

JEFF MAYS
DIRECTOR OF
ADMINISTRATIVE SERVICES

CITY HALL
EST. 1840

To: The Mayor and the Quincy City Council
From:  Jeff Mays, Director of Administrative Services
Date: March 25, 2024

On behalf of the City's Budget team, this FY2024-2025 budget plan is balanced within recurring revenues and expenses. This budget also draws down \$7 million in unallocated fund balance to increase our investment in our streets, buildings, and water and sewer systems.

This is the third budget presented by this administration and it continues to build on the major themes and policies we have originally advanced: 1) improve infrastructure, 2) provide property tax relief, 3) pay down pension debt, 4) fund Public Safety, and 5) invest in growth. Consider...

- This is the third consecutive year of INCREASED investments in our streets, water, sewer, and building infrastructure. This year alone we will devote \$13 million to our city's streets and buildings, and we propose to issue \$20 million in bonds to upgrade and secure our city's river water intake pumphouse, and to replace antiquated water and sewer infrastructure and lead service lines throughout our city.
- This is the third consecutive year of property tax relief. While every other taxing body has increased your property bill, the city's piece of your property tax bill has fallen.
- This is the third consecutive year of accelerated pension debt payments. During this period, the City has contributed \$1.1 million over our required contribution. Of the \$9.38 million we're spending on pensions, \$7.7 million pays for the unfunded accrued liability.
- This is the third consecutive year of fully funded Public Safety staffing. This budget fully funds the former Street Crimes Unit and gives our police and firefighters the best equipment and tools they need to truly protect and serve.
- This is the third consecutive year of investments in growth. Our sales tax base, which provides over 50% of the general fund revenues, has never been broader or more resilient; our tourism-generated dollars have never been higher; and our convention center and parks have never been busier.

Notwithstanding the successes above, the city still has its share of challenges, and we will continue to seek better ways to serve our citizens. Just as we changed how we recycled to reduce costs and increase participation, this budget invests in solar arrays at our Waste Water Treatment Plant; this budget invests in new technology to reduce our solid waste hauling and brush pick up costs; this budget invests in our information systems to create new ways for our citizens to participate more meaningfully in their government.

Your input over the next four weeks to fine-tune this budget is both needed and appreciated.

The City's activities are budgeted and accounted for through the use of funds. A fund is a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. The City's funds are arranged in accordance with the Governmental Accounting Standards Board (GASB) and standards set by the Government Finance Officers Association (GFOA). The following fund types are used in this document:

General Fund is the general operating fund of the City. The restricted portion of General Fund is called the Cash Reserve Fund.

Special Revenue Funds are used to account for revenues derived from specific taxes, grants, or other restricted governmental revenue sources that are legally restricted to expenditures for specified purposes. Special Revenue Funds used by the City include:

201 Planning & Dev	211 Traffic Signal	243 Federal Forfeiture	250 Transit
202 9-1-1 Fund	212 Town Road Tax	244 Police Crime Lab	252 DCCA Grant
204 9-1-1 Surcharge	240 Police Grants	246 Fire Donations	253 IHDA Grant
205 Franchise Fee	241 Police Donations	247 Fire Grant	257 Bridge Lighting
210 Motor Fuel Tax	242 State Forfeiture	249 Police DUI	

Capital Project Funds are created to account for financial resources to be used for the acquisition or construction of major capital facilities and infrastructure, except for the projects financed by legally restricted special revenue funds and proprietary fund types. The City's Capital Projects Funds include:

301 Capital Projects Fund	309 Special Cap Proj Fund
312 TIF #2 Fund	313 TIF #3 Fund
314 Water EPA 2019 Proj Fund	315 Sewer EPA 2019 Proj Fund
317 ARPA Reimb Fund	323 2019 GO Street Proj Fund
395 QMEA Capital Reserve Fund	397 Fire Equip Rep Fund

Debt Service Funds are used to account for the accumulation of resources for the payment of principal, interest, and agent fees for General Obligation Bonds/Debt issued on behalf of the Governmental Fund types.

Proprietary Funds are funds established to account for the self supporting municipal activities that are similar to private business. The activities are financed by sales and service fees. The City operates the following enterprise funds:

501 Water Fund	502 Sewer Fund
511 Airport Fund	512 Airport PFC Fund
514 Municipal Dock Fund	531 Regional Training Facility Fund
533 Garbage Fund	

Internal Service Funds are funds that provide either benefits or services to other funds or departments of government on a cost-reimbursement basis, with the goal to 'break-even' rather than make a profit, are funds established to account for funds that the City has retained custodial ownership. These funds include the Self Insurance, Health Insurance Funds, Central Garage.

Trust and Agency Funds are funds established to account for funds that the City has retained custodial ownership. These funds include the Revolving Loan funds, Commission Funds (Lincoln, Human Rights, and Tree Board), and Tourism Tax Fund.

Component Units are legally separate entities that meet any of three tests: 1) the primary government appoints the voting majority of the board of the component unit and is able to impose its will or is in a relationship of financial burden or benefits; 2) the component unit is fiscally dependent upon the primary government; 3) the financial statements would be misleading if data from the component unit were not included. The Quincy Public Library and Woodlawn Cemetery are both component units of City government.

Basis of Accounting & Budgeting

The operating budget is adopted each fiscal year for all fund types. The modified accrual basis of accounting and budgeting is used for the Governmental Funds. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual. Expenditures are recorded when the related liability is incurred

Budgetary control is exercised by line item accounts, in an effort to monitor revenues and expenditures as they occur in relation to the approved budget. This allows for the management of expenditures as necessary to achieve a balanced budget. A balanced budget occurs when the total expenditures and other financing expenses are equal to the total revenues and other financing sources resulting in no change of fund balance.

Amendment of Budget

Department Heads may initiate transfers of funds between line item accounts within the department upon approval of the Director of Administrative Services (DOAS) and the Comptroller. These are called "Line Item Transfers" and the Finance Committee reviews these transfers on a monthly basis.

Transfer of budget funds from one Department/Division to another Department/Division in excess of \$10,000 requires City Council approval, accomplished by a two-third majority vote. Increases or decreases in overall budget revenue or expenditures in excess of \$10,000 also require a two-thirds majority vote by City Council.

Normally, no departmental transfer shall occur from any salary/benefit line item or from the fleet maintenance (expense account 36-01) without discussion/pre-approval from both the DOAS and Comptroller.

Adoption of Budget

November - The budget process starts with the Staffing Plan approvals. The Staffing Plans consist of salary and benefit information for each employee, transfers of shared positions, and calculations of full-time equivalencies for each department/division. Each department head reviews their plan and any staffing increases are submitted for authorization.

December - Pension Contributions. During the adoption of the tax levy, the City Council determines the level of funding of the pension contribution. In past years, the Council has committed fund balance during the tax levy in lieu of levying for the entire pension contribution not covered by other funding sources.

January - Revenue Estimates. City Staff develops a current year revenue projection based on the eight months (May - December) actual data. Staff discusses any local economic factors and makes a projection based on the past 5-year average. These revenue projections are used to project the following fiscal year and also a trend is projected for the next five years. This revenue projection is presented to City Council in February.

February - Each department is required to submit their budget requests. City Staff consisting of the Mayor, the Director of Administrative Services, the Comptroller, and the City Treasurer who meet with each department head to review budget submissions, discuss any significant changes, and review requests for capital outlay. The process allows for expense adjustments so that spending is within revenue projections. February 27, 2023 the City Council is given presentation detailing all general fund revenue sources, historic data and projections.

March - The revenue estimates are updated based on the past ten months actual data (May - February) and compared to the staff reviewed expense projections. The proposed budget is informally presented to City Council on March 17, 2024. Each week between April 1 and April 15, there will be budget hearings to discuss departmental budgets. Calendar for Adoption is:

- March 23, 2024 - Notice of Public Hearing is published in local newspaper.
- March 25, 2024 - 21 days prior to Adoption - Budget document is available to public.
- April 1, 2024 - Public Hearing & 1st Reading of Budget Ordinance
- April 8, 2024 - 2nd Reading of Budget Ordinance
- April 15, 2024 - 3rd Reading and Adoption of Budget Ordinance

The City Council adopted the Quincy Next Strategic Plan on March 12, 2018, the Quincy Transportation Plan on September 15, 2020 and the Riverfront Master Plan on April 21, 2021. Development priorities listed in the Plans as well as Administration initiatives include:

Transportation:

1. IL-57 Upgrade
2. 24th-36th & State Street Improvements
3. 3rd St and 4th St One ways to two Conversion
4. Harrison St and 24th St intersection improvements
5. Hampshire St and Vermont St One-Way to Two-Way
6. 6th St Corridor Activation
7. Off-Street Downtown Transit Transfer Station
8. York and Jersey One-way to Two-way
9. 48th Street and State Street Improvements
10. Quincy Barge Dock Elevation and Sea Wall Improvement

Riverfront:

1. Bury Overhead Electric Lines
2. Event Plaza, Interactive Play Area and Fountain Plaza
3. Terraced Riverfront Access & Courtesy Dock
4. Maine St Reconstruction, Scenic Overlook and Pedestrian Ramp
5. Stage & Access Area
6. High water Boat Ramp and Parking
7. Cruise Port Dock and Parking
8. Front Street Reconstruction
9. Kesler Park Trail
10. Pedestrian Bridge to Quinisspi Island

Economic Development:

1. Strategic Marketing Program (North Star)
2. Quincy Work Force Assistance Program (QWRAP) & Quincy Calling Campaign
3. Retail Marketing Program (NextSite)
4. Tourism Marketing Program (QACVB)
5. Vacant Big Box Retail Redevelopment Program
6. Land Bank Funding Support
7. Event Underwriting - Bet On Q
8. Hospitality and Retail Development Funds
9. Small Rental Rehab Program (SRRP), TIF Rental Rehab DDRP
10. In fill Land Development

Other Goals:

Job creation in the City of Quincy. Support of local businesses job creation. Due to cyber issue in May 2022, Tyler/Munis was delayed a year with anticipated payroll/financial go-live of July 2024.

SUMMARY OF PAST YEAR HIGHLIGHTS

Fiscally Responsible

- Operated a FYE 2023/2024 budget with surplus funds
- Passed the 2023 tax levy, which was the lowest estimated rate in nearly 40-years by using excess fund balance to keep tax levy down
- Settled the Police contract through arbitration, causing higher than budgeted salaries
- Funded pensions \$550,000 above the actuarial recommended contribution
- Maintained operational reliance on Home Rule Purchase Tax at 50% or less

Provide Quality ServicesPublic Safety

- Maintained budgetary staffing of police and fire sworn officers.
Our police department responded to nearly 25,000 service calls and the fire department responded to nearly 3,500 calls for service

Public Works

- Forestry removed overgrown or dangerous trees on city right of way
- Street Maintenance installed new sidewalks and curbs
- Second year of Patch Truck covering pot holes across town
- Maintain safe roads during snow/ice conditions
- Continued providing free curbside brush collection
- Subsidized City Wide Cleanup and garbage operations to maintain clean city

Encourage Housing Development by supporting the Housing Resource Fund which awarded \$260,000 for 15 residential units

Economic Development

- The Mayor and Council continued supporting the five key foundations for our 45X30 Economic Growth program: Tourism, Retail Development, Strategic Marketing, Large store renovation assistance, and Entertainment Underwriting.
- Worked with Developer (GMX) on three commercial developments on Target property.
 - Raising Cane's (fast food)/single-tenant building/multi-tenant building
- Worked with Developer on two commercial developments (pending)
 - 7,000 square feet at Prairie Trails and 5,000 square feet at 30th/Broadway
- Promoted available retail incentives to property owners to fill vacant stores
- Signed new retail recruitment contract with Retail Strategies
- Encourage Riverfront Development on planning for an Event Plaza at riverfront
- Supported QWRAP Workforce Relocation Assistance Program to attract skilled workers to our city
- Recognized economic impact of the Quincy Regional Airport \$24.7 million
- Secured grants for development and growth of Quincy
 - \$2.4 million for Sixth Street Streetscape
 - \$550,000 DCEO for owner-occupied home repair grants on city's NW side
- We were awarded Congressional allocation for \$1.4 million for Solar and in FY23 awarded \$400,000 for lead water line replacements and in FY 24 awarded \$2,000,000 for lead water line replacements
- Promote Workforce Development
- \$300,000 IHDA grant for home repairs on city's NW side
- Promoted Tourism through BET on Q - Bring Entertainment to Quincy grants
- Worked with consultant on Hotel Room Study for Quincy market

Invest in City-Wide infrastructure

- Disbursed \$6 million to the Capital Projects Fund for Neighborhood Enhancement & Street Projects

FISCAL YEAR 2025 GENERAL FINANCIAL GOALS

During our budget process, the City seeks to adopt a budget with long-term financial policies in mind. These policies are designed to provide a framework for the administration to plan for future budgetary needs and to improve our City's financial position. The budget was formed utilizing the following financial goals:

-Maintain the city's projected year end general fund unassigned balance (i.e. "Cash Reserve Fund")to 10% of the General Fund operating expenses. An adequate level of fund balance is essential to reduce potential and current risks (i.e. shortfalls in revenues and unanticipated expenditures) and ensures a stable cash flow.

- The City should maintain a balanced budget under normal conditions. A balanced budget is defined as a budget where recurring estimated revenues equal recurring estimated expenses during a single fiscal year. A balanced budget shows prudent use of the City's resources and helps instill fiscal stability.

