contract or written agreement requires you to provide additional insured coverage for a person or organization per only ISO additional insured endorsement form number **CG 20 10**, without specifying an edition date, and without specifically requiring additional insured coverage included within the "products-completed operations hazard", this Paragraph **b.** does not apply to that person or organization.

2. If the written contract or written agreement described in Paragraph 1. above specifically requires you to provide additional insured coverage to that person or organization:

a. *Arising out of your ongoing operations or arising out of "your work"; or*

- b. By way of an edition of an ISO additional insured endorsement that includes *arising out of* your ongoing operations or *arising out of* "your work";

then the phrase *caused, in whole or in part, by* in Paragraph A.1.a. and/or Paragraph A.1.b. above, whichever applies, is replaced by the phrase *arising out of*.

- 3. With respect to the insurance afforded to the additional insureds described in Paragraph A.1., the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

- a. The preparing, approving or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
- b. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of, or the failure to render, any professional architectural, engineering or surveying services.

- 4. This Paragraph A. does not apply to additional insureds described in Paragraph B.

B. Additional Insured - State Or Governmental Agency Or Subdivision Or Political Subdivision - Automatic Status When Required In Written Permits Or Authorizations

- 1. **Section II - Who Is An Insured** is amended to include as an additional insured any state or governmental agency or subdivision or political subdivision you have agreed in writing in a contract, agreement, permit or authorization to add as an additional insured on this Coverage Part. Such state or governmental agency or subdivision or political subdivision is an additional insured only with respect to operations performed by you or on your behalf for which the state or governmental agency or subdivision or political subdivision issued, in writing, a contract, agreement, permit or authorization.

- 2. With respect to the insurance afforded to the additional insureds described in Paragraph B.1., the following additional exclusions apply:

This insurance does not apply to:

- a. "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the federal government, state or municipality; or
- b. "Bodily injury" or "property damage" included within the "products-completed operations hazard."

- C. The insurance afforded to additional insureds described in Paragraphs A. and B.:

- 1. Only applies to the extent permitted by law; and
- 2. Will not be broader than that which you are required by the written contract, written agreement, written permit or written authorization to provide for such additional insured; and
- 3. Does not apply to any person, organization, state, governmental agency or subdivision or political subdivision specifically named as an additional insured for the same project in the schedule of an endorsement added to this Coverage Part.

- D. With respect to the insurance afforded to the additional insureds described in Paragraphs A. and B., the following is added to **Section III - Limits Of Insurance**:

The most we will pay on behalf of the additional insured is the amount of insurance:

- 1. Required by the written contract, written agreement, written permit or written authorization described in Paragraphs A. and B.; or
- 2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

- E. **Section IV - Commercial General Liability Conditions** is amended to add the following:

Automatic Additional Insured Provision

This insurance applies only if the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" offense is committed:

- 1. During the policy period; and

2. Subsequent to your execution of the written contract or written agreement, or the issuance of a written permit or written authorization, described in Paragraphs A. and B.

- F. Except when G. below applies, the following is added to **Section IV - Commercial General Liability Conditions, 5. Other Insurance**, and supersedes any provision to the contrary:

When Other Additional Insured Coverage Applies On An Excess Basis

This insurance is primary to other insurance available to the additional insured described in Paragraphs A. and B. except:

1. As otherwise provided in **Section IV - Commercial General Liability Conditions, 5. Other Insurance, b. Excess Insurance**; or
2. For any other valid and collectible insurance available to the additional insured as an additional insured by attachment of an endorsement to another insurance policy that is written on an excess basis. In such case, this insurance is also excess.

- G. The following is added to **Section IV - Commercial General Liability Conditions, 5. Other Insurance**, and supersedes any provision to the contrary:

Primary Insurance When Required By Written Contract, Agreement, Permit Or Authorization

Except when wrap-up insurance applies to the claim or "suit" on behalf of the additional insured, this insurance is primary to any other insurance available to the additional insured described in Paragraphs A. and B. provided that:

1. The additional insured is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract, agreement, permit or authorization described in Paragraph A. or B. that this insurance would be primary to any other insurance available to the additional insured.