Restricted Cash for Pensions	\$	3,000,000
Plus Beginning Fund Balance	+ \$	12,000,000
FY 2024 GF revenues	+ \$	52,073,793
Total Available	= \$	67,073,793

FY 2024 GF expenses	-	\$ 61,280,098
Ending Fund Balance	=	\$ 6,086,129

- The City is fully funding pension costs. Each year the Illinois Department of Insurance provides an actuarial minimum required contribution (ARC) for each pension plan. Additionally, the City hires a private actuarial firm to provide the annual contribution amount. The city has normally funded the higher of the two recommended contribution amounts to be 90% funded by 2040. **The pension funds combined contributions will plan to fund at 104% of the ARC in FYE 2025.**

-Set a minimum level of funding for capital spending. Revenues derived from the City's Purchase Tax are used to fund the Capital Projects. Our minimum Purchase Tax allocation has been as low 22% in the past 10 years. **This year's budget allocates nearly 108% of purchase tax revenues to Infrastructure.**

-Adopt a 5 Year Comprehensive Infrastructure Plan (CIP) on an annual basis. The CIP is a statement of the City's long and short-term capital improvement plans. The short-term is the first year of the CIP, which is incorporated into our annual operating budget. The long-term goal of the CIP is to provide for adequate funding to meet long term capital needs as determined by our citizens, alderpersons and administration. This Comprehensive Infrastructure Plan can be found in the Appendix of this document.

SALES TAX

The State of Illinois collects sales tax from retailers operating within the City limits. The State imposed rate is 6.25%. The State distributes 1% back to the City. The City reviews the past 5-year trend to project the future 5-year trend, adjusted for any national or local economic factors. FY 2025 is projected to be relatively flat to FY 2024, given the uncertainty of the State legislation on lifting the 1% grocery sales tax. Sales Tax makes up 25% of General Fund revenues and all sales tax revenues support General Fund expenditures.

HOME RULE "PURCHASE" TAX

Home Rule units of government (cities with elected officials and more than 25,000 people) have the authority to impose a tax on those in the business of selling tangible personal property at retail in their jurisdiction. The Home Rule Sales Tax rate is set by the City; and collected by the State. The City's Home Rule rate of 1.5% does not apply to groceries, drugs, and personal property licensed through the Secretary of State's office (vehicles, campers, trailers, motorcycles, etc). The City's current rate took effect on June 1, 2002 when the rate increased from 0.75% to 1.50%. Ordinance 9315, adopted September 18, 2017, maintains the rate of 1.5% and requires an annual review of the rate during the budget process. The Home Rule tax is split between General Fund operations and Infrastructure spending in the Capital Projects Fund #301. The State currently imposes an administrative collection fee of 1.5%. FY 2025 is expected to grow slightly. The proposed split plans to use 50% for General Fund and 50% Capital Projects Fund. Home Rule "Purchase" Tax represents 23% of the General Fund revenue.

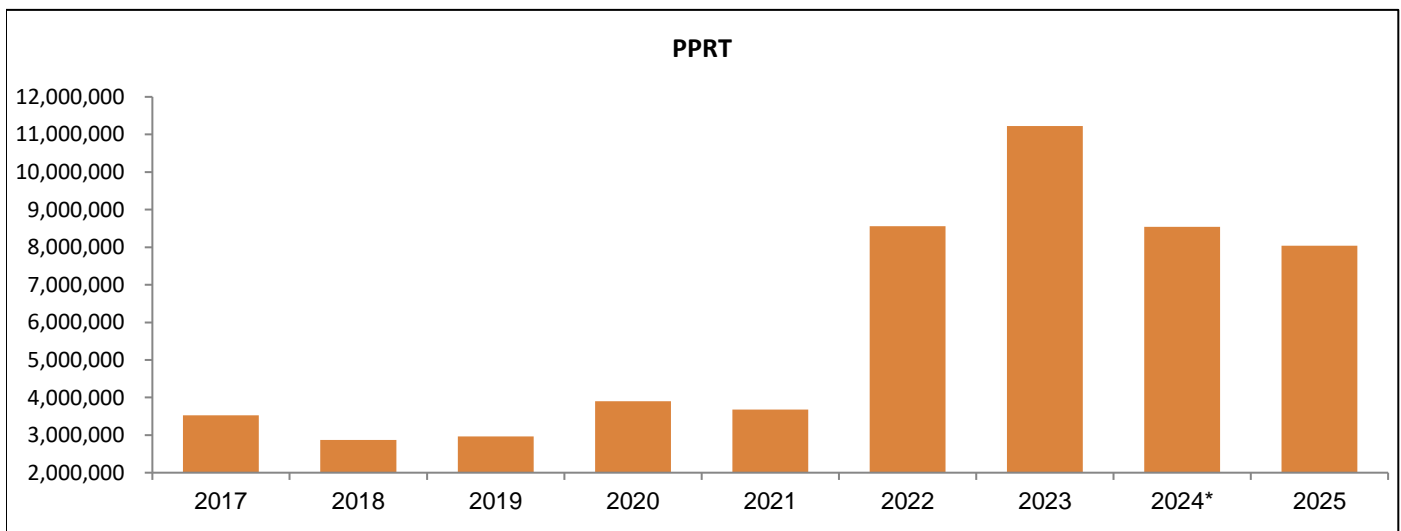

INCOME TAX

The State of Illinois taxes the income of individuals and corporations at the rate of 4.95% (individuals) and 7% (corporations). The State uses a Local Government Distributive Fund (LGDF) to distribute the respective amounts to each city/county within the state. The amount each locality receives is based on its population in proportion to the total state population. The City's population declined 2.17% since the 2010 census of 40,633 to the 2020 census of 39,463. The funding formula for distributions changes with each State budget passage. Income Tax represents 13% of the FY2025 General Fund revenue. FY 2025 is projected at the IML estimate of \$171 per capita.

PERSONAL PROPERTY REPLACEMENT TAX

The State of Illinois enacted this tax in August, 1979. Replacement Taxes are revenues collected by the State and paid to local governments to replace money that was lost by local governments when their powers to impose personal property taxes were taken away. Corporations, partnerships, S corporations, and public utilities pay these taxes along with their state income tax payments. The City's PPRT funds are distributed as follows: Police Pension 9.32%, Fire Pension 13.42%, Library 10.969%. The General Fund receives the remaining 66.29% for operations. The IML has projected a 30% decline for state fiscal year FYE 2024 and 0.7% increase for SFY 2025. We translate that to a 6% reduction for our fiscal year. PPRT revenues make up 15% of the General Fund total revenues.

PROPERTY TAX

The City's property tax levy passed in December 2023 will be billed, collected, and disbursed by the County during fiscal year 2024/2025. The property tax levy consists of pensions obligations, library funding, and city and library bond debt. The bond portion of the levy is receipted into the appropriate Debt Service funds. The remaining General Fund portion of the property tax levy makes up 11% of total General Fund revenues. The pass-through amounts for the Quincy Public Library and Historic Quincy Business District are budgeted as tax distributions.

Any changes in property assessments have significant impact upon the General Fund. Property is assessed at 1/3 of market value less a homestead exemption for those who qualify. The tax rate is applied to each one hundred dollars of assessed valuation to determine the amount of property tax. The City proposed a tax levy that should produce a lower tax rate for 2023 with projected tax of \$.92207 per \$100 of assessed property value.

Assumptions: Population 39,463 (2020 census) down 2.87% from 40,633 (2010 census)

- Tax Levy revenue for FY 2026-2030 based on 2.50% increase in EAV
- Sales Tax projected at 1.75% growth, pending change of State legislation on grocery tax
- PPRT projected to decline 6%, IML estimate for MFY at 0.7% for MFY 2025 vs MFY 2024
- Income Tax is population based at IML Feb 2024 forecast of \$171 per capita
- Use Tax is population based at IML Feb 2024 forecast of \$42.18 per capita
- Home Rule (purchase tax) projected weak growth 0.08%
- Home Rule/Purchase Tax split 49% GF, 51% Capital

* adjusted for one time Police retro paid in FYE 2024 (\$154,000 FY22, \$366,000 FY23, (\$520,

Assumptions for 5-year projections:

Salaries/Benefits 4% increase over FY 2024 budget

Health Insurance projected at 8%

MICA projected below 5-year average, assuming premium reductions

IMRF assuming 4%

Services and Supplies are both projected to grow at 3% economic impacts

Capital outlay is projected to stay flat at \$750K per year

Non-Dept Transfers projected to grow by 1% to account for fund subsidy increases

Non-Dept Transfers assume to normalize in FYE 2026

OPERATING EXPENDITURES**Salaries & Benefits**

The City has six labor unions with contracts: 822/Machinists, Police Patrol, Police Lieutenants & Supervisors, Fire Fighters, 9-1-1, and Transit Union. The Police Patrol and Lieutenants have a contract through 4/30/2026. The Machinists, Fire, and Transit union contracts all expire as of 4/30/2024 and are currently being negotiated. The Police union calls for a 3.5% increase effective 5/1/2024 so that is the budgeted plan for the other union groups. The City continues to offer a fully funded health care plan in CY 2024, with a premium increase averaging 7.5%. The City continues to pay nearly 80% of employee health premiums. All city departmental contributions for health insurance are paid to the Health Insurance Fund #612 which the premiums for fully funded health.

The City is over funding pensions at \$381,000 in FYE 2025 at 106% of ARC. The IMRF employer rate for the 2024 calendar year is 3.27% which is a slight increase over the calendar year 2023 rate of 2.88%.

Contracted Services

This category of spending represents Professional services (audit, legal, engineering), Technical services (medical, utility, cleaning), and Repair and Maintenance Services (building repairs, vehicle repairs, infrastructure repairs), Rentals (our internal fleet and vehicle replacement is included here), Insurance (which includes MICA, the city wide insurance for workers comp and property liability), and other services such as communications, travel, registrations, etc. The City's work comp/general liability expense is projected at a 5% increase over FY 2024.

Commodities

This category of spending represents the supplies purchased. Example include office supplies, energy (gas and electric), building and maintenance supplies, tools, and operational supplies for the departments type of business (examples include concrete, chemicals, paint, pipe, medical supplies, amunition, etc.)

Capital Outlay

This category has different thresholds for asset types. Any equipment purchases of \$5,000 or more with an estimated useful life of 5 years or more is considered capital outlay. The threshold for buildings and street projects is \$25,000. The City adopted a new capital project fund expense policy which re-allocates recurring capital outlay to the departmental budgets. This practice will allow for the home rule funding to be used for true capital projects such as street projects and infrastructure improvements. Each department's narrative should reflect capital spending.

Miscellaneous This category represents costs like dues, taxes, and other miscellaneous expense.

Debt Service

The majority of our debt service is represented in our Debt Service Funds. This includes the debt payments for the city issued General Obligation bonds. Any lease payments would be displayed in this element.

Transfers

The Transfers can be internal fund transfers which represent subsidy funding or the transfers can be external funding to component units such as the Quincy Public Library or non-departmental transfers for sales tax rebates, cost share tranfers, etc.

Operating Cash Balance Projections

The combined overall cash flow for General Fund (including the Cash Reserve Fund) are projected below utilizing the revenue and expense projections from preceding pages.

Fiscal Year Ending April 30:	FY 2025 Projection	FY 2026 Projection	FY 2027 Projection	FY 2028 Projection	FY 2029 Projection	FY 2030 Projection

PURPOSE

The General Fund is the primary operating fund of the City. It accounts for the resources used to pay for the services traditionally associated with local government. Included are general administration of the City, police and fire protection, engineering, subsidy and tax transfers, and any other activity for which a special fund has not been created.

The General Fund's primary revenue source is Taxation. Sales tax 26%, Purchase Tax 23%, Income tax 11%, and PPRT 9% account for nearly three-fourths of the the total revenue. Property taxes are approximately 15% of the total revenues and fund the Library and pensions.

This year the General Fund will receipt 100% of the home rule/purchase tax fund and distribute to Capital Project Fund.

The Transfers In are from the Green Energy fund and Barge Dock fund. Inter-governmental revenues represent cost share charges paid by other funds.

PURPOSE

The City is governed under the Mayoral/Aldermanic form of government. The legislative body of the City is the City Council. The Council is composed of fourteen aldermen, two from each of the City's seven wards, elected to serve four-year staggered terms. The City Council meets weekly and makes policy decisions necessary to maintain and enhance the health, safety and welfare of citizens and visitors to the City.

BUDGET SUMMARY

Over 90% of the proposed budget for the Legislative Board is made up of the salaries for the fourteen city alderman and the benefits extended to those eligible. The contractual services budget for the board is cell phone and I-pad communication services. There is \$1,200 in the budget if replacement devices are needed.

PURPOSE

The Executive Branch of city government is made up of the Mayor, City Treasurer, and City Clerk. Each is elected at large to serve four-year terms. Michael Troup was sworn in as Mayor in May 2021.

GOALS/OBJECTIVES

- Participate with IML Board meetings and assigned committee meetings
- Attend US Conference of Mayors meeting
- Work to obtain more housing development for apartments, townhomes, condos within City
- Work to attract at least one new Hotel to be developed in Quincy
- Support the Riverfront Development- raise money from individuals, organizations and any available grants
- Participate with Retail Strategies in attracting more retailers to Quincy
- Continue to respond to taxpayers in a timely and professional manner
- Focus on the implementation of Tyler and launching each phase successfully

PAST FISCAL YEAR HIGHLIGHTS

- Reached an agreement with GMX Development and City Council approval of incentives to purchase and renovate former Kmart property to become a Quincy Target
- Obtained approval to upgrade Municipal Barge Dock
- Completed phase 3 of the airport runway improvement plans
- Worked with Quincy Regional Airport staff and Southern Airways to improve services to QRA
- Continued QWRAP program in awarding 45 applicants \$155,280 for relocating to Quincy
- Added Solar to provide electric power to Airport terminal building and establish new revenue source for Airport by selling excess power.
- Worked with City Council to maintain City's property tax levy rate to lowest level in 40 years.
- Completed \$15,012,858 of infrastructure projects, the largest amount invested in a single year by the City
- Transitioned recycling from curbside pick-up to 3 drop-off locations, saving the city nearly \$930,000 in replacement vehicles and moved dedicated staff to other Central Service work crews

BUDGET SUMMARY

The Mayor's budget has slightly increased overall. The increase in services is to allow for normal Mayoral travel. There is also an increase for meetings/registrations/dues.

PURPOSE

The Treasurer's office is responsible for tracking and collecting the monies owed the city, investing idle funds and reporting to the council the financial status of the city. Money collected by the office is deposited daily and all bank accounts are reconciled by the treasurer's office. The office manages the accounts receivable process from invoicing to collection. Idle funds are reviewed daily and invested according to anticipated need. The Treasurer is the custodian of the fire and police pension funds.

GOALS/OBJECTIVES

The goals of the Treasurer's Office are to provide prudent investment of the City funds in priority order of safety, liquidity, and rate of return; deliver flexible and effective cash management; ensure accurate accounting of transactions; and provide accurate and timely financial information for the mayor and city council.

The biggest goal for FY23 was to look for a long-term strategic staffing solution to address pending retirements in the next 3-5 years. Once our newest clerk, Kelly Seifert, is fully trained, both Kelly and Judy Deters will be cross trained to handle the duties of the Deputy Treasurer.

PAST FISCAL YEAR HIGHLIGHTS

Interest income will be over \$2,000,000 for the fiscal year due to a favorable interest rate environment, negotiation of higher interest rates on checking accounts, close monitoring of cash flow and strategic placement of idle cash. Current interest rates are averaging 2% in our checking accounts and averaging 5% on our investments.

We worked with the Department of Utilities to find a better user experience for utility bill payments. In August, we went live with Invoice Cloud, a user-friendly platform that allows customers to be in control of their own accounts, easily manage payments and information, and is more cost effective for the city. The platform also allows our clerks to have access to the reports they need to be more efficient in processing payments. Compared to our old system, Paymentus, not only does the city save money on postage and printing of paper utility invoices, but processing fees have also been reduced. Invoice Cloud fees, based on the first seven months, are \$1,962.14 annualized at \$23,545.68 compared to monthly Paymentus fees of \$11,372.59 or \$136,471.08 annually. This represents annual savings of approximately \$112,925.00. Due to paperless billing, monthly mail pieces have dropped from 15,581 pieces in August 2023 to 13,008 pieces in March 24. With nearly 4,000 accounts now signed up for paperless billing, the postage savings are approximately \$1550 monthly or annual savings of \$18,600.

WHAT TO EXPECT IN 2025

- We are working with the City Clerk's office to create efficiencies in the video gaming and liquor license process while segregating the duties of fee collection (treasurer's office) and licensing (clerk's office).
- We continue prudent cash management by balancing investment durations with cash flow needs to maximize interest income. We expect a slight decline in interest rates during the fiscal year as the Federal Reserve meets to evaluate inflation vs economic growth.
- The Tyler conversion has been on hold since the pandemic but will be moving forward in FY 2025. Now that the office is fully staffed, with proper training, the conversion to Tyler should go smoothly.
- We will campaign to increase the number of automatic utility payments and paperless billing customers to increase savings on printing and postage.
- Collection efforts on past due invoices and businesses who are not in compliance with food and beverage tax payments will be a priority.

PURPOSE

The City Clerk, an elected official, or the appointed deputy, attends all City Council Meetings, presents the agenda, keeps records of its proceedings, and publishes it in booklet form weekly along with ordinances passed. The City Clerk's office maintains the Municipal Codebook. The City Clerk's office attests and seals all contracts, licenses, permits and handles the city elections every two years. The City Clerk's office issues certain city licenses.

GOALS/OBJECTIVES

- Maintain updates to the City Codebook
- The City Clerk will apply to receive her Certified Municipal Clerk Status
- Establish the "Peak Agenda" electronic program
- Prepare Alderman packets
- Train and work with IT Dept to update the City Website

PAST FISCAL YEAR HIGHLIGHTS

- Attended Illinois Municipal League Conference
- Received registered Municipal Clerk's status.

BUDGET SUMMARY

- Increased Rentals/Equipment by \$300

PURPOSE

Working directly for the Mayor and under authority granted by the City Council, the Director oversees the daily operations of the City creating a collaborative and collegial workplace environment.

GOALS/OBJECTIVES

- To assist in budget creation and fiscal management
- To provide support for the City Council on legislative and constituent issues
- To act as a liaison between the City Council and the administration
- To provide support for all departments with a focus on efficiency and transparency

PAST FISCAL YEAR HIGHLIGHTS

- DOAS contributed to the development, passage and implementation of the City's budget and budgetary adjustments throughout the year, and provided leadership support to the Human Resources and Information Technology Departments as well as assisted in the hiring of new Directors for those departments.

BUDGET SUMMARY

The DOAS budget has normal cost increases for next fiscal.

PURPOSE

The Purchasing Department is responsible for acquisition of supplies, services and construction to support the operation of the City's various departments. Purchasing verifies requests for payment with bid information submitted, verifies receipt of items by comparing actual billings with quotes offered. Authorizes payments for purchases when offered with proper authority and prepares resolutions for purchase agreements that require City Council approval. The Purchasing Department maintains and manages the bid process in accordance with the various laws, regulations and ordinances in place.

GOALS/OBJECTIVES

- Review and manage and vendor relationships to maximize City benefit.
- Adapt Procurement practices to allow vendors the ability to submit their bids in person, via mail carrier and also electronically. This change would ensure a best response of pricing and value. Vendors would be able to submit their bids as per last minute price cuts and we look to see an increase in bid participation if electronic bids were allowed. This change would require an update to the current Purchasing Policy Manual to allow vendors to submit their bids/RFP's via electronically.

PAST FISCAL YEAR HIGHLIGHTS

- In FY 2024 the Purchasing Department issued 31 Bids, 16 RFP's, and 3 RFQ's.
- There were 31 bids issued and the total bid award amount for this fiscal year was \$12,614,653.66
- There were 16 Request for Proposal's and 3 RFQ's issued, and the total award amount was \$1,687,760.76
- The Purchasing Department saw over 300+ new vendors register with us over the past fiscal year. We currently have 1,865 vendors registered via Vendor Registry.
- After several internal vendor audits and the evaluation of purchases & invoices, the Purchasing Department discovered billing overcharges, which were later credited back to the city. The Purchasing Department also analyzed the city cellular accounts which led to phone plans being updated; while some devices were cancelled as well. These internal vendor audits and cellular changes saved the city over \$83,000 this past year.

BUDGET SUMMARY

The purchasing budget is mainly salaries and benefits. The commodities are increasing for additional office supplies.

PURPOSE

The Building Maintenance division covers the maintenance of the City Hall building and the City Hall Annex. The purpose of this division is to contain all building maintenance costs in one division. One union employee performs the janitorial/custodial/maintenance duties. The other major costs are energy, and routine repairs and maintenance.

GOALS/OBJECTIVES

The following goals have been set for FYE 2025:

- Replace building roof and roof-top HVAC units
- Repair building façade structural deficiencies and waterproof the exterior
- Renovate public access areas and offices where public business is conducted

PAST FISCAL YEAR HIGHLIGHTS

Highlights from FY24 include:

- Completed design of City Hall rehabilitation
- Replaced fire alarm panel and added remote annunciator

BUDGET SUMMARY

The proposed FY25 budget includes an increase of roughly \$81,000 compared to projected FY24 spending. The increase is largely due to a proposed allowance for City Hall repair & maintenance expenses over FY24 spending as well as additional energy costs due to rising utility rates.

PURPOSE

The Comptroller's Office is responsible for financial operations of the city. The office oversees the general ledger and all accounting operations, maintains all payroll records and payroll processing, verifies invoices to purchase orders, and accounts payable processing. In addition, the Comptroller's office manages fixed assets, oversees debt management and financial reporting. The Comptroller's office is responsible for preparation of the annual city budget and monitoring such budget. The annual tax levy is also the responsibility of the comptroller. All permanent records, leases, contracts, and agreements are filed and maintained by the Comptroller's office.

GOALS/OBJECTIVES

The Comptroller's Office goals for the next fiscal year are:

- Implementation of new Tyler/Munis Financial Software
- Develop new accounting policies to support operations
- Continue internal training opportunities to ensure city policy is practiced
- Continue to find ways to promote fiscal transparency

PAST FISCAL YEAR ACCOMPLISHMENTS

- Issued approx 350 payroll checks and over 9,200 direct deposit advices.
- Issued over 4,400 Accounts Payable checks, and 1,800 EFT payments
- Processed nearly 15,000 invoices
- Issued approximately 462 W2s and 382 1099s for both the city and library
- Provided Library AP support through Oct 2023 and Payroll functions through Dec 2023
- Resumed Tyler implementation which was put on hold in May 2022.

BUDGET SUMMARY

The Comptroller's budget is predominantly salaries & benefits. The increase is due to addition of an internal audit/financial analyst position. The City Audit cost and Pension actuarial costs all are expected to increase 3%; however budget is going down due to FYE 2024 having one-time OPEB implementation costs.

PURPOSE

The Legal Department consists of three attorneys: Corporation Counsel, Assistant Corporation Counsel and City Attorney. As legal adviser to the Mayor, City Council, and all departments of the City, the Legal Department seeks to promote good, efficient and responsible government within bounds of federal and state constitutions and laws for all of the citizens of the City of Quincy. The Legal Department works to fulfill the duties and responsibilities incumbent upon local government for the citizens of the City.

GOALS/OBJECTIVES

- To provide excellent legal service to the various City Departments in a timely manner
- To keep outside contractual legal services as minimal as possible.

PAST FISCAL YEAR HIGHLIGHTS

The Legal Department has dealt with several controversial issues during the past year, sanctuary cities for the unborn and unscheduled bus stops. The department has also vetted and helped interview collective bargaining attorneys as well as dealing with housing, nuisance abatement, FOIA reviews and various contract/agreement reviews.

BUDGET SUMMARY

The Legal budget is primarily salary and benefits. The majority of increase is in salaries. The Assistant Corporation Counsel budget is increasing by about \$9,000. There was also an increase of \$513 for dues.

**GENERAL FUND
BOARDS & COMMISSIONS**

**FIRE & POLICE COMMISSION
Detail**

The Board of Fire and Police Commissioners was created in May 1972. It consists of three members appointed by the Mayor. Board members are: Barry Cheyne, Mike McLaughlin (appointed 2/28/22 for a 3-year term) and Angela Caldwell (appointed 3/20/23 for a 3-year term). The Board of Fire and Police Commissioners is charged with the responsibility of hiring and promoting sworn members of the Quincy Fire and Police Departments. Testing is a major part of the Commission’s functionality and the budget is reflective of that.

The entry level testing process for both the Fire and Police Departments begins with written and agility tests and candidates eventually progress through polygraph and psychological tests and, finally, the physical exam. On the promotional level, testing costs include written tests and assessments by Illinois Chiefs’ Associations. The Board of Fire and Police Commissioners is committed to hiring and promoting the best qualified candidates and utilizes these objective testing processes to aid in the selection of such individuals. Another substantial associated cost is advertising the entry-level testing. Although the Board advertises in area newspapers, costs generally increase year to year.

In summary, the bulk of the budget submitted by the Board of Fire and Police Commissioners is directly related to the testing and hiring process.

**GENERAL FUND
NON-DEPARTMENTAL**

**Non-Departmental Transfers
Summary**

PURPOSE

The General Fund transfers out money on a regular basis. These transfers fall into three categories:

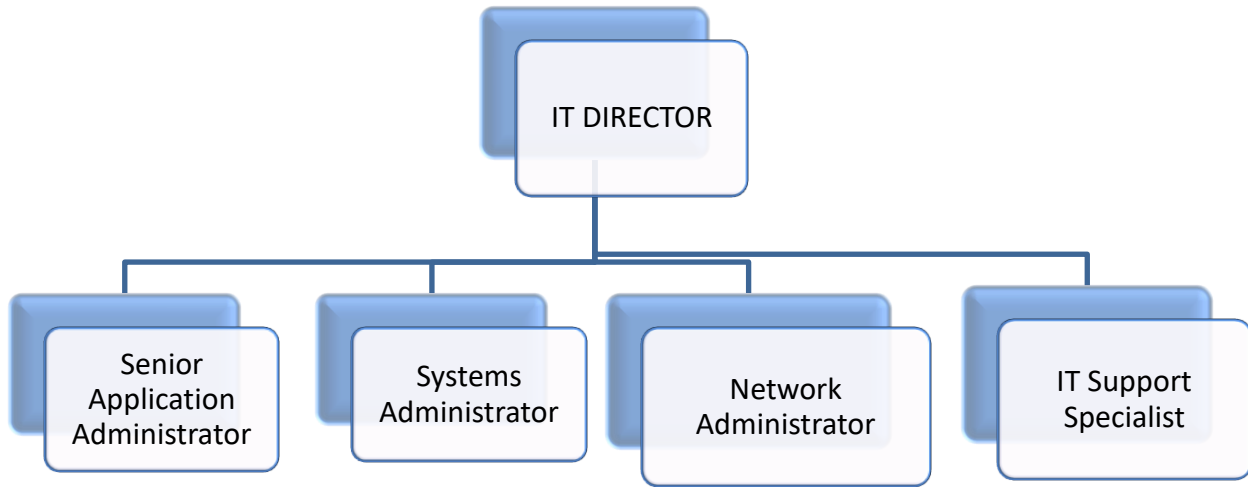

- 1) Subsidies to other City Departments to make up the shortage between their revenues and expenditures.
- 2) Subsidies to the City's component units, Quincy Public Library and Woodland Cemetery.
- 3) Transfers of tax dollars collected that are owed to or have been levied for another entity (e.g. Historic Quincy Business District, Library and Sales Tax rebate agreements).

BUDGET SUMMARY

The transfers to Capital Projects Fund 301 will receive over \$13 million in FYE 2025. Normally, the Transfer is 50% of Home Rule Tax so this is nearly double the normal funding rate. Most subsidies are up due to inflationary increases. The Library subsidy request increased \$374,000. The Sales Tax agreement with Prairie Crossing expired as of November 2023 sales tax collections.

PURPOSE

The Department of Information Technology (DoIT) provides technology leadership for the City of Quincy, including governance, architecture, resources, and expertise in deploying modern information technologies to improve government efficiency. DoIT is responsible for much of the technical infrastructure that makes city government run; telephones, computer networks, desktop/server support, data center, web site, building and information security and the municipal cable television channel. DoIT supports all city entities including Public Safety, Utilities, Central Services and Quincy Regional Airport. DoIT also provides secondary support services for the computer and network services for the Quincy Public Library.