As used in this endorsement, wrap-up insurance means any insurance provided by a consolidated (wrap-up) insurance program.

Primary And Noncontributory Insurance When Required By Written Contract, Agreement, Permit Or Authorization

Except when wrap-up insurance applies to the claim or "suit" on behalf of the additional insured, this insurance is primary to and will not seek contribution from any other insurance available to the additional insured described in Paragraphs A. and B. provided that:

1. The additional insured is a Named Insured under such other insurance; and
2. You have agreed in writing in a contract, agreement, permit or authorization described in Paragraph A. or B. that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

As used in this endorsement, wrap-up insurance means any insurance provided by a consolidated (wrap-up) insurance program.

- H. **Section IV - Commercial General Liability Conditions, 9. Transfer Of Rights Of Recovery Against Others To Us** is amended by the addition of the following:

We waive any right of recovery we may have against any additional insured under this endorsement against whom you have agreed to waive such right of recovery in a written contract, written agreement, written permit or written authorization because of payments we make for injury or damage arising out of your ongoing operations or "your work" done under a written contract, written agreement, written permit or written authorization. However, our rights may only be waived prior to the "occurrence" giving rise to the injury or damage for which we make payment under this Coverage Part. The insured must do nothing after a loss to impair our rights. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce those rights.

Scully Announces New Five Year Sensor Warranty

Scully Signal Company, a leader in fluid detection and delivery systems, has announced a new five year warranty on overfill prevention sensors for fixed tank trailer and storage tank applications.

Scully five-wire, two-wire and thermistor overfill prevention sensors have the longest running safety record in the industry and are designed to withstand extreme road, temperature and weather conditions. They are manufactured in Scully's U.S. factory to very strict quality and safety standards. When used in conjunction with Scully onboard overfill prevention and retained product monitors as well as Scully loading rack or storage tank control monitors, Scully circuitry checks the system and sensors 30 times per second to detect a fault and prevent spills.

For more information on Scully's new warranty or choosing the correct sensor for your application please go to www.scully.com or contact:

==== Controlling Fills & Eliminating Spills ————— 

SCULLY SIGNAL COMPANY ELECTRONIC EQUIPMENT WARRANTY

Scully warrants Scully electronic equipment manufactured by Scully Signal Company ("Scully") to be free from defects in materials and workmanship under normal use and service for a period of three years from the date of sale from Scully. Peripheral equipment such as all cables, batteries, bulbs, plugs and plug inserts, manufactured by Scully is warranted for a period of ninety (90) days from date of installation. All equipment returned to Scully that has a manufacturing date code that exceeds the warranty period must be accompanied by an invoice or work order that states the date purchased and date of installation. Under these warranties, Scully shall be responsible only for actual loss or damage suffered and then only to the extent of Scully's invoiced price of the product. Scully shall not be liable in any case for the removal and/or reinstallation of defective Scully equipment. These warranties shall not apply to any defects or other damages to any Scully equipment caused by misuse or negligence, and this warranty shall not apply to any Scully equipment that has been altered or tampered with by anyone other than Scully factory representatives. In all cases, Scully will warrant only Scully products which are being used for applications acceptable to Scully and within the technical specifications of the particular product. In addition, Scully will warrant only those electronic products which have been installed and maintained according to Scully factory specifications.