GOALS/OBJECTIVES

- Evaluate new technologies to enhance current City services & provide additional efficiencies.
- Implement new information security controls to protect the City's computer systems and data.
- Evaluate current security controls to ensure compliance to both the CJIS and HIPPA requirements.
- Review current business strategies and processes to enhance City-wide operational efficiencies.
- Enhance the existing VMware Infrastructure servers and storage to improve overall performance.
- Implement additional cybersecurity protection for the City's network to protect against cyberattacks.

PAST FISCAL YEAR HIGHLIGHTS

- Implementation of Rubrik-on-site and cloud backup management solution.
- Implementation of Barracuda Impersonation Protection and Incident Response for increased email security and threat detection.
- Implementation of Keeper Password Management for IT Department staff to further safeguard privileged network and application access.
- Mobile Cop interface upgrade for LEADS 3.0 compliance for QPD/ACSO.
- Implementation of Halo ticketing system in conjunction with Anders CPA to provide more comprehensive Tier support for end users.
- Continued work on the Tyler ERP implementation project, with the Payroll and Financials modules targeted

BUDGET SUMMARY

The Information Technology FY2024-2025 budget includes an increase of \$165,010 in Salary & Benefits over the FY2023-2024 revised budget for the addition of two employees, bringing the department's staffing level from 3 to 5 employees. Travel, Mileage Reimbursement, and Registration line items have also been increased to cover training opportunities for new staff members. The Professional Services line item includes \$140,000 for continued support from Anders CPA to cover hiring and training new staff, as well as support during one staff member's military deployment; this Line item also includes \$60,000 to cover the cost of redesigning the City's website and implementing an agenda management and video recording solution. Funds have been allocated in the Computer and Repair & Maintenance line items for annual licensing subscriptions, and hardware and software maintenance contracts, with modest increases anticipated across the board based on historical figures.

PURPOSE

The Police Department operating budget is divided into seven divisions as follows:

- 2110 Administration: Management of all employees and programs of the department. These positions include: Chief of Police, Deputy Chief of Operations and Deputy Chief of Administration
- 2111 Civilian: Functions to support the operations: records, purchasing, payroll. These positions include the staff of the following offices: the Chiefs' Administrative Suite, Central Records, Traffic analysis/Fleet and the Pro-Act Unit
- 2112 Patrol: Responsible for carrying out the policing operations of the department: Patrol and Detective Commanders Patrol and Detective Sergeants, Administrative Services Sergeant and officers of the patrol officer rank regardless of assignment.
- 2113 Training: Costs for the training of the employees of the Patrol Division.
- 2115 Evidence Tech: Responsible for the evidence collection and storage function of the department. These positions include: Crime Scene Technician and PT Evidence Custodian
- 2116 Humane Officers: Includes Animal Control Program for the department, as well as the costs of the Quincy Animal Shelter contract and Animal Control Officer
- 2117 Auxiliary: Functions to account for the Quincy Police Auxiliary Unit of the department (unpaid volunteers receive an annual one-time stipend).

GOALS/OBJECTIVES

- Provide professional police service to the citizens of Quincy
- Send one new deputy chief to School of Police Staff and Command
- Hire, equip and train new police officers to fill any vacancies in FY25
- Prepare for the loss of one or two police officers due to retirement/resignation in FY25
- Hire, equip and train lateral transfer officers in FY25
- Purchase firearm ammunition and upgrade duty pistols to red dot sights
- Purchase three new marked police squad cars and one travel car
- Upgrade portable radios to P25 digital platform and take delivery of 21 mobile radios
- Deploy a 4-officer Special Investigations Unit
- Work toward accreditation through the Illinois Law Enforcement Accreditation Program (ILEAP)
- Purchase and implement a new CAD/RMS/Mobile software platform
- Approve a 5-year Animal Control Contract

PAST FISCAL YEAR HIGHLIGHTS

- YTD: Responded to more than 26,090 calls for service, 841 traffic crashes, and conducted more than 4,054 vehicle stops. YTD provided 7,333 total training hours to our officers
- YTD: provided 218 hours of D.A.R.E. instruction.
- Hired, equipped and trained eight new police officers and four lateral police officers
- Promoted two officers to the rank of sergeant
- Continued policy changes and maintenance with Lexipol
- Hired a new Crime Scene Technician
- Took delivery of and deployed three new marked squad cars and one travel van
- Patrol union contract settled, paid FYE 2022 and FYE 2023 retro pay ~ \$520,000
- Entered into a new 5-year lease with BodyWorn for in-car/body cameras
- Deployed the Flock Safety Automated License Plate Reader System
- The Department reached full staff (73 sworn officers) on December 28,2023

BUDGET SUMMARY

The Police pension contribution is increasing about 5%. The Patrol division Contractual Services are increasing \$284,000. This is due to a \$90,000 increase the new RMS system to replace the Logysis (\$45K) and the Evidence Beast interface with CAD (\$45K). The Police will start funding vehicle replacement in FYE 2024 which is a \$112,000 increase. The Patrol division capital outlay includes \$192,000 for 3 patrol cars, \$43,000 for one new travel van, \$40,000 for 10 new radios for auxillary police. Controllable assets include \$61,800 for red-dot sites abd mounting plates for office weapons and 1 new sniper rifle. The patrol budget will also see a \$24,000 increase in the debt service for the in-car/body cameras purchase. The animal shelter contract is budgeted at a 50% increase at \$210,000.

Quincy Fire Department Organizational Chart

PURPOSE

The Fire Department is budgetarily broken down into six different divisions. They are as follows:

- 2210 Administrative Division – This contains the salaries and expenses associated with the positions of Fire Chief and Deputy Chief of Operations
- 2211 Civilian Division – This contains the salaries and expenses associated with the two civilian positions within the department, the Administrative Director and the Administrative Assistant.
- 2212 Suppression Division – This contains the salaries and expenses associated with the individuals assigned to suppression activities. Additionally, this division houses all of the costs associated with equipment and apparatus needed to conduct suppression activities
- 2213 Fire Prevention Division - This contains the expenses associated with code enforcement activities of the department.
- 2214 Training Division – This contains the salary of the Deputy Chief of Administration as well as expenses associated with training all personnel .
- 2215 Building Maintenance Division – This contains the expenses associated with maintaining all five

GOALS/OBJECTIVES

- Maintain a level of service that maximizes every available dollar to ensure the best possible fire protection for the citizens of Quincy.
- To replace any additional vacancies that occur as quickly as possible to maintain the level of budgeted positions
- Continue to explore ways to improve delivery regarding Insurance Service offices ratings.
- Continue to maintain and improve the integrity of the QFD buildings, especially Central Fire Station
- Implement licensing agreements to develop a QFD website for better information sharing with the community.
- Integrate all QFD policies and procedures under a web-based program under contract with Lexipol to provide better risk management.

PAST FISCAL YEAR HIGHLIGHTS

- Expanded the utilization of Check-it software. To further track and schedule necessary fleet repairs and maintenance needs.
- Purchased 14 sets of firefighting PPE gear to cover new hires and to provide the personnel with two clean useable sets as part of our cancer prevention program.
- Began process of upgrading our radio equipment to the P25 digital platform with a purchase of about \$57,000 in equipment. The remaining purchase of an approximate \$175,000 to \$200,000 of equipment will occur upon receipt of AFG grant, which will require a 10% city match.
- Implemented a pre-fire plan inspection and training program component to our training division.
- Began a professional development program within the training division to improve and expand the officer training available to the department members. It will improve our operations and save time and costs to our members and allow for the reallocation of resources.
- Ordered two fire engine apparatus to replace a 1995 pumper and a 2001 pumper with expected delivery in 2025. This purchase also puts most of our front-line apparatus on a similar vehicle platform for operational and maintenance simplification.

BUDGET SUMMARY

The proposed budget accounts for the maintaining of our assets related to buildings and property. It also considers the replacement costs associated with department vehicles. This is a budget that allows for an efficient and effective use of tax dollars for public safety and increased building efficiency.

2210 - The Administration budget includes \$8,000 for the QFD website design and \$50,000 for the initial contract cost and implementation of Lexipol services.

2212 - The Suppression budget includes adjustments in salary and benefits due to four anticipated retirements. Sick, vacation and compensation time buyouts are increased due to the retirements. The budget also funds the pension at 104% of the annual required contribution. This budget has \$43,200 for the purchase of 14 sets of firefighting gear for new hires and clean useable second sets. Includes the start up of Vehicle Replacement Funding for the two trucks ordered in FYE 2024. Includes \$25,000 for the 10% match for the grant to purchase new radios and equipment and includes a rollover of \$53,277 from current budget for purchase of radios and equipment not covered under the grant.

2214 - The Training Division budget includes \$33,250 for sending 3 new hires to the academy. Also includes additional monies for training up to 10 personnel under our MABAS requirements. This training is eligible for reimbursement.

2215 - The Building Maintenance Division includes \$250,000 to replace the roof at Central Fire Station which should stop or reduce the infiltration of water and prolong the life of the

PURPOSE

The Public Works division of the General Fund is the Department of Central Services which consists of the following divisions: Administration, Forestry, Recycle, Paint/Sign, Nuisance Abatement, Street Maint (Concrete), and Brush/Compost. Administration oversees all the divisions. Forestry addresses tree trimming/removal, preservation of live trees, mosquito spraying, and maintaining the right-of -ways. Paint/Sign is responsible for roadway striping and street signage, Nuisance Abatement addresses blight and ensures beautification of our city, Concrete is responsible for street maintenance including snow removal, sidewalks, curbs/gutters, and pothole repair. Brush/Compost is the contractual curb-side brush collection and compost site functions.

GOALS/OBJECTIVES

The goal is to continue to provide the City of Quincy safe drivable streets and sidewalks for citizens and visitors. We also strive to maintain suitable neighborhoods in our town that encourage desirable living throughout.

PAST FISCAL YEAR HIGHLIGHTS

FY 2024 was the first full year of Drop-off Recycling at three site locations. The following services were provided to our city residents free of charge:

- Forestry - removed approx 210 trees, 240 stumps, and trimmed 140 trees
- Paint & Sign - striped 1,037 blocks of streets, painted 23,891 ft of curb and 390 intersections
- Concrete - installed over 361 yards of concrete and closed over 88 job orders.
- Nuisance Abatement - 199 properties addressed by clearing debris/garbage and mowing
- Snow Removal - City crews have spread 1,377 tons of salt this season
- Provided free curbside brush collection from mid March through mid December.
- Patch Truck installed over 127 tons of cold patch, along with nearly 182 tons of hot-mix asphalt
- Forestry purchased a new skid-steer/trailer (\$84,945) and planned to replaced 2008 Intl truck #72 with a heavy duty dump truck (which will hopefully arrive in FY2025)
- Recycling had cameras installed at all recycle sites
- The Yard Waste Contract effective 5/1/19 -4/30/24 was renegotiated for a term of 2 years.
- Concrete replaced a 2003 Ford F350 dump truck #107 and replaced it with a 2024 GMC Sierra Truck #155 for \$66,500.

BUDGET SUMMARY

The FYE 2025 budget includes the following:

Admin - \$16,000 repair & maint for new heaters and \$800,000 capital outlay 120'x60' building
Forestry - new mowing contract and \$90,000 for new stump grinder
Recycle will operate under the current hauling contract with no major changes
Paint & Sign will plan for temporary summer help to paint curbs
Nuisance Abatement has increased head count by one - 3 positions budgeted
Nuisance capital outlay \$12,000 stand-up new mower (after trade in 2006 Toro and 2007 Toro)
Concrete has reduced head count by one - 6.5 positions budgeted
Forestry awaiting replacement for 2008 International 7400 Truck #72 (ordered in FYE 2023)

Department of Utilities & Engineering

** Note: Left side of chart represents positions paid by the Utilities Department, but under the direction of the Director of Central Services

PURPOSE

The Engineering Department is responsible for the administration of public improvements within the City of Quincy. The Department duties include planning, estimating project costs, and designing & supervising construction of public infrastructure, such as water mains, sewer mains, streets, alleys and traffic control devices: review and evaluate proposed subdivisions and site plans for private construction; maintain traffic control devices within the City; maintain three (3) City-owned landfills; maintain City-owned parking lots; maintain the Amtrak station; and issue permits for excavations and improvements on City right-of-way. In 2022, The Engineering Department took over the maintenance of the city's GIS data.

GOALS/OBJECTIVES

The Engineering Department has set the following goals for the upcoming fiscal year:

- Continue to design the majority of the roadway projects and other various infrastructure improvement projects in the City.
- Complete design & construction of a new leachate pump station and force main to transport leachate from Landfill #2/3 to the City's sewage collection system to reduce operating costs.
- Add water main data to the City's GIS system.

PAST FISCAL YEAR HIGHLIGHTS

- Planned and managed the design and construction of approximately \$9 million in improvements to streets & buried city utilities
- Performed final design of roughly \$9 million in various infrastructure projects, saving the City approximately \$1 million compared to hiring a consulting engineering firm to complete the work
- Maintained the lead water service line database in the city and maps available to the public on the City's website.

BUDGET SUMMARY

Engineering:

- \$150k budget for Engineering/Architectural Surveying Services. Anticipated design services for 12th Street from Maine to Broadway
- \$10k budget in Repair & Maint/machinery & equipment for GIS and other software

Amtrak - Additional costs for repair & maintenance to building and slight increase to lease CPI

Landfill:

- Anticipated increase for leachate hauling contract for Landfills 2, 3 and 4.

CASH RESERVE FUND

SUMMARY

The Cash Reserve Fund was created in FY 2002 as a "rainy day" fund. The intended purpose of having the reserve is to cover unforeseen expenses or to replace unexpected revenue shortfall. The City Council adopted a Cash Reserve Policy which maintains the Cash Reserve Balance as 10% of the budgeted expenditures of the General Fund.

PURPOSE

The Department of Planning and Development consists of two offices that work together on the development of Quincy and the enhancement of the quality of life for its residents and businesses.

The Planning Office is directly involved in land development/regulation, economic development, short- and long-range planning, and grant writing. This office also coordinates the review of multi-family residential and commercial development plans with other city departments and administers the city's TIF Districts, Economic Development Loan Program, and its Retail Incentive program as well as the Adams/Brown County Enterprise Zone.

The Inspection Office enforces and administers the sections of the Municipal Code related to zoning, building, and property maintenance. On-site inspections are conducted based upon existing building code standards. The office's responsibilities also include issuing permits for construction, electrical, plumbing and signs; nuisance abatement; and consulting with the public, property owners, and developers on proposed building projects and construction standards.

Ordinance 9408 adopted 11/16/2020 uses proceeds to fund the fix/flatten program (25% of collected revenues)

The Department of Planning and Development provides staff support to fifteen (15) Boards, Commissions, and Committees.

PAST FISCAL YEAR HIGHLIGHTS

The Planning Department is responsible for overseeing all the Economic Growth initiatives throughout the City and administering all the associated funds that are related to Housing Development, Commercial Development Incentives, Riverfront, and the Economic incentives related to the Food & Beverage Tax. Additionally, the Planning staff manages all of the economic development grant funds.

BUDGET SUMMARY

The beginning fund balance of \$264,500 is the Restricted Cash for Fix/Flatten only. These expenses are budgeted in 201-3117 Nuisance division. Permit fees are projected to decline. The Inspection division plans to move the part-time plumbing inspector back to a full-time position. While the expenditures budget is increasing over all by 9.5%, the General Fund subsidy is down 16%

PURPOSE

Quincy/Adams County 9-1-1 Center is an inter-governmental agency of both the City of Quincy and Adams County. The oversight authority is the City of Quincy and Adams County Joint Emergency Telephone System Board (ETSB) that consists of nine members: three city aldermen, one county board member, Quincy Police Chief, Fire Chief of the Adams County Rural Fire Protection District Association, Adams County EMS Chief, PSAP Representative, and a public member. Adams CO Board Member Barbara Fletcher is the current ETSB chairman. 9-1-1 Director Jessica Douglas is the Chief Executive for Quincy/Adams County 9-1-1 System and reports directly to the ETSB. The 9-1-1 Director functions as a department head in both the city and county governments. Funding is provided by the Illinois ETSA surcharge and local revenue from the City of Quincy (60%) and Adams County (40%).

GOALS/OBJECTIVES

Objective. It is the objective of the Quincy/Adams County 9-1-1 Communication Center Public Safety Answering Point (PSAP) to provide the citizens of the City of Quincy and Adams County with the most efficient emergency communications possible.

In public safety dispatching, the immediacy of many incidents cannot be overemphasized. Speedy communications can mean the difference between capturing a suspect and letting him get away, preventing a major fire and letting one escalate, or even life and death. Further, accuracy in communication is of utmost importance. Achievement of both speed and accuracy is the mark of successful public safety dispatching.

Goals. There are two primary goals for effective and efficient 9-1-1 dispatching:

- 1) To provide 24-hour per day availability for receiving 9-1-1 and other public safety calls and dispatching law enforcement, fire protection, and emergency medical and ambulance services as needed.
- 2) To provide an effective and efficient system that processes incoming calls and, as necessary, dispatch response units in an accurate and speedy manner.

These goals emphasize the need for emergency communications to be available to callers at all times, day or night, throughout the year, and to focus on two essential features of dispatching: doing the job well and doing it quickly.

PAST YEAR HIGHLIGHTS

Calls

Total 9-1-1 Calls:	33,387
Total Non-Emergency Calls:	60,798
Total Alarm Line Calls:	3,866

CAD Incidents

Quincy Police Department:	29,314
Quincy Fire Department:	4,273
Adams County Sheriff Dept:	12,938
Adams County Ambulance:	8,889
Tri-township Fire Department:	608
Rural Fire Departments:	332

BUDGET SUMMARY

Fund 202 includes personnel costs for 17 full-time and 3 part-time employees. Costs associated with a capital project, implementation of a new Records Management System (RMS), are part of the submission for this fiscal year as they are not allowable ETSA fund expenses. This is of necessity due to the current vendor going out of business at the end of the 2024 calendar year. Personnel uniform costs are also part of the budget submission as they are not allowable ETSA fund expenses.

FUND 203 HOUSING RESOURCE FUND

SUMMARY

The City Council in 2022 allocated \$1,000,000 in general fund reserves to fund the Small Rental Rehab Program (SRRP). The purpose of the SRRP is to expand the availability of safe, decent, and affordable housing for individuals or families. The City offers financial assistance to owners/developers/etc. to renovate, convert, or construct rental properties (four units or fewer) west of 18th Street within the city limits. The expectation is that \$250,000 will be available each year for four years to fund the renovation of 12 rental units.

Round 1 (Feb. 2022): Ten projects (15 total units) were approved for \$233,000 in SRRP funding. Owner match of \$749,000 for a total investment in new and renovated housing units of \$982,000.

Round 2 (Nov. 2022): Five projects (11 total units) were approved for \$178,000 in SRRP funding. Owner match of \$486,000 for a total investment in new and renovated housing units of \$664,000.

Round 3 (Dec 2022) Six projects (13 total units) were approved for \$260,000 in SRRP funding. The total owner match of \$1,059,000 for total investment in new and renovated housing units of \$1,319,000. We have awarded \$642,044 in SRRP funds, with \$2,208,632 in private investments. We paid out \$233,138 in SRRP and private investment has been \$831,700.

PURPOSE

The City of Quincy and Adams County Joint Emergency Telephone System Board (ETSB) receives monthly revenue from the Illinois State 9-1-1 surcharge for Fund 204. Fund 204 earmarks a portion for operating expenses: the balance of the revenue is allotted for capital saving for capital equipment purchases in accordance with the Emergency Telephone System Board's long-range Capital Equipment Replacement Plan.

GOALS/OBJECTIVES

Allocate surcharge funding for capital projects and allowable operational expenses per Emergency Telephone Systems Act. (ETSA)

BUDGET SUMMARY

The capital outlay is planned as follows: \$4,000 for a copy machine, \$200,000 in expenses rolling over from the current fiscal year for radio infrastructure P25 upgrade and site addition, and \$400,000 for implementation of a new Computer-Aided Dispatch (CAD) system as the current vendor is going out of business at the end of the 2024 calendar year.

The total capital project cost for CAD/RMS implementation of \$500,000 is being included in the budget submission this fiscal year, \$100,000 coming from Fund 202 and \$400,000 coming from Fund 204.

PURPOSE

The Franchise Fee "Green Energy" Fund was created in FY 2012 following passage of a resolution on March 7, 2011. The Ameren Illinois electric and gas franchise fees are the source of revenue for this fund. The current Ameren agreement expires 12/31/2051. The resolution commits the revenues as follows: 1) To fund utility costs that were once considered "utility credits" 2) use 50% of the balance to fund energy efficiency related improvements to city facilities and 3) use 50% of the balance to pay down the city hall's HVAC debt, fund city pension liabilities, and pay down other city bond indebtedness.

BUDGET SUMMARY

Based on the Ameren contract negotiated in FY 2021, we anticipate the Franchis Fee "Green Energy" fund to collect revenues around \$500,220 for the remaining 28 years of the contract.

The Franchise Fee "Green Energy" fund transferred \$440,000 to the General Fund to be used for police/fire pensions and \$60,220 to reimburse for utility credits.

FUND 210 MOTOR FUEL TAX

SUMMARY

PURPOSE

The Illinois Motor Fuel Tax (MFT) Fund is derived from a tax on the privilege of operating motor vehicles upon public highways and of operating recreational watercraft upon the waters of this State, based on the consumption of motor fuel. The Department of Transportation allocates these monies according to the provisions outlined in the MFT fund distribution statute, 35 ILCS 505/8 and distributes MFT to the counties, townships, and municipalities.

PAST YEAR FISCAL HIGHLIGHTS

The 6th and final installment of the REBUILD ILLINOIS bond grant funds was distributed this past year. In total, the City has received \$2,677,874 over the past 3 years which was used for the reconstruction of North 16th Street north of Locust Street and will be used for the replacement of the bridge carrying Harrison Street over Curtis Creek.

BUDGET SUMMARY

\$1.3 million has been appropriated for street resurfacing, \$400,000 for crack sealing (This work takes place every 2-3 years. \$500,000 for patching materials, rock salt, streetlights, and other miscellaneous roadway items, 1.1 million of 2023 resurfacing is carrying over to this FY.

FUND 211 TRAFFIC SIGNAL FUND

SUMMARY

PURPOSE

The Traffic Signal Fund was established to account for construction, maintenance and operation of traffic signals in the City. The Traffic Signal Fund receives revenue from Illinois Department of Transportation for cost sharing of operation and maintenance of traffic signals on state routes. There is also insurance reimbursements which occur when private entities damage traffic signals.

FUND 212 TOWN ROAD TAX FUND

SUMMARY

PURPOSE

Under 605 ILCS5/6-505, the City is entitled to receive one-half of the amount generated from the general road district tax levy on property that lies both within the City of Quincy and Township. Funds are only received from Riverside Township. The statute require that if this money is not appropriated within one year by the City it should be expended to the township road district.

PURPOSE

The Economic Growth Fund was established on December 19, 2020, by City Council Ordinance 9398. The City imposed a 1% Food and Beverage Tax that went into effect May 1, 2020. This tax will sunset on April 30, 2025. The Ordinance established that funds derived from this tax shall be used to spur economic development initiatives in Quincy and achieve population growth of 40,000 by 2030 under the "40 by 30" program.

BUDGET SUMMARY

Programs Funded with revenue from the Food and Beverage Tax:

- Tourism Marketing Contract with QACVB - \$100,000
- Retail Recruitment Contract with Retail Strategies - \$45,000
- Vacant Anchor Retail Program (tax rebates to developers who fill big boxes)\$2,000,000
- Bet on Q Entertainment Underwriting - \$150,000
- Hotel Development Fund - \$1,000,000
- \$30,000 funding to Adams County Bi-Centennial Commission
- \$25,000 to Qcy Society Fine Arts
- \$100,000 for High Impact Tourism - QCVB contract
- \$100,000 Business Improvement Fund

PURPOSE

The Mid-Town Business District Fund was created to address existing blighted conditions and to encourage private investment and the attraction of sound and stable business and commercial growth. The Mid-Town Business District is located north of Broadway Street between North 30th and 36th Streets, including the entirety of Quincy Town Center and adjacent vacant big box stores.

Fund 224 Arts Commission Fund

SUMMARY

The Art Commission Fund is used to align public art priorities with the Quincy Next Strategic Plan and increase support for the arts in Quincy through promoting arts and tourism assets for residents and visitors. The primary source of revenue is public and private donations and grants. These funds are used to develop, maintain, and promote public art projects.

FUND 242 STATE FORFEITURE FUND

SUMMARY

The State Forfeiture Fund revenues are either drug fines from the Adams County Circuit Clerk or forfeitures from state criminal cases when the West Central Illinois Task Force is involved. This fund may be used for equipment, investigations, training, travel and transportation, awards and memorials, education and awareness programs, related to crime investigations, crime prevention and community outreach. We anticipate using forfeiture funds.

FUND 244 CRIME LAB FUND

SUMMARY

The Crime Lab Fund receives funding when an offender is ordered to pay certain court cost, fees and fines. Reimbursement fees for cannabis processing done by our Crime Scene Technician are considered a crime lab fee. This fund may be used to purchase items related to crime scene/evidence processing.

FUND 248 POLICE CRIMINAL REGISTRATION FEE FUND

SUMMARY

This fund was created in FYE 2019 to account for the collection of registration fees from criminal sexual predators and violent offenders of youth. The collection of this fee follows the State Code/Public Act which enacts collection. The revenue can be used for equipment related to sex offender registration & investigations, including overtime costs. These OT costs are reimbursed as transfers to the General Fund.

PURPOSE

Quincy Transit Lines (QTL) has 8 fixed route buses operating Monday through Friday which cover the entire City of Quincy. Fixed route service also operates on Saturday, Sunday and Holidays with 2 routes. QTL provides paratransit services 7 days per week and on holidays. Monday through Friday we operate 5 paratransit buses and on Saturday, Sunday and Holidays we operate 1 bus. In addition to these operations we also provide Senior Transportation using 4 vans Monday through Friday.

GOALS

Quincy Transit Lines is looking forward to getting several projects underway in the next year.

- Complete rehabilitation of the original Transit Building at 1900 Seminary Road creating an ADA-accessible office space and adding an automated bus wash system.
- We are budgeting for the addition of one Paratransit route moving us to 6 per day and hopefully reducing the number of trips we must deny because of limited capacity, therefore serving the community better.

PAST FISCAL YEAR HIGHLIGHTS

- 1) Quincy Transit completed the long overdue route study and several options were provided by the firm hired to complete this study. We are working towards a determination in the Transit Committee to determine what might best serve the Quincy Community.
- 2) We were notified that we have been selected to receive 10 full-size buses, and 3 light-duty buses based upon a grant written in 2022. These buses will replace our frontline 2016 fixed route buses and three of our Paratransit buses. This will allow us to move 1 2018 bus and 1 2019 bus from Paratransit into the Quincy University service which will replace buses that are more the 15 years old.

BUDGET SUMMARY

This year the proposed budget includes \$3,612,429 in Downstate Operating Assistance grant funding and \$693,292 in Federal 5311 Grant funding. The Grants for the relocation of the Transfer Point and the Rehabilitation of the building are shown in fund 305 total Capital grant funds are \$5,141,834.00.

PURPOSE

The Bridge Lighting Fund was created in FY 2013 to account for all the local donations for the Bridge Lighting project. IDOT granted the City a \$456,000 federal transportation enhancement grant, which requires a local match of \$124,000. The private sector to date has contributed \$174,500 towards the local match and operational costs. Klingner has done the engineering work and Brown Electric won the IDOT construction bid in 2014.