These warranties are the only warranties, expressed or implied, upon which products are sold by Scully and Scully makes no warranty of merchantability or fitness for any particular purpose in respect to the products sold. Scully products or parts thereof assumed to be defective by the purchaser within the stipulated warranty period should be returned to the seller, local distributor, or directly to Scully for evaluation and service. Whenever direct factory evaluation, service or replacement is necessary, the customer must first, by either letter, fax, email, or phone, obtain a Returned Material Authorization (RMA) from Scully Company directly. No material may be returned without a RMA number assigned to it or without proper factory authorization. Any returns must be returned freight prepaid to: Scully Signal Company, 70 Industrial Way, Wilmington, MA 01887-3479 U.S.A. Indicate the RMA number on the outside of the shipping container. Returned warranted items will be repaired or replaced at the discretion of the Scully Service Department according to Scully Product Warranty Policy and the Scully Returned Materials Procedure.

MEMORANDUM

TO: Mayor and Members of the City Council

FROM: Corey Dean

DATE: May 6, 2022

RE: KnowBe4 Solution – Second Year Payment

During the last Fiscal Year, the IT Department proposed adding the KnowBe4 Phishing Testing/Training solution to our cybersecurity arsenal. Since that time, we have done our baseline testing and users are currently going through the initial training campaign.

Our baseline testing proved how valuable the testing and training will be for our cybersecurity posture. In the baseline testing, we tested a total of 208 users. The testing email that went out is the next page in this packet. Out of those 208 users, 59 users opened the email, 28 users clicked the link in the email, and 17 users actually entered their data. The fact that it only takes 1 user to completely compromise the entire system, thank goodness this was just a test confirming the fact that additional training for our end users is definitely needed.

The contract agreement with KnowBe4 is a 39-month contract; the total cost of the solution is \$14,434.20. The total contract cost is broken down into 12-month segments as follows:

- \$4,811.40 NET 30 days
- \$4,811.40 NET 12 months
- \$4,811.40 NET 24 months

We also found out that we needed to increase our license count from 165 to 208 to cover all of the City of Quincy email users that use a network connected device. We do not cover the users for the Quincy Public Library, they do their own KnowBe4 testing/training. The prorated cost for the additional licenses is a one-time payment of \$3,775.40. This will still keep the 3rd year payment at \$4811.40.

The cost for this training solution will be paid for out of the IT Department's budget.

RECOMMENDATION: The IT Manager and the Technology Committee recommends the 2nd Year payment to KnowBe4 in the amount of \$4,811.40 and the additional license increase cost of \$3,775.40 be approved.

Thank you.

RE: Checkpoint Firewall Solution

The City of Quincy currently uses a dual firewall system utilizing two Cisco ASA 5516X Firewalls. In November 2021, I attended the GMIS-IL conference and had several discussions with a firewall provider at the conference, Checkpoint. They offered to do a free security assessment to show what is coming through our existing firewalls and what additional capabilities their solution has to offer.

The security assessment consisted of a Checkpoint appliance set up in mirroring mode to the inside ports of the Cisco firewalls. The Checkpoint appliance was not blocking anything, just analyzing the traffic as it came through the network. There were quite a few things getting through that should not, and even a malware mining application was detected with data trying to be sent out. The assessment data gave us quite a few things that we have since blocked in the Cisco firewalls currently in place. However, the Cisco firewalls do not have the visibility that the Checkpoint does and that is why we never even knew that the suspect traffic was getting through in the first place.

Implementation of the Checkpoint firewall solution would allow us to remove 4 other devices that we are paying an annual maintenance for. We would be able to remove the Cisco firewalls (although we would move them to only be used for the City's Public wireless network), the current Barracuda Web Filter and the Bandura ThreatBlkr firewall device. These cost savings will help each year going forward with less hardware maintenance costs.

RECOMMENDATION: The IT Manager and the Technology Committee recommends approval of the quote from SecureData Technologies in the amount of \$24,341.00 be approved and that it be allowed to be presented to the full City Council for approval. There are no additional quotes for this purchase because the discounted pricing is from the Checkpoint directly and it will only be provided to one vendor. SecureData Technologies was selected as the vendor because of their proximity to Quincy and their ability to support the devices once deployed.

Thank you.