The fund was originally treated as a Trust and Agency Fund (Fund 723). However, we have converted the fund to a Special Revenue Fund as the City owns and maintains the Bridge Lighting.

BUDGET SUMMARY

In Fiscal Year 2024, \$59,000 was spent to replace burned out lights and \$60,000 was donated to the Fund.

PURPOSE

The Capital Projects Fund is the main fund for major city projects and infrastructure improvements. The revenue source for these projects is the City's Home Rule Sales Tax. Each year a percentage of home rule sales tax is allocated to Capital.

PAST YEAR HIGHLIGHTS

In FYE 2024 this fund received additional funding above the Purchase Tax distribution. Over \$2 million in ARPA reimbursement funds were allocated for purchase of new fire apparatus (\$1 million) and to ward funds (\$150,000 per ward = \$1,050,000).

BUDGET SUMMARY

The FY 2025 Capital Projects fund is budgeted to receive over \$13 million. While \$6,052,500 represents 50% of home rule tax, this distribution represents fund balance transfer. The Home Rule split is allocated \$400,000 to each ward along with \$3.2 million in Neighborhood Enhancement. The additional \$7 million is allocated as \$3 million for City Hall, \$3 million street infrastructure, and \$1 million Amtrak parking lot.

FUND 305 TRANSIT CAPITAL PROJECTS FUND

SUMMARY

This fund was created in FYE 2023 for the purpose of tracking two Transit Capital Grant projects.

TRB01: Transit Building Grant - \$2,507,096 federal grant for the Building/Bus Wash at Seminary Road

MR659: Transfer Station Grant - to construct a new Transfer Station to be located at Parking Lot A, between 6th & 7th on Jersey, covered by two grants (Round 2 and Round 3, no Round 1 issued)

\$1,249,440 state funded (round 2) grant for a new with a total project cost of \$3.7 million.

\$3,892,394 state funded (round 3) for a total grant of \$5,141,834

FUND 309 SPECIAL CAPITAL PROJECTS FUND

SUMMARY

The Special Capital Projects Fund was created in FY 2000 to track special capital projects and is now essentially the operating fund for the Washington Theatre. All project costs related to the Washington Theatre are tracked separately within this fund to make sure revenues are sufficient to cover expenses.

The Theater currently has two commercial tenants leasing spaces. Due to the limited revenues, the expenses are only utilities, insurance, and taxes. Any building maintenance will be funded from the fund balance.

FUND 312 SPECIAL TAX ALLOCATION TIF #2

SUMMARY

The Tax Increment Financing (TIF) is a governmental financing tool that the City of Quincy uses to fund public infrastructure construction, promote development, and to expand the future tax base.

TIF #2, also known as TIF West, was established in 1998 and expires in 2033.

The goal is to direct TIF revenues when possible toward: 50% private investment, upper floor residential, economic development incentives to attract new business, 35% toward infrastructure needs, and 15% toward discretionary projects. These percentages were established in the TIF Investment Plan adopted by City Council 2/2/2015.

FY 2025 plans for funding a portion of Downtown Beautification Contract, 6th Street project (\$1.25 million), Riverfront development, and the Downtown Rental Rehab program.

FUND 313 SPECIAL TAX ALLOCATION TIF #3

SUMMARY

The Tax Increment Financing (TIF) is a governmental financing tool that the City of Quincy uses to fund public infrastructure construction, promote development, and to expand the future tax base.

TIF #3, also known as TIF East, was established in 2010 and expires in 2033.

The goal is to direct TIF revenues when possible toward: 50% private investment, upper floor residential, economic development incentives to attract new business, 35% toward infrastructure needs, and 15% toward discretionary projects.

The FY 2025 budget plans to fund Parking Lot F and portion of 6th Street project.

FUND 315 SEWER EPA 2019 PROJECT FUND

SUMMARY

This fund was created in FY 2019 to account for Illinois EPA funded capital improvement projects to the City's sewage collection and treatment system. The EPA issues forgivable loans for qualified projects.

In FY25, the City expects to receive \$6.5 million in loan funds from the Illinois EPA for 2nd Phase planned improvements at the sewage treatment plant and CSO project 2nd phase.

FUND 317 AMERICAN RESCUE PLAN REIMBURSEMENT FUND

SUMMARY

This fund was created in FYE 2022 for the purpose of collecting and expending the ARPA (American Rescue Plan Act) funding reimbursement. Other home rule communities are also creating capital project type funds to account for the funding. This will accomplish separate fund reporting for audit purposes and to not distort the General Fund with the additional revenues/expenses. The City was able to claim eligible public safety salary/benefit expenses to claim the entire ARPA grant award. The funding arrived before the expenses were claimed. In FY 2022 the first tranche of \$2.7M was received and was disbursed in FY 2023 to Ward funds (\$2.1 million) and \$15,000 to Cyber incident recovery. The second tranche of \$2.7 million received in FY 2023 is approved in federal ARPA portal in early FYE 2024.

Two resolutions were approved using these reimbursements to encourage private residential housing development:

1) Resolution adopted June 14, 2022 Incentives for New Residential Construction West of 12th Street between Harrison and Locust Streets - reimburses Utilities for maximum of \$5,000 for water extensions and maximum of \$10,000 for sewer extensions . This resolution sunsets in Dec 2024.

2) Resolution adopted November 28, 2022 Incentives for City water connection waiver and Building Permit waivers for fire sprinkler installation projects paid to Planning & Development.

Approx \$82,000 was committed by Council March 6, 2022 granting permit fee waivers for 8th & Jersey development. The resolutions to offer water/sewer extension incentives have not triggered interest after nearly two years; therefore, upon the sunset date of December 2024, the funding will be disbursed to the Water fund to aid city taxpayers in controlling water/sewer rates. This \$1 million represents a 5% reduction to the overall proposed cost of \$20 million water/sewer improvements.

FUND 323 2019B GO STREET PROJECT FUND

SUMMARY

This fund was created in FY 2020 to account for \$19 million bond proceeds that funded capital improvements to city streets, sidewalks and other transportation related infrastructure.

The projected budget for FYE 2025 plans to expend \$1 million on the 48th Street intersection project and \$500,000 for Prairie Crossing city-owned streets.

Also budgeted are Arbitrage calculation fees and yield restriction fees owed on the tax-exempt bond proceeds not being spent down within timeframe and earning in excess of yield limits.

The remaining fund balance is approx \$1.76 million as of 2.29.24.

FUND 395 QMEA CAPITAL RESERVE FUND

SUMMARY

The QMEA Capital Reserve Fund was created in July 2009 as a result of the intergovernmental agreement with Quincy Metropolitan Exposition, Auditorium, and Office Building Authority (QMEA). The Hotel/Motel tax revenues are re-distributed based on the inter-governmental agreement with the QMEA (Quincy Metropolitan Exposition & Auditorium) / Oakley-Lindsay Center. A new agreement was just passed in December 2022. The new agreement will allow for Hotel/Motel taxes to be distributed to this fund on a monthly basis. This fund holds excess hotel/motel tax collections for capital needs at the Oakley-Lindsey Center (OLC).

FUND 397 FIRE EQUIPMENT/IMPROVEMENT FUND

SUMMARY

This fund was created in FY 2012. The purpose of the Fire Equipment Improvement Fund is to utilize the revenue from the Illinois Veteran's Home fire protection for the specific purpose of fire equipment replacement. In FY 2018 this fund purchased two pumper trucks with the assistance of loan from the General Fund. The loan was repaid in FY 2022 using the revenue generated from the fire protection revenues. Also, in FYE 2022, the Capital Projects Fund 301 disbursed the funding earmarked for "Fire Station Reserve" funds to this fund.

There are no specific plans for spending; but the total available has been appropriated to replace Fire Apparatus, if needed.

CITY OF QUINCY

Department of Utilities & Engineering

Steve E Bange, P.E.
Engineering Manager

City Hall - 730 Maine Street
Quincy, Illinois 62301-4048
(217) 228-4527

Initial Issue Date – March 22, 2024

The Department of Utilities & Engineering presents the following Capital Improvement Plan (CIP) for the City of Quincy covering the period of May 1, 2024 through April 30, 2029 (i.e., fiscal years FY25 through FY29). This CIP was developed from input of staff, Department Heads, Aldermen and the Mayor’s office, as well as the fiscal condition of the City and projected revenues over the course of the planning period. Total identified capital needs are approximately \$92 million for governmental activities. Of this amount, we anticipate \$15.5 million to come from grants or federal funding. The capital expenditure far exceeds the expected revenues. The proposed CIP includes the consensus highest priority projects that can be completed with the available funds. Since priorities and available funds may change over time, the CIP shall be periodically reviewed and revised, but not less than annually.

The CIP for governmental activities will be funded by bond funds, Home Rule sales taxes (HRST), motor fuel taxes (MFT), Tax Increment Financing (TIF), Federal Transportation (FAU), and various grant funds. Coordinated improvement of the City’s water and sewer utilities was considered in this CIP. Enterprise funds (Funds 501 and 502) will be provided to complete utility improvements, if any are required, for each street improvement project. The proposed CIP will be funded as follows:

Home Rule Sales Taxes.....	\$36,400,000
Motor Fuel Taxes	\$6,000,000
Sewer Enterprise Funds	\$10,400,000
Water Enterprise Funds	\$23,700,000
<u>Grant / Federal / TIF Funds.....</u>	<u>\$15,500,000</u>
Total.....	\$92,000,000

Summaries for the complete list of projects in the five-year CIP are shown on the following pages. As noted previously, the CIP is subject to change based upon new information, availability of funds and/or changes in priorities.

Capital Improvement Plan FY25 - FY29

Ward Spending by Source of Funds

PURPOSE

The 2019A bond issue of \$3,425,000 (Ordinance 2019-23) was the refinance of the former Series 2009C Library G/O Bonds (\$5,533,000) which were issued to finance improvements to the Quincy Public Library (Ordinance 2009-27). These bonds are financed through the property tax levy with a final levy in 2027 to be collected in FY 2029 with final payment June 1, 2029.

The Series 2017 G/O Note was issued February 2017 (Ord 2017- 07) in the amount of \$4,240,753. The debt was issued to fund the Adams County public safety building in exchange for a 20-year lease allowing the Quincy Police Department to relocate and occupy the new space for 20 years. The debt was structured as interest only payments for the first three years (FY 2018-FY 2020) followed by seven years of principal and interest with final payment due December, 2026 - FY 2027. The FY 2020 budget includes a transfer from the Capital Projects Fund 301 fund in the amount of \$124,000 for interest payments which will be transferred from internal sources until FY 2021 when the debt service will be placed on the tax levy.

The additional bond proceeds of \$240,000 are being held to cover maintenance costs over the life of the lease.

The final payment will be levied during the 2025 levy and paid in FYE 2027.

FUND 416 2019B G/O Bond

SUMMARY

The Series 2019B G/O debt was approved Council on August 27, 2019 as Ordinance 2019- 23. The bond proceeds of \$19 million were receipted into the 2019B Street Projects Capital Project Fund on November 21, 2019. The debt was issued to fund a City Wide Street Infrastructure program (resolution approved by Council on Dec 9, 2019). The City issued the bonds to replace expiring debt that was falling off the property tax levy. The debt was structured to maintain a flat infrastructure tax rate of .2589 or lower with a 20 year debt schedule.

The final payment is due December 1, 2039 and will be levied during the 2038 property tax levy and paid in FYE 2040.

Public Works Org Chart

PURPOSE

The Water Department is responsible for the treatment, storage and distribution of potable water to residential, commercial, industrial and other users, as well as the financial management of the water utility. The Water Department is funded by user charges for water service, which include fixed monthly demand charges (based upon meter size) and metered consumption charges. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the water utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY2025:

- Floodproof and rehabilitate the water treatment plant pump station
- Invest in capital replacement of aged water distribution system components in conjunction with street improvement projects
- Construct new water pump station to improve pressure and fire flows east of 42nd Street

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal year, the Water Enterprise Fund:

- Produced a net operating income of approximately \$2.8 million
- Invested approximately \$1.4 million in capital improvements to the water distribution system

BUDGET SUMMARY

Revenue projections for FY25 are based upon a metered water sales volume similar to recent years and a proposed rate adjustment effective May 1, 2024. Operating revenues for FY25 are projected to be \$12.41 million. Operating expenses (which excludes debt service and capital investments) are projected to be \$9.61 million. Budgeted operating expenses are \$1.52 million above projected FY24 levels, which is largely due to additional meter purchases (+\$700k), projected changes in electrical unit prices (+\$220k), increases in insurance (+\$170k), and projected changes in chemical unit prices (+\$150k). The water fund is projected to produce a net operating income of \$2.8 million in FY25, prior to capital investments and debt service.

Total debt service on prior borrowing will be roughly \$820k, which leaves \$2.0 million in profits available for capital investment.

A total capital expense budget of roughly \$20.2 million is proposed. Capital funding includes:

- \$10 million for floodproofing and rehabilitation of the WTP pump station
- \$5 million for relocation of existing watermains on Broadway from 12th to 36th Streets
- \$3.6 million for water infrastructure replacement associated with FY25 Fund 301 street improvement projects
- \$1.4 million for construction of the Harrison pump station
- \$200k for replacement vehicles and equipment

Additional borrowing of \$18 million is planned to fund these capital infrastructure investments and to maintain the minimum reserve per adopted policy. Fund 501 is projected to begin FY25 with a cash reserve balance of \$4.2 million and end the fiscal year with a cash reserve balance of \$3.7 million.

PURPOSE

The Sewer Department is responsible for the collection, treatment and disposal of sanitary and combined sewage (sanitary sewage + storm water) generated in areas served by public sewers, as well as the financial management of the sewer utility. The Sewer Department is funded by user charges for sewer service, which include fixed monthly demand charges (based upon meter size) and usage charges based upon metered water consumption. As an enterprise fund, the fund is expected to be self-sufficient and revenues for services rendered should fund all expenses associated with the maintenance and administration of the sewer utility.

GOALS/OBJECTIVES

The Utilities Department has set the following goals for FY2025:

- Complete Phase 2 wastewater treatment plant rehabilitation project
- Complete conversion to a dry biosolids disposal process
- Repair and replace defective sewers in coordination with street improvement projects

PAST FISCAL YEAR HIGHLIGHTS

In the previous fiscal year, the Sewer Enterprise Fund:

- Produced a net operating income of roughly \$3.0 million
- Invested roughly \$2.2 million in capital improvements to the sewage collection system
- Purchased a biosolids dewatering system to reduce sludge disposal expenses

BUDGET SUMMARY

Revenue projections for FY25 are based upon a metered water sales volume similar to recent years and a rate adjustment effective May 1, 2024. Operating revenues for FY25 are projected to be \$9.28 million. Operating expenses (which excludes debt service and capital investments) are projected to be \$5.35 million. Budgeted operating expenses are roughly 5.1% above projected FY24, which accounts for expected inflation in the input costs. The water fund is projected to produce a net operating income of \$3.93 million in FY25.

Total debt service on prior borrowing will be roughly \$1.5 million, which leaves \$2.4 million in profits available for capital investment.

A total capital expense budget of roughly \$4.89 million is proposed, which excludes the Phase 2 wastewater treatment plant rehabilitation project (which is budgeted in Fund 315). Capital funding includes:

- \$3.65 million for sewer infrastructure replacement associated with Fund 301 street improvement projects
- \$850k for design engineering services for planned FY25 projects
- \$350k for replacement vehicles and equipment

Additional borrowing of \$3.0 million is planned to fund sewer infrastructure improvement projects and maintain the minimum reserve per adopted policy. Fund 502 is projected to begin FY25 with a cash reserve balance of \$2.5 million and end the fiscal year with a cash reserve balance of \$3.1 million.

PURPOSE

The Quincy Regional Airport-Baldwin Field is owned and operated by the City of Quincy. The airport provides a safe and secure environment for aircraft operators who serve private, corporate, and commercial travelers. The airfield is a public asset open to users 24 hours a day 365 days a year. The purpose of this fund is to develop and maintain airport facilities and infrastructure in accordance with federal standards. The airport has a 24.7 million dollar economic impact on the region by serving the public and private sectors of air travel. Quincy is an Essential Air Service Community served by Southern Airways Express, and subsidies allow daily air service to and from Chicago O'Hare International Airport and St. Louis-Lambert International Airport. The airport sits on a 1,100 acre parcel of land and includes over 20 structures, two runway surfaces, an interconnecting taxiway and

GOALS/OBJECTIVES

- Meet and exceed FAA 14 CFR Part 139 requirements and TSA 49 CFR 1542 regulations
- Support the commercial airline in an effort to ensure safe and timely air service to the community.
- Promote continued development by supporting the variety of tenants who do business at the airport.
- Explore additional revenue channels to decrease the general fund subsidy.
- Substantial completion of multi-year runway project

Projects for FY 2025:

- Complete terminal building foundation work bid out in FYE 2024 (\$206,500, Rees Construction)
- Replace Airport Terminal Roof estimated at \$1 million (65% BIL funded, 35% from city match/loan)
- HVAC replace 9 units at main terminal estimated at \$105,000
- Add Holding Area restroom estimate \$100,000 (65% BIL funds, 35% city match)
- Phase 4 runway improvement to be substantially completed

PAST FISCAL YEAR HIGHLIGHTS

Phase 3 Runway Infrastructure improvements were substantially completed. January 8, 2024 Council approved Foundation Repairs \$206,500; work not completed and re-budgeted in FYE 2025. The CARES funding was still an eligible source for operating revenues; therefore no expenses were available to claim the Aviation Fuel Tax grant. Made 1st loan payment for solar project. Renegotiated new farm lease. Received approval to replace the 1988 Ford single axle dump truck at \$200,000 (PO should roll over). The Airport should end FYE 2024 with fund balance \$406,500 (funding from GF For foundation work and Truck replacement) plus loan funds of \$440,000 in restricted cash.

BUDGET SUMMARY

The Airport fund is planning to roll over funds for both the Terminal foundation repair (\$206,500), the Dump Truck replacement (\$200,000) and use the remainder of loan proceeds for BIL funding match (roof and restrooms).

This budget includes funding for major capital improvements in line item 511-4314-413-52-02 Capital Outlay/Building:

- \$ 206,500 foundation repair, Rees Construction PO 154719
- \$ 1,000,000 for Roof project estimated BIL reimbursement of \$650,000 - city funds \$350,000
- \$ 100,000 Terminal holding area restroom estimated BIL funding of \$65,000 - city funds \$35,000
- \$ 105,000 HVAC units
- \$1,411,500 total

\$284,000 in Capital Outlay/Infrastructure for Crack Sealing on terminal apron (using remainder of BIL funds)
 \$200,000 in Capital Outlay/Vehicles 511-4314-413-52-05 to replace 1988 Ford plow truck

PURPOSE

The Passenger Facility Charge Fund (PFC) collects a charge of \$4.50 per passenger travelling through Quincy Regional Airport. The charge is federally regulated and all projects using PFC funds must be approved and audited by the FAA.

GOAL/OBJECTIVES

- Provide a safe, secure and comfortable experience for airline passengers.
- Maintain and upgrade aging passenger facilities.
- To fund the interest portion of \$1.5 million loan from General Fund for airport match on infrastructure projects *(Loan date Jan 2021, final payment due Dec 2030)*

PAST YEAR HIGHLIGHTS

- Paid interest on the local debt service on runway improvements
- Worked with FAA to determine list of appropriate projects for PFC Funding

BUDGET SUMMARY

Budget includes using PFC funds towards capital projects planned in Airport Fund 511
 \$ 150,000 in Capital Outlay/Building

FUND 513 AIRPORT HANGAR FUND

SUMMARY

The purpose of the Airport Hangar Fund is to ensure the ability to develop and support general aviation at the Quincy Regional Airport. Revenues are made up of current hangar lease payments and interest. The fund provides the ongoing maintenance of existing hangar facilities and an investment in the development of future hangar facilities.

PAST FISCAL YEAR HIGHLIGHTS

- Knapheide hangar pavements (UIN 5025) nearly completed
- Hangar Rental revenues have been shifted from 511 so all are being receipted here in Fund 513
- Made determination to not proceed with UIN5026 T-Hangar project. Too costly and no payback on investment.

BUDGET SUMMARY

UN5025 is a "Capital Bill FY 2020" project that is nearly completed with some outstanding invoices. There is additional expenses outstanding on the AP 5025 project of \$13,337. Planning for contingency expenses of \$50,000 in repair & maintenance building and allowance for property tax increases on leaseholds.

Active Projects	Description	Total Project	City Match	O/S Revenue	O/S Expenses	Status

PURPOSE

The Quincy Regional Barge Dock is owned by the City of Quincy and has been operated by the City since May of 2000. The fund generates revenue based on charges per ton for all barges unloaded at the City dock. The Department of Utilities & Engineering oversees Barge Dock operations.

PAST FISCAL YEAR HIGHLIGHTS

Revenues generated over past year exceeded projections. The 29 cent per ton user fee (generated for capital improvements) was imposed with a cap of \$300,500. The FYE 2024 cumulative total is around \$250,000. The final payment on the \$4.4 million elevation/improvement project was made this year. Also, the first debt payment was made on the \$2.34 million loan to General Fund.

BUDGET SUMMARY

Projected tonnage is expected to continue to generate more revenue next year. The capital improvement fee is projected to stop in the first quarter once the max revenue is generated. Barge Dock will continue to increase fund balance while making the debt repay to the general fund.

PURPOSE

The Quincy Regional Training Facility will begin its 19th year of operation in May of 2024. The facility continues to be used by emergency services organizations in, and around, the Quincy Area. Additionally, the facility was used by the Adams County Ambulance Service, Tri-Township Fire Department, John Wood Community College, Adams County Sheriff and the Illinois State Police. The drill grounds are used on a constant basis and provide excellent access to hands-on training that is not otherwise easily secured.

PAST FISCAL YEAR HIGHLIGHTS

- This past fiscal year saw the 3rd year of the Western Illinois University Skills Academy. This six-week educational experience was conducted for 19 students in the WIU Fire Science Program. Students were housed at, and fed by, Quincy University. Classroom sessions and skill sessions took place at QRTF. This first year generated some monies that will be reinvested into the facility for the next class to take place in the spring of 2024.
- The facility continues to see large law enforcement utilization, both in the classrooms and the drill ground. The drill ground provides an excellent location to allow special response teams to practice their craft. In addition, one classroom at the facility has been converted to an interactive trainer to allow training by law enforcement agencies for situational awareness and tactical response.
- An outside fundraising source was used by the training division to purchase a used fire engine to avoid using frontline apparatus during training exercises and maintain response integrity. The apparatus will be maintained at the training facility.

BUDGET SUMMARY

This budget contains dollars to continue making improvements to the facility and be able to operate without a general fund subsidy.

PURPOSE

The Garbage Fund was created as an Enterprise Fund by resolution that passed City Council on Jan 21,2020. The Garbage Fund is a "fee based" operation that generates revenue to offset the costs of the service. Consolidating all the costs related to the service of garbage collection into one fund will increase the transparency of total cost (subsidy) needed for the operation.

GOALS/OBJECTIVES

Our objective is to continue to provide curb-side garbage collection service to the residents of the City. The city's low monthly rate for tote service has increased popularity and sticker sales continue to fall. The proposed budget expects to generate revenues based on the following:

	<u>cost</u>	<u>qty</u>	<u>Revenue</u>
Garbage Stickers-ea	\$1.50	251,000	\$ 376,500
Tote Service-Monthly	\$12.99	5,466	\$ 852,040
Tote Sales each	\$60	965	\$ 57,900

PAST FISCAL YEAR HIGHLIGHTS

The Garbage crew will collect and dispose approx 6,300 tons of garbage in FY 2024, which is a 4% increase over last year. A five-year Solid Waste Contract with Republic Services went into effect 5/1/2019 and expires 4/30/2024.

Since offering Garbage Tote service, the number of households opting into this service has increased to over 5,000 customers showing 7% growth in revenue over FYE 2023. The garbage totes sold indicate similar growth. Garbage Sticker sales are diminishing, down 10% from FY 2023.

We run three truck routes per day with two laborers per truck/route. The current garbage fleet consists of three 2016 Mack GU713 garbage trucks and two 2021 Mack garbage trucks. When curbside Recycle ended, Garbage assumed the ownership of the 2008 F350 (truck 116) and a 2002 Mack Rear loader truck. The three 2016 truck are nearing end of economic life and replacement should be considered.

Major repairs \$17,000 were done on truck #54 (2016 Mack)

BUDGET SUMMARY

Garbage revenues generated from sale of service/stickers is not sufficient to cover the projected expenses. The General Fund is planning a subsidy of nearly \$468,000 for next year. Garbage collection requires approximately 15,000 gallons of fuel per year. Three of the five trucks are over eight years old. Another vehicle, Truck 116 (2008 F350), formally in Recycle was transferred to Garbage in March 2023 and increased fleet expense by \$8,000. The vehicle replacement expense will increase by \$100,000 to \$250,000. Pending contract approval, the FY 2025 landfill fees are projected to be a 20% increase over the current cost of \$42.74 per ton. Vehicle funding will increase to \$250,000 per year in FYE 2025. This increase should allow for the use of Fund 603 transfer of \$390,500 to fund the purchase of new garbage trucks next year.

PURPOSE

The Recycling Fund was created as an Enterprise Fund by resolution that passed City Council on Jan 21,2020. Effective FYE 2021, the Recycling Fund began as a "fee based" operation that generates revenue to offset the costs of the service. Consolidating the the costs related to the service of curbside recycle collection into one fund will increase the transparency of the net cost (subsidy) needed for the operation.

PAST YEAR HIGHLIGHTS

The curbside service stopped in the beginning of March 2023. Our objective is switch to a Recycle Drop Off service which would be free to all residents. This fund will remain open to collect outstanding receivables and to pay outstanding fleet expenses through the fiscal year end.

BUDGET SUMMARY

There is no budget for the Recycling Enterprise Fund for FYE 2024.
All Recycling costs are now in the General Fund under division 3114 Recycling.

PURPOSE

The Central Garage provides all maintenance and repairs to the entire city fleet which includes the airport. This fleet consists of over three hundred (300) vehicles and pieces of equipment that are maintained by a staff of six (6) mechanics and one (1) utility personnel shared 50% with Transit. We operate on a schedule of two (2) shifts: 6:00 a.m.-2:00 p.m. and 2:00 p.m.-10:00 p.m. The Garage generates revenue by charging for fuel, parts, commercial repairs, and labor provided to other city departments.

GOALS/OBJECTIVES

- To provide efficient repairs and preventative maintenance to the city's fleet
- To maintain an adequate inventory of parts to ensure timely service
- To keep City vehicles and equipment in operation and minimize down time while in garage
- Maintain the internal billed labor rate at \$75 per hour, still below Quincy market rate of \$100 per hour
- Offer continuing education for the mechanics so they can better serve specialized equipment
- Maintain a safe working environment for our staff

PAST FISCAL YEAR HIGHLIGHTS

In April 2022 the City entered into a three-year contract for gas/diesel with Energy Petroleum which charges fuel station at 0.075/gallon over cost and delivery cost of bulk plant average plus 0.95/gallon. Central Garage processed over 3,500 job orders with 6 full-time mechanics. The garage has billed out 208,000 gallons of fuel and over 10,000 labor hours to city equipment.

BUDGET SUMMARY

The Central Garage budget anticipates slight increases for parts and budgeting slight decrease for fuel. Additionally, some vehicles require outside commercial repair which is expected to increase due to aging fleet and anticipated costs in commercial labor. The Garage will expect to bill the departments for these costs which will positively impact the revenue from Charges for Services. There is an increase for mechanic training/travel. The subsidy from the General Fund is expected to decrease. The capital outlay is planned for a diagnostic scan tool that includes software which will diagnose large vehicles.