Terms and Conditions

These Purchase Order Terms and Conditions, and any attachments hereto (collectively, the “Purchase Order”) are the exclusive terms and conditions for the delivery of the specified goods (“Goods”) by Secure Data Technologies, Inc. (“Secure Data”) for the benefit of the Customer (“Customer”). Secure Data and the Customer are each a “Party” and together are the “Parties”.

1. **Acceptance by the Customer.** Delivery of the Goods will be deemed to be complete only when delivered pursuant to a valid Purchase Order and when actually received by the Customer or at Secure Data Offices, as specified by the Customer. All Goods are subject to the Customer’s right of inspection following delivery by Secure Data.
2. **Time for Delivery.** Time is of the essence with respect to Secure Data’s delivery of the Goods under this Purchase Order. Delivery will be delivered based on distribution channels and the lead times they offer to Secure Data.
3. **Applicable sales taxes, shipping and delivery charges** will be included in Secure Data’s invoice(s) to Customer.
4. **Returns.** All return requests are subject to approval by Secure Data’s vendors/suppliers. Generally, returns of unopened Goods are accepted within 30 days of purchase. Goods that have been opened and/or purchased more than 30 days prior to the return request are subject to return refusal by the vendor/supplier. Approved returns of software and/or maintenance items may be prorated based on the contract portion used at the time the return is processed.
5. **Cancellation for Convenience.** The Customer may not terminate this Purchase Order, in whole or in part, at any time without incurring liability to Secure Data. Cancellation will be evaluated on a case by case basis. If accepted it will incur a 15% restocking fee after equipment is returned and further inspected.
6. **Pricing.** The Customer will pay Secure Data only for such Goods and at such prices as agreed upon pursuant to this Purchase Order. Secure Data will submit all invoice(s) to the Customer under this Purchase Order as set forth herein or as may be designated by the Customer. The Customer shall pay invoices within thirty (30) days after each such invoice is received and approved by the Customer.
7. **Proprietary Rights.** Unless otherwise agreed in writing, the Goods will be deemed to be “work made for hire” and the Customer will own all right, title, and interest in and to the Goods and each part and component thereof, whether or not patentable or copyrightable, and any copyright therein and patent application or patent thereon. Secure Data agrees that all right, title and interest in and to the Goods has been transferred and assigned to the Customer. If for any reason it is determined that any such material is not a “work made for hire,” Secure Data hereby assigns all right, title and interest, including copyright or patent interest, therein to the Customer.
8. **Force Majeure.** Neither Party will have responsibility to the other due to circumstances beyond that Party’s reasonable control, including (without limitation) any act of God, war or public enemy, or any act of government or any agency thereof, or any fire, flood, explosion or other catastrophe, or any epidemic or quarantine restriction, or any act of sabotage or terrorism, or any strike, lockout or other work stoppage, slowdown or dispute.
9. **Compliance with Laws and the Customer Policies.** Secure Data will comply with all applicable international, foreign, and U.S. federal, state and local laws, rules and regulations, including, but not limited to, all applicable laws and regulations pertaining to privacy and confidentiality. Secure Data will obtain and maintain, and furnish to the Customer upon request, any and all permits, licenses, approvals, certificates and other documents required by the Customer or otherwise required by applicable law.

RE: Smartsheet Annual Software Renewal

This letter is to inform you of a resolution that will be presented to the City Council Monday, May 9, 2022. The Department of Information Technology implemented a cloud based spreadsheet & web form creation solution several years ago.

This cloud based solution allows for departmental collaboration by creating spreadsheet based applications that allow for tracking of tasks, documents, projects and work flows to name a few. Smartsheet also has the ability to create task or project alerts, create web forms for easy data input or surveys, and allowing data and spreadsheet access using a smart phone plus many more features.

The Department of Information Technology implemented Smartsheet as a way to access critical support data and to track IT projects and support calls from mobile devices. This solution has expanded to other city departments because it was a way to easily access necessary data and to collaborate with employees. These departments include Central Services, Police Department, Human Resources, City Treasurer and Purchasing.

In the past couple of years, Smartsheet has been used to automate the nuisance abatement program, track work orders for concrete, forestry and nuisances. The Police Department has expanded their usage allowing officers to access critical data while in the field. Lastly, Smartsheet has helped to automate Risk Management tracking of liability and worker compensation claims. This software is just one piece of the puzzle that has allowed the city to lower our MICA premiums by \$200,000.

Appropriated money was budgeted in each department to share in the annual software license fee. The Technology Committee has given their approval for this expenditure. I would recommend that the City Council approve this expenditure for \$11,960.00.

If you have any questions concerning this, please feel free to call me.

Thank you.

MEMORANDUM

TO: Mayor and Members of the City Council

FROM: Corey Dean

DATE: May 6, 2022

RE: Tyler Technologies Annual Maintenance

The City of Quincy has been working diligently on the Tyler Technologies' Munis Implementation. We have surpassed the 1 year mark since the contract was approved and signed. This 1 year mark also indicates the initial annual maintenance payments included in the contract.

The annual maintenance pricing for this year is \$61,622.49 which covers all of the module maintenance and for all of the license fees. Also included is an invoice for \$3,923.00 which covers the SMS Text Plan and message costs for the Tyler Notify module.

Recommendation: The IT Manager and the Technology Committee recommend that the annual maintenance payments of \$61,622.49 and \$3,923.00 be approved.

Thank you.

ORDINANCE NO.

AN ORDINANCE AMENDING SECTIONS 45.190 - 45.196 OF CHAPTER 45 (FINANCE) OF THE MUNICIPAL CODE OF THE CITY OF QUINCY OF 2015

WHEREAS, the Quincy City Council passed Ordinance 21-16 in April 2021, establishing the Bring Entertainment to Quincy (BET on Q) Grant Program; and

WHEREAS, the purpose of BET on Q is to provide financial support for local events that bring people to Quincy, resulting in more people eating in local restaurants, shopping in local stores and staying in local hotels, which equates to more jobs, an increase in local tax revenue, and a reduced burden on local taxpayers; and

WHEREAS, the BET on Q Committee has awarded 12 grants totaling \$133,700 since its first meeting in May 2021; and

WHEREAS, the BET on Q Committee seeks to update its rules and guidelines; and

WHEREAS, the City of Quincy is a home rule unit of local government pursuant to the provisions of §6, Article VII (Local Government) of the Constitution of the State of Illinois; and

WHEREAS, pursuant to such authority, and such other authority as may be established by law, this Ordinance is being adopted.

NOW, THEREFORE, BE IT ORDERED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF QUINCY, IN ADAMS COUNTY, ILLINOIS, as follows:

Section 1. The foregoing recitals represent the purpose and intent of this Ordinance and as such shall be incorporated as though fully set forth herein. In the event of any ambiguity or invalidity regarding the enforcement of this Ordinance, it is the intent of the corporate authorities that this Ordinance be liberally construed or reformed to accomplish the purpose and intent so described.

Section 2. Section 45.190 through and including Section 45.196 of the Municipal Code of the City of Quincy are amended to read as follows:

45.190 PURPOSE AND DETAILS

(A) Purpose: The City of Quincy has established the Bring Events To Quincy (BET on Q) Grant Program. The city will reinvest a portion of the revenue from the 1% food/beverage tax it collects into the program to provide financial support for local events. The goal of the program is to draw more people to Quincy, thus increasing business for the establishments where the food/beverage tax is charged.

(B) Program Details: The grants distributed through the BET on Q Grant Program can be used to create a new event in the city of Quincy such as a single-day concert, multi-day music festival/street fair, tournament for traveling sports teams, or a large-scale convention/conference. The grants can also be used to expand an existing event in the city of Quincy by, for example, adding an additional day/night to the existing event,

adding more acts/performers, or attracting higher quality activities/performers (“national activities/performers”) to an event. The idea is to reduce the financial risk organizers take on when they plan for a small- or large-scale event.