FUND 603 VEHICLE REPLACEMENT FUND

SUMMARY

PURPOSE

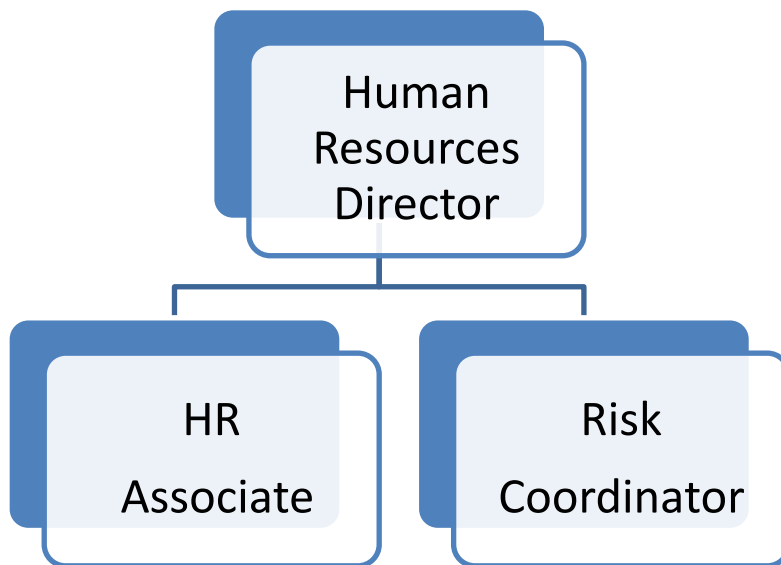

The Vehicle Replacement Fund was established during FY 2003. The purpose of the vehicle replacement program is for each department to set aside funds from their budget from the time a vehicle is put into service so that there is adequate funds to replace that vehicle at the end of its useful life. Nearly all city departments participated from FY 2003-2009. In FY 2010, many departments stopped participating due to budget constraints. We are attempting to build the vehicle replacement costs back into the budget. In FY 2021, the Water and Sewer fund balances were moved back to the enterprise fund. The Vehicle Replacement Fund is only being used by General Fund, Garbage Fund and Airport. subsidized departments.

In FY 2024 the following replacements were funded :
 Forestry - 2008 International 7400 truck (#72) ~ \$71,000
 Concrete - 2003 Ford F350 dump truck (#107) ~ \$22,000

The FY 2025 budget plans for using existing funds from:
 Concrete - 2008 International Dump truck (#24) ~ \$120,000 for total purchase \$200K
 Garbage transfer to the enterprise fund of \$410,000 to purchase new garbage trucks

Remained budget is contingency funding for unexpected replacements.

**FUND 611 SELF INSURANCE FUND
HUMAN RESOURCES**

SUMMARY

PURPOSE

The Self Insurance Fund provides liability coverage for the City's workforce and all City-owned properties having an insured value in excess of \$85,000,000. The fund consists of three divisions: Administration, Risk Management, and Premiums & Benefits. The Administration division provides support and function for all City departments through recruiting and employee selection, the development of employee policies and procedures, compensation and benefit administration, including the administration of six Collective Bargaining Units. The Risk Management division handle all worker's compensation claims and liability coverage claims investigate claims and inspect all City property for safety concerns. The Premiums and Benefits division is for the liability insurance coverage premiums and deductibles. This fund generates revenue from charges to other city departments with a labor force, significant property, and liability exposure.

GOALS/OBJECTIVES

- Effectively manage Liability and Workers compensation claims in order to reduce the financial obligation of the City.
- Move the City's Risk Management initiative towards an Enterprise Risk Management program.
- Prepare for impending retirements in key positions and prepare/advise on succession plans.
- Sustain effective recruitment practices in a tightening job market.

PAST YEAR HIGHLIGHTS

- HR director position was vacant from Nov 16, 2023 until March 18, 2024 when new director, Kelly Japcon started
- The MICA premium increased in FYE 2024 by \$154,000, an 8.33% increase over last year's rate of \$1,851,036 to \$2,005,317
- HR processed 53 new hires, 46 terminations which includes 10 retirees

BUDGET SUMMARY

The City's MICA premium is the major component of the Self Insurance Fund. The FY2025 premium billed to departments increased 5% in anticipation of a premium increase of 5%. The Employee Occupational Health Contract was formerly paid under the Employee Health Clinic (in Fund 612) and that cost of \$60,000 is now reflected in this fund. The Police and Fire department and Transit all contribute towards the cost of the Occupational Health Clinic.

**FUND 612 HEALTH INSURANCE FUND
HUMAN RESOURCES**

**PREMIUMS & BENEFITS
SUMMARY**

PURPOSE

The City's health insurance coverage is now a fully insured plan administered by a Third Party Administrator and utilizes a national network for accessing discounts for health care. The health Insurance plan participants include City, 911 employees and retirees. The fund revenues are the contributions paid by employees, employer and retirees; the fund expenses are the health insurance costs of the health plan.

GOALS/OBJECTIVES

- Educate employees regarding best use of benefits and health clinic options
- Research cost saving and efficiencies with health insurance

PAST FISCAL YEAR HIGHLIGHTS

- Cancelled APL Policy in Aug 2023, recieved a refund of \$675,000
- Renegotiated a new Blue Cross Blue Shield Plan through Gallagher Benefit Services for CY 2024
- Ended the Employee Health Clinic, but maintained the Occupational Health Clinic
- Offered three plans: Low Deductible, \$3200/\$6,400 HSA deductible, and high deductible HSA
- Worked closely worth QMG and Blessing to settle accounts from Coalition

BUDGET SUMMARY

The City's health plan remains fully insured. Two optional plans for employee healthcare were developed and offered in response to insurance committee member requests. Anticipated plan revenues and expenses have stabilized and are in balance. In FYE 2025, the health insurance fund plans to begin to repay the \$840,000 borrowed from the Self-Insurance Fund in FYE 2021 in response to the self-insurance health funding crisis.

**FUND 613 UNEMPLOYMENT COMPENSATION FUND
HUMAN RESOURCES**

SUMMARY

PURPOSE

The City has established a self-funded account to pay potential unemployment claims. The funding of the plan comes from each department based on a fixed cost per employee. This fund should maintain a balance that will cover future potential unemployment claims.

BUDGET SUMMARY

Each department with employees recognized a \$100 per head fee that is charged to Unemp Comp (22-03) These amounts are transferred into this fund for potential unemployment claims.

FUND 701 Q-Fund ECONOMIC DEVELOPMENT REVOLVING LOAN FUND

SUMMARY

PURPOSE

The Quincy Economic Development Revolving Loan Fund (RLF) was established to offer financing to businesses already working with private-sector lenders. Companies can spend these public funds on projects including, but not limited to, job creation, retention, business expansion, and investments in real estate, machinery, or equipment. The goals and objectives of the Q-Fund are to stimulate economic growth, increase the City's property and sales tax bases, create employment opportunities, and attract new residents to Quincy through the creation of employment and business expansions. The Q-Fund dollars will support existing industrial, commercial, or service-related businesses located in Quincy; existing and start-ups businesses considering relocating to Quincy; and new or existing businesses that are minority-owned or female-owned.

The State of Illinois recently changed the requirements which allowed the CDAP RLF #702 and SBE Loan Fund #706 to be closed out and merged into this Fund 701, which was renamed the Q-Fund Economic Development Revolving Loan Fund in FY 2022.

FUND 712 SISTER CITY COMMISSION

SUMMARY

The Sister City Commission Fund was established to hold the funds for the commission. The Sister City Commission has received General Fund subsidies year to year. The Sister City Commission also hosts the annual Germanfest which raises funding. The funds are related to student exchanges and travel costs to and from Hereford, Germany by Quincy Notre Dame, the Quincy University Men's Soccer team and Quincy University Choir. Quincy Senior High school German students also receive financial support with their educational needs and travel expenses.

FUND 719 LINCOLN BICENTENNIAL COMMISSION

SUMMARY

This fund was established in FY 2006 and started with private contributions for the Lincoln Bicentennial celebration and Looking for Lincoln projects. The Lincoln Interruptive Center Advisory Board currently solicits private funds or seeks grants for Lincoln event programming and renovates the Lincoln Interpretative Center which is located at 128 N. 5th Street.

PURPOSE

The Landfill Superfund fund was created to collect/disperse costs related to remedial action at Municipal Landfills No. 2 & No. 3. The City and other participating defendants entered into a settlement agreement in 1995 with the U.S. EPA to share expenses and obligations for remediation and monitoring of the closed landfills. The settlement agreement established the "Quincy Landfill Remedial Design/Remedial Action group" (RD/RA Group), and defined the City's share of responsibility as 38% of the total. Historically, the RD/RA Group issues cash calls in increments of \$200,000 to pay expenses, of which the City is responsible for \$76,000. For the coming Fiscal Year, one cash call is anticipated. In addition, the RD/RA is proposing construction of a forcemain to transfer leachate from the landfill to the City's sanitary sewer to reduce the long term operating expense. The City's portion of the construction project is estimated at \$300,000 which is included in the proposed FY25 budget.

FUND 724 ANIMAL RESCUE FUND

SUMMARY

In the fall of 2016 the “Quincy Animal Shelter” was named as a beneficiary of the Lori Nazimek estate (\$61,799.60). Because the city operates the animal shelter, we receipted these funds in FY 2017 as General Fund revenue (per the auditors). At that time, it was assumed these funds were to be used for costs already being incurred by our animal shelter contract. However, it was later determined that the city contract does not cover Rescue Costs. Therefore, this fund was moved to a Trust & Agency fund and we created this fund in FYE 2018. These funds cannot be used to offset day to day animal shelter operations. The contracted animal clinic tracks their cost of animal rescue and bills the city/this fund separately as rescued animals are treated. FYE 2025 will likely be the last year of this fund due the exhaustion of the trust funds.

FUND 743 TOURISM TAX FUND

SUMMARY

The Tourism Tax Fund receives all City Hotel/Motel Tax revenues. The current city Hotel/Motel tax rate is 8% as established by Ordinance 9314 adopted September 18, 2017. This ordinance calls for an annual rate review to occur each budget year. In January 2021, City Council adopted a resolution to maintain the same rate of 8% for another year.

The Hotel/Motel tax revenues are re-distributed based on the inter-governmental agreement with the QMEA (Quincy Metropolitan Exposition & Auditorium) / Oakley-Lindsay Center. This agreement was last amended February 17, 2015 as Ordinance 2015-07.

The City administers the fund and receives a 3% administrative cost share. Since there is no longer bond debt, the former debt service amount is transferred to the QMEA Capital Reserve Fund 395. The remaining is disbursed as allowed based on the current agreement.

PURPOSE

Quincy Public Library is an essential community service providing its patrons with materials, facilities, and programs to meet lifelong learning, cultural, and recreational needs. QPL is indispensable in providing access to information, educational opportunities and a place for community which helps Quincy maintain its strong standard of living

GOALS AND OBJECTIVES

Quincy Public Library’s vision of creating, supporting, and promoting a literate community is firmly grounded by a strategic plan to fulfill community needs and encourage lifelong literacy. QPL goals include increase attendance in our early literacy programs by 10% each year. To grow our active cardholder base and reach out to those who are less active about ways to make the library a more user friendly, community centered space.

PAST FISCAL YEAR HIGHLIGHTS

The Library sees an average of 8,500 patrons a month and 350 patrons a day. For the FY2022 year, 9,750 patrons participated in programs and for FY2023, the participations increased to 10,055. During the same time period the patron computer usage went from 17,292 sessions in FY2022 to 20,852 in FY 2023. QPL has a holding of 158,806 physical items and 1,768,699 materials that includes ebooks and audiobooks.

The library held an outstanding Summer Read program that consisted of 100 programs for all ages during the months of June and July. This year the library hosted a community event with the New York Times best selling book Maid by Stephanie Land. Ms. Land came to Quincy for a great author talk about her book, her story, and her writing process.

The library continued to campaign and fundraise for a new mobile library. This vehicle is expected to be here in the Winter of 2024. The mobile library will offer materials, Wi-Fi, laptops, chrome books, and programs while attending a variety of Quincy events and neighborhoods.

FYE 2024 was the first year of a new three-year labor agreement that had significant pay increases in year one for the state minimum wage adjustments. The contract will expire 4/30/2026. Salaries for FYE 2025 have increased 2.39%, an increase of \$25,965. The additional increase of \$146,416 is due increasing head count:

- Add Non-Union Communications/Development position (formally in union)
- Salary adjustment for Union Outreach specialist
- Salary adjustment Promotion to Union Librarian
- Increase Two FT union postions in Referece department
- Add new FT union position on Mobile Library
- Add new Part-time position on Mobile Library
- Addition of one summer intern

The library has reorganized throughout the departments to allow for the addition of mobile library staff. In 2023, the Communications/Development Coordinator positions were moved out of the bargaining unit.

The PPRT revenues exceeded projections resulting in an additional \$60,000 in revenue. The library contracted with Lauterbach and Amen to provide accounting and finance services for the Quincy Public Library, Townships of the Quincy Area Public Library District, and the Mary Weems Barton/Quincy Public Library Foundation.

Budget Summary

Beginning Balance May 1, 2024	750,727
Budgeted Revenue	3,304,429
Total Available	4,055,156
Budgeted Expenditures	3,298,814
Ending Balance April 30, 2025	756,342

QPL is budgeting to receive \$2,352,425 from the City of Quincy which is a \$374,000 increase over the current year budget. Additionally, QPL is budgeted to receive \$463,269 from the Townships of the Quincy Area Public Library District which is made up of portions of the surrounding Townships of Melrose, Gilmer, Ellington and Riverside. This is a 13% increase over curent year budget. QPL also expects to receive \$310,000 from the Mary Weems Barton Foundation for programming and largely for the new mobile library. Any remaining revenue budgeted is from grants and donations. The proposed expenditures anticipates additional increases in salaries and benefits and contractual services.