- (C) The Quincy City Council will direct, each fiscal year, a portion of the revenue from the 1% food/beverage tax to fund the BET on Q Grant Program. The Mayor, with the consent of the City Council, will appoint community members to administer the grant program. Leftover funding from one fiscal year will be forwarded to the next fiscal year to allow for future use.

45.191 ELIGIBILITY AND PRIORITY

- (A) Priority will be given to an application based on the following as part of the review process:

- 1) The daily/total attendance for an event
- 2) The daily/total number of hotel rooms that will be booked
- 3) The marketing/advertising plan outside Quincy and the surrounding area
- 4) The plan to share revenue with the BET on Q Grant Program
- 5) The percentage of the budget to be funded by the BET on Q Grant
- 6) The viability of the event, be it new or existing

- (B) Location: All events receiving a BET on Q Grant must take place within city limits

45.192 APPLICATION

- (A) Application Deadline: Applications must be received at least 60 days prior to the event. They can be hand-delivered to City Hall (730 Maine Street) or through the mail (USPS, UPS, FedEx). Electronic submissions require prior approval.

- (B) The BET on Q Grant Program Review Committee (Committee) will only consider completed applications filled out to the best of the applicant’s knowledge. The city will notify an applicant if an application is incomplete. Applicants will have 14 days to complete the application or it will be considered null and void.

45.193 PROGRAM REVIEW COMMITTEE

- (A) The Program Review Committee shall consist of nine (9) members. All commission members shall be appointed for terms of four (4) years or until their successors are duly appointed and qualified. Members shall be appointed by the Mayor, with the advice and consent of the City Council.

- 1) One (1) member shall be the Mayor or a city official designated by the Mayor.
- 2) One (1) member shall be a City Council member.
- 3) Seven (7) members shall be community members
 - a) One (1) will represent the Quincy Area Convention & Visitors Bureau
 - b) One (1) will represent Quincy-based Hotels/Motels
 - c) One (1) will represent Quincy-based Restaurants
 - d) One (1) will represent Quincy-based Financial Institutions
 - e) Three (3) will be an At-Large Member

- (B) The membership shall elect one (1) member to serve as chairperson and one (1) member to serve as secretary of the commission.

45.194 REVIEW PROCESS

- (A) BET on Q Grants will be offered on a first-come/first serve basis
- (B) The decision of the Committee is final
- (C) Applicants may present their application to the Committee.
- (D) The committee will hold a public meeting to review applications with public notice made in compliance with the Illinois Open Meetings Act. City Staff will schedule the meetings upon receipt of an application.
- (E) Any fraudulent or misrepresented information may lead to dismissal of the application and zero grant dollars awarded for the current and future event, in addition to a request for a refund of any dollars awarded.

45.195 AWARD PROCESS

- (A) Funding Decisions will be made by the Committee
- (B) The minimum BET on Q Grant will be \$1,000 while the maximum is \$25,000.
- (C) Requests for more than \$25,000 will be considered in extraordinary circumstances.
- (D) A funding request from the BET on Q Grant Program should not exceed 30% of the total budget for the event but requests in which the BET on Q Grant would fund more than 30% of the event will be considered in extraordinary circumstances.
- (E) A BET on Q Grant will be awarded as follows:
 - 1) The recipient will receive 75% of the grant amount prior to the event
 - 2) The recipient will receive 25% of the grant amount after the event so long as the recipient has completed and submitted the Event Closeout Evaluation Form to the City.
 - a) The Event Closeout Evaluation Form will be provided to a grant recipient after the grant is approved.
 - b) The BET on Q Committee must review the Event Closeout Evaluation Form and authorize the release of the remaining 25% of the grant.
 - c) The completed Event Closeout Evaluation Form must be provided to the city by the applicant within 30 days of the completion of the event to be eligible to receive the remaining 25% of the grant.
 - d) If an Event Closeout Evaluation Form is not provided to the city by the applicant within 45 days of the completion of the event, the applicant will not be eligible for future BET on Q funds.

45.196 UNUSED FUNDS AND WITHDRAWAL OF FUNDS

- (A) Unused Funds: Any unused funding must be returned to the BET on Q Grant Program

(B) Withdraw of Funding: The BET on Q Grant Committee and the City of Quincy may withdraw funding or request a return of funds for events that are substantially reduced or inaccurately portrayed from what was submitted in the application or do not occur within the proposed date(s) or time(s). The cancellation of an event that receives a BET on Q grant may result in a request from the city for reimbursement of the amount of the BET on Q Grant that was previously awarded.

Section 3. Section 45.197 and Section 45.198 of the Municipal Code of the City of Quincy are hereby created and shall read as follows:

45.197 LIABILITY

(A) The goal of the BET on Q Committee is to provide financial support to events aimed at bringing out of-town visitors to Quincy. The financial support provided by the BET on Q Committee is in no way an endorsement of the event by the committee or the city. Also, the BET on Q Committee and the city of Quincy is not liable or responsible for any actions associated with an event that receives funding from the BET on Q Committee.

45.198 PERMITS

(A) It is the responsibility of an applicant to the BET on Q Grant Program to obtain any and all licenses, permits, and permissions required to hold the event from various government entities, including, but not limited to, the City of Quincy, Adams County, the Quincy Park District and the Quincy Public School District. The awarding of a BET on Q Grant does not exempt an applicant or a grant recipient from securing the required permits or licenses for their event or securing permission for use of public land.

Section 4. Separability: The provisions of this Ordinance shall be deemed separable, and the invalidity of any portion hereof shall not affect the validity of the remainder thereof.

Section 5. Savings Clause: That nothing in this Ordinance hereby adopted and incorporated by reference shall be construed to affect any suit or proceeding pending in any court, or any rights acquitted, or liability incurred, or any cause or causes of action acquired or existing, or permits or licenses issued under any act or Ordinance hereby repealed or amended; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

Section 6. Repeal: All ordinances and parts of ordinances in conflict with the provisions of this Ordinance shall be, and the same are, to the extent of such conflict, hereby repealed.

Section 7. Effective Date: This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

RESOLUTION

WHEREAS, the US Congress has had a longstanding concern about the practice by some states and local jurisdictions of diverting 911 fees for non-911 purposes and has directed the Federal Communications Commission (FCC) to create a 911 Strike Force to end diversions of 911 funds.

WHEREAS, in July 2020, the FCC created a 988 suicide prevention and veterans' crisis hotline and required all telecommunications carriers and VOIP service providers to provide a two year transition period to roll this service out to the public.

WHEREAS, the Illinois Legislature passed a state budget last week that diverted \$5 million from 911 funds to create a 988 suicide prevention and veterans' crisis hotline, an action that the FCC has specifically cited as an ineligible expense for 911 funds that makes the State of Illinois ineligible for federal grant funds at a time when Next Generation 911 initiatives are ramping up.

WHEREAS, the Quincy/Adams County 911 Communications Center has an annual operating budget of nearly \$2 million dollars, of which our portion of Illinois 911 provides for only \$732,000 and such a diversion will reduce our funding from the State of Illinois and thereby shift an even greater burden of funding onto local taxpayers.

NOW, THEREFORE BE IT HEREBY RESOLVED, that the City of Quincy urges the Comptroller of the State of Illinois to disallow payment of \$5 million from the 911 fund to the 988 fund and instead fund this new (and needed) initiative properly through the General Funds of the State of Illinois, as allowed by federal rules.

BE IT FURTHER RESOLVED that copies of this Resolution be provided to the Comptroller of the State of Illinois and to State Representative Randy Frese and State Senator Jil Tracy.

Dated: May 3, 2022

Michael A. Troup, Mayor
Laura Oakman, City Clerk
